Thursday, the 6th day of May, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 19th April, 1915, from the Minister of the Interior, submitting that, under the provisions of The Volunteer Bounty Act, 1908, South African Volunteer Bounty Land Certificate, No. 2424, dated the 4th December, 1908, was issued to John Gordon Davis, of Vancouver, British Columbia, in connection with his service in South Africa, which certificate entitled him or his duly qualified substitute to select and enter for as a homestead two adjoining quarter sections of Dominion Lands available for homestead entry and to obtain patent therefor upon proving to the satisfaction of the Minister of the Interior that he had perfected his entry and that he had resided upon and cultivated the land so entered for as provided by section 4 of The Volunteer Bounty Act, 1908;

The Minister further submits that the certificate in question, endorsed under the provisions of The Volunteer Bounty Act, 1908, and amendments thereto in favour of Paul Boytinck, farmer, of Grouard, Alberta, the duly qualified substitute of the said John Gordon Davis was mailed as requested to Mr. Boytinck in care of the Canadian Bank of Commerce at Grouard but failing to arrive there until the 5th November, 1913, Mr. Boytinck was unable to locate it upon land as the time in which such certificates could be located expired on the 31st October, 1913, and has not been extended, nor can the certificate be redeemed for \$500.00 as the time in which South African Volunteer Bounty Land Certificates might be redeemed expired on the 31st December, 1914,—

Under the circumstances and as, through no fault of his own, Mr. Boytinck has sustained considerable loss in connection with the certificate in question which he never had an opportunity of locating as the time in which it could be located upon land had expired before the certificate came into his possession, the Minister is of the opinion that Mr. Boytinck's case is deserving of favourable consideration, and he therefore recommends that upon the said Paul Boytinck returning certificate No. 2424, above referred to, to the Department of the Interior he be allowed to select and enter for as a homestead two adjoining quarter-sections of available Dominion Lands open for homestead entry subject to the ordinary homestead duties, and to obtain patent therefor upon proving to the satisfaction of the Minister of the Interior that he has perfected his entry, and performed the necessary duties as to residence on and cultivation of the land so selected and entered for in full satisfaction of any claim he may have had under the said South African Volunteer Bounty Land Certificate No. 2424.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS it is but fair and reasonable that the relief which may now be granted to a homesteader who is a member of a military force such as is specified in section 22 of The Dominion Lands Act for the causes mentioned in that section or in section 23 of that Act, should also be granted to any homesteader who, whether he is an alien or a British subject by birth or naturalization, has been serving or is now

serving or who may hereafter serve as a member of any military force, regiment, company or corps of Great Britain or in any military force, regiment, company or corps of the Allies of Great Britain in the present war in Europe, Africa or elsewhere, in defence of the British Empire and Allies, and who because of his being a member of any such military force, regiment, company or corps; or of wounds received; or of illness resulting therefrom; or from any other cause after and because of his enrolment as a member of any military force, regiment, company or corps, is unable to resume occupation of his homestead, or to complete the conditions of his entry therefor; and further, that in the event of the death of any such homesteader similar relief should be granted to his legal representatives,—

Therefore His Royal Highness the Governor General in Council, by and with the advice of the King's Privy Council for Canada, and under the authority of subsection 1 of section 6 of the Act intituled "The War Measures Act, 1914," 5 George V, chapter 2, and section 76 of The Dominion Lands Act, paragraph (k), is pleased to order, and it is hereby ordered as follows:—

The relief in such cases, as are hereinbefore alluded to, where the homesteader is unable to resume occupation of his homestead, may be either relief from further cultivation of the homestead, or from further residence thereon, or from both, as to the Minister of the Interior or to any Acting Minister of the Interior may appear fair and reasonable; and where all further conditions of entry are so dispensed with the Minister of the Interior, or any Acting Minister of the Interior may direct the immediate issue of letters patent for the homestead in favour of the homesteader.

Similar relief and action may be authorized in favour of the legal representatives of a homesteader who dies because of wounds or illness, as before specified.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 7th April, 1915, from the Minister of the Interior, stating that in November, 1905, the Vice-President and General Manager of The Grand Trunk Pacific Railway Company pointed out that the patents to the railway company of lands to which they were entitled under clause 46 of the agreement embodied in The National Transcontinental Railway Act reserved to the Crown the mines and minerals; that it was important to the company that they should not be embarrassed when constructing their line of railway by others being permitted to acquire the mining rights underlying the surface of lands which they might acquire; and he asked that the railway company be considered the first applicants for mining rights under all such lands, and that a note to that effect be made in the records of the Department of the Interior;

That by an Order in Council, dated the 19th of April, 1906, provision was accordingly made that, as soon as a definite description was furnished of the lands which the company desire to acquire in this connection, the same be for the present withdrawn from mining entry and sale for coal and other mining purposes, and in case application were made by any person or company for permission to acquire the mining rights under any such lands the railway company be considered the first applicants therefor, and such mining rights be granted to them under the provisions of the regulations in that behalf,—

As it would appear that the request made on behalf of the railway company for the reservation of the mining rights under their lands was for the period of

the construction of the railway only, and as the construction of this line of railway has now been completed and the lands which the company were permitted to acquire have all been selected, the Minister recommends that the Order in Council of the 19th April, 1906, above referred to—making the reservation—be now rescinded.

The Committee concur in the foregoing and submit the same for approval.

ONTARIO.

(163) LAKE ONTARIO—WEST OF TORONTO—LONG BRANCH RIFLE RANGES—CAUTION.

The usual notice has been issued by the Deputy Assistant Adjutant-General, Toronto Garrison Command, with reference to the resumption of target practice on Long Branch Rifle Ranges, near Toronto, on Lake Ontario, to begin in the spring of 1915, as follows:—

Owing to the extreme range of the Ross or magazine rifle, with which the musketry training of the troops will in future be conducted, and with a view to the better protection of the public, it has been found necessary to demarcate more clearly the area of water lakewards, or to the south of above ranges, liable to be struck by spent or ricochet bullets.

Seven spar buoys have been placed to mark the limits of this area, extending southward from the shore to a distance of 2,500 yards from the stop butts. The buoys mark the extreme limits of the danger zone. The spars are painted white, and are surmounted by a red sign, having the words "Danger, Rifle Ranges," painted thereon.

Notice is, therefore, hereby given, that any vessel passing inside these buoys during the hours of practice, incurs serious risk, and no attempt should, under any circumstances, be made to cross the aforesaid area, as long as the red flag hoisted on the stop butts is left flying.

Long Branch rifle ranges are located about 6 miles westwardly from the lighthouse at Toronto west entrance.

ONTARIO.

(164) LAKE ONTARIO—NIAGARA-ON-THE-LAKE—NIAGARA RIFLE RANGES—CAUTION.

The usual annual notice has been issued by the Deputy Assistant Adjutant General, 2nd Divisional Command, Headquarters, Toronto, with reference to the resumption of target practice on the Niagara Rifle Ranges, to begin on or before 1st May, 1915, as follows:—

Owing to the extreme range of the Ross or magazine rifle with which the musketry training of the troops will in future be conducted, and with a view to the better protection of the public, it has been found necessary to demarcate more clearly the area of water lakewards, or to the northward of above ranges, liable to be struck by spent or ricochet bullets.

The danger area comprises a strip of water at the south shore of Lake Ontario extending westward for a distance of about 1½ miles from Fort Massasauga at the mouth of the Niagara River, and extending 1½ miles northward from the shore. Seven spar buoys have been placed to mark the limits of this area. The buoys mark the extreme limits of the danger zone. The spars are painted white and are surmounted by a red sign having the words "Danger, Rifle Ranges," painted thereon.

Notice is therefore hereby given that any vessel passing inside these buoys during the hours of practice, incurs serious risk, and no attempt should, under any circumstances, be made to cross the aforesaid area as long as the red flag hoisted on the Rifle Ranges at Massasauga and Chautauqua Ranges is left flying.

Any steamer having to pass close along or within the aforesaid danger area should blow her whistle when at least three miles out so that rifle firing can be stopped until the vessel has passed out of this danger area.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

- (a) The respondent's residence at the time of sending such notice.
- (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
- (c) The name and address of the solicitor, if any, acting for the respondent.
- (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

PRÉSENT.

Sa Très Excellente Majesté le ROI en Conseil.

ATTENDU que par l'arrêté dit "Aliens Restriction (Consolidation) Order, 1914," (ci-après désigné arrêté principal), il a plu à Sa Majesté d'imposer certaines restrictions au sujet des étrangers et d'établir divers règlements pour rendre ces restrictions effectives ;

Et attendu qu'il est opportun de modifier le principal arrêté de la manière citée ci-après,—

En conséquence, il plaît à Sa Majesté, par et avec l'avis de Son Conseil privé, d'ordonner et il est par le présent ordonné comme suit :—

1. (1) Après le vingt-cinquième jour d'avril mil neuf cent quinze, un étranger venant d'un endroit quelconque hors du Royaume-Uni ou se proposant de se rendre à ce dit endroit, comme passager, ne devra atterrir à un port quelconque du Royaume-Uni ou s'y embarquer, sans la permission spéciale d'un Secrétaire d'Etat, à moins qu'il n'ait un passeport en sa possession qui lui aura été délivré au plus deux ans auparavant par ou au nom du gouvernement du pays dont il est sujet ou citoyen, ou quelque autre document établissant sa nationalité et son identité d'une manière satisfaisante, auquel passeport ou document doit être annexée une photographie de l'étranger dont il s'agit.

(2) Lorsqu'une telle permission spéciale d'un Secrétaire d'Etat a été donnée, subordonnée à des conditions quelconques, et que la personne à laquelle cette permission a été donnée néglige de se conformer à l'une quelconque de ces dites conditions, elle sera censée coupable de contravention à l'arrêté principal.

(2) Lorsque des instructions à cet effet sont données par un Secrétaire d'Etat, le propriétaire de chaque hôtel, auberge, maison de pension ou hôtel garni devra aussi faire rapport au préposé à l'enregistrement du district d'enregistrement dans lequel se trouve situé l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, au sujet des circonstances particulières susdites, aux époques ou intervalles, et en la manière qui pourra être indiquée dans ces dites instructions, et s'il néglige de s'y conformer ou s'il fait de faux rapports, il sera censé coupable de contravention à l'arrêté principal.

(3) Chaque personne habitant un hôtel, une auberge, une maison de pension ou un hôtel garni devra donner à son propriétaire et signer une déclaration contenant les renseignements que le dit propriétaire pourra exiger afin de les inscrire dans le dit registre comme susdit, et si une personne quelconque néglige de le faire, ou donne des renseignements erronés, elle sera censée coupable de contravention à l'arrêté principal.

(4) A toute heure raisonnable, chaque registre tenu sous l'empire du présent article sera ouvert à l'inspection de tout agent de police ou de toute autre personne autorisée par un Secrétaire d'Etat.

GÉNÉRAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 9 avril 1915, représentant qu'en vertu de l'article 12 de la *Loi des arpentages fédéraux*, le Ministre peut faire faire l'examen des aspirants à l'étude de la profession en qualité d'élèves stagiaires ou au brevet d'arpenteurs fédéraux, aux

époques et lieux qu'il prescrit, par l'un des membres de la Commission ou par un examinateur spécial qui doit être un arpenteur fédéral et être nommé à cet effet par le Gouverneur en conseil,—

Le Ministre recommande, par conséquent, la nomination de William Emerson Taylor, de Toronto, à l'emploi d'examineur spécial sous l'empire des dispositions de l'article ci-dessus de la *Loi des arpentages fédéraux*.

Le comité soumet cette recommandation pour approbation.

Jeudi, le 6e jour de mai 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 avril 1915, représentant que sous l'empire des dispositions de la *Loi récompensant certains volontaires, 1908*, un certificat de concession d'un des terrains octroyés aux volontaires du Sud-Africain, certificat portant le n° 2424 et daté le 4 décembre 1908, a été délivré à John Gordon Davis, de Vancouver, Colombie-Britannique, en récompense de ses services dans le Sud-Africain. A Davis ou à son substitut dûment qualifié ce certificat donnait droit de choisir et d'inscrire comme homestead deux quarts de section contigus de terres fédérales disponibles pour l'inscription de homestead, et d'en obtenir la patente dès qu'il aurait prouvé à la satisfaction du Ministre de l'Intérieur qu'il était dûment inscrit et qu'il avait résidé sur ce terrain et l'avait cultivé ainsi que prescrit par l'article 4 de la *Loi récompensant certains volontaires, 1908* ;

Le Ministre ajoute que le certificat en question, en-dossé conformément aux dispositions de la *Loi récompensant certains volontaires, 1908*, et ses amendements, en faveur de Paul Boytinck, cultivateur, de Grouard, Alberta, substitut dûment qualifié du dit John Gordon Davis, a été adressé, ainsi que demandé, à la Canadian Bank of Commerce de Grouard ; mais comme le certificat n'y est parvenu que le 5 novembre 1913, il a été impossible à M. Boytinck de choisir son terrain, car le délai fixé par le certificat expirait le 31 octobre 1913, et n'a pas été prolongé. Le certificat ne peut non plus être racheté pour \$500, car le délai dans lequel pouvaient être rachetés les certificats de concession aux volontaires du Sud-Africain est expiré le 31 décembre 1914,—

Dans les circonstances, et vu que sans qu'il y ait de sa faute M. Boytinck a subi un dommage considérable en rapport avec le certificat en question dont il n'a pu se prévaloir parce que le délai dans lequel il pouvait choisir son terrain était expiré avant qu'il ait le certificat en sa possession, le Ministre est d'avis que le cas de M. Boytinck doit être favorablement considéré et, par conséquent, il recommande que lorsque le dit Paul Boytinck aura remis au département de l'Intérieur le certificat n° 2424 ci-dessus mentionné, il lui soit permis de choisir et d'inscrire comme homestead deux quarts de section contigus de terres fédérales ouvertes à l'inscription de homestead, subordonnement aux obligations ordinaires de homestead, et d'en obtenir la patente dès qu'il aura prouvé à la satisfaction du Ministre de l'Intérieur qu'il s'est dûment inscrit et s'est acquitté des obligations de résidence et de culture sur le terrain ainsi choisi, en plein acquit de toute réclamation qu'il peut avoir en vertu du dit certificat n° 2424.

Le comité soumet cette recommandation pour approbation.

Greffier du Conseil privé.

AU comité du Conseil Privé a été soumis un rapport du Ministre de l'Intérieur, daté le 17 avril 1915, représentant que la ville d'Indian Head a demandé la permission d'acquérir le droit de passage d'une conduite d'eau pour l'alimentation de la ville à travers le quart nord-est de la section 29, township 17, rang 13, et le quart nord-ouest de la section 11, township 18, rang 13, tous deux à l'ouest du 2e méridien ;

En ce qui concerne le quart nord-est de la section 29 ci-dessus mentionné, le Ministre a été avisé par le Département de la Justice que le Gouverneur en conseil a le pouvoir, sous l'empire de la *Loi de l'irrigation*, d'autoriser la concession par vente privée d'une partie quelconque d'une section scolaire qui peut être requise pour des fins d'irrigation, ou des fins domestiques, industrielles ou autres ;

Toutefois, en ce qui concerne le quart nord-ouest de la section 11 ci-dessus mentionnée, on ne croit pas opportun de vendre le terrain requis pour le passage de la conduite d'eau à la ville, ce quart de section ayant été mis en réserve durant le bon plaisir du Ministre pour les fins d'une pépinière en rapport avec la branche de sylviculture du Département de l'Intérieur ;

Il a été représenté au Ministre que si le terrain était vendu et le titre en était cédé à la ville, le Département de l'Intérieur n'aurait aucun contrôle sur le terrain compris dans le droit de passage et que des clôtures pourraient être érigées le long de ce terrain, empêchant ainsi l'accès d'une partie à l'autre de la pépinière ;

Dans ces circonstances, le Ministre est d'avis que ce qu'il y a de mieux à faire est d'accorder à la ville d'Indian Head un permis d'occupation du terrain requis pour le passage de la conduite d'eau à travers le quart nord-ouest de la section 11, township 18, rang 13, à l'ouest du 2e méridien, à la condition expresse, toutefois, que les fonctionnaires du Département de l'Intérieur auront en tout temps libre accès à ce terrain et auront de plus le droit de construire et entretenir à travers les dits terrains les clôtures de bornes qui pourront être nécessaires en rapport avec la station de sylviculture située dans ce dit quart de section,—

Par conséquent, le Ministre demande l'autorisation d'accorder à la ville d'Indian Head, aux conditions ci-dessus mentionnées, un permis d'occupation du terrain requis pour le passage d'une conduite d'eau à travers le quart nord-ouest de la section 11, township 18, rang 13, à l'ouest du 2e méridien, ainsi qu'indiqué sur le tracé ci-annexé, et de plus l'autorisation de vendre à la ville d'Indian Head, au prix de \$7 l'acre, le terrain requis pour le passage de la dite conduite d'eau à travers le quart nord-est de la section 29, township 17, rang 13, à l'ouest du 2e méridien, comprenant 1.87 acres, plus ou moins, ainsi qu'indiqué sur le tracé ci-annexé, ce terrain ayant été évalué à \$7 l'acre par M. Evans, inspecteur des terres des écoles

Le comité soumet cette demande pour approbation.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 avril 1915, représentant que le quart sud-ouest de la section 1, township 29, rang 32, à l'ouest du méridien principal, a été compris dans les terrains réservés aux établissements de Doukhobors par un arrêté en conseil du 7 décembre 1907, et que l'inspecteur des réserves des Doukhobors a fait rapport que ces terrains ne sont plus requis pour les fins auxquelles ils ont été mis en réserve ;

Le Ministre ajoute que les représentants légaux d'un certain Nicoli Khominoff, un Doukhobor, ont demandé

ce quart de section pour remplacer le homestead du dit Nicoli Khominoff dont l'inscription a été annulée à la suite de procédures en annulation instituées après la mort de l'inscrit, mais dont n'avait pas eu connaissance les représentants légaux avant l'annulation, et que faute de défense l'inscription a été annulée et le terrain cédé en homestead, conformément aux règlements, à celui qui avait demandé l'annulation. La conclusion d'un soigneux examen de la réclamation des représentants légaux est que l'inscription accordée au demandeur en annulation est légale et devrait demeurer valide, et que la réclamation des représentants légaux pourrait être réglée en leur concédant un autre quart de section, et en leur tenant compte en rapport avec cette dernière concession des conditions d'établissement remplies sur le premier homestead ;

Le Ministre est d'avis qu'il devrait être fait droit à cette réclamation, les représentants légaux ayant consenti à accepter le dit quart sud-ouest de la section 1 et à retirer toute prétention au premier homestead,—

Par conséquent, le Ministre recommande que le quart sud-ouest de la section 1, township 29, rang 32, à l'ouest du méridien principal, soit soustrait de la réserve des Doukhobors établie par arrêté en conseil du 7 décembre 1907 et qu'il soit concédé aux représentants légaux de Nicoli Khominoff en vertu du paragraphe (k) de l'article 76 de la *Loi des terres fédérales*.

Le comité soumet cette demande pour approbation.

ATTENDU que les règlements concernant les parcs fédéraux défendent la possession et le port d'armes non scellées dans les limites des parcs fédéraux, sauf par un garde-chasse dûment autorisé ;

Et attendu que le surintendant du parc des Montagnes-Rocheuses représente que certaines compagnies de commerce dans le dit parc ont offert en vente des armes non scellées et se sont opposées à ce que ces armes soient scellées par les gardiens du parc ;

Et attendu que le dit surintendant représente de plus que la prohibition de la vente des armes à feu dans le dit parc faciliterait la mise en vigueur des règlements concernant les armes à feu,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les dits règlements soient par ces présentes modifiés en y ajoutant l'article suivant :

71a. Personne dans les limites du parc ne s'engagera dans le trafic ou le commerce d'achat ou de vente de carabines, fusils, revolvers ou autres armes à feu.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil du 7 décembre 1907 certains terrains ont été mis en réserve durant le bon plaisir de Sa Majesté pour des établissements de Doukhobors ;

Et attendu que le Commissaire des Doukhobors a fait rapport que les terrains énumérés dans le tableau annexé ne sont plus requis pour les fins des établissements de Doukhobors, et que le Ministre recommande que les terrains énumérés dans le tableau annexé soient soustraits des réserves établies par le dit arrêté du 7 décembre 1907 et soient ouverts à l'inscription de homestead ;

Et attendu que les terrains énumérés dans le tableau annexé sont tributaires de la sous-agence des terres fédérales à Pelly, Saskatchewan, et que ceux qui habitent le district contigu à ces terres demandent depuis longtemps qu'elles soient ouvertes à l'inscription de home-

stead et qu'ils sont de beaucoup les plus nombreux de ceux qui désirent obtenir des inscriptions pour ces terrains ;

Et attendu que les requérants du district mentionné peuvent difficilement se rendre au bureau de l'agent local des terres fédérales à Yorkton, une distance de soixante ou soixante-dix milles, pour présenter leurs demandes,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les terres énumérées dans le tableau annexé soient par ces présentes soustraites de la réserve établie par le dit arrêté en conseil du 7 décembre 1907.

Il plaît de plus à Son Altesse Royale le Gouverneur général en conseil, sous l'empire du paragraphe (h) de l'article 76 de la *Loi des terres fédérales*, de nommer M. R. S. Dundas, sous-agent des terres fédérales à Pelly, Saskatchewan, agent local des terres fédérales pour le district comprenant les terrains énumérés dans le tableau annexé, ses devoirs étant de recevoir, après avis public dûment donné, les demandes d'inscription de homestead des requérants ayant droit de s'inscrire pour les terrains énumérés dans le tableau annexé, ainsi que d'accorder des inscriptions de homestead pour ces terrains conformément aux dispositions de la *Loi des terres fédérales* et des règlements établis en vertu de cette loi, ces fonctions de l'agent local devant prendre fin après que ces inscriptions auront été accordées ou quand le Ministre de l'Intérieur y mettra fin ; le bureau d'inscription sera à Pelly, Saskatchewan.

HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 26e jour de février 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur et du Surintendant général des Affaires des sauvages, daté le 15 février 1915, représentant que par un arrêté en conseil du 17 mai 1889 une étendue de terrain située dans les townships 58, 59 et 60, rangs 6 et 7, à l'ouest du 4e méridien, ainsi qu'indiqué par un tracé vert sur le plan ci-annexé, a été mise en réserve pour la bande indienne de Keheewin, et que les sauvages ont demandé une nouvelle délimitation par laquelle certains terrains dans les townships 58 et 59, rang 6, à l'ouest du 4e méridien, contigus à la limite est de la réserve ainsi que constituée par l'arrêté en conseil ci-dessus mentionné, leur seraient accordés en échange de certaines parties des divisions nord et sud de la dite réserve;

Les terrains que demandent les sauvages sont des terres fédérales au sens de la *Loi des terres fédérales*, et comme ils sont disponibles pour cet échange, le Ministre est d'avis que la demande des sauvages soit accordée,—

Par conséquent, le Ministre recommande que l'arrêté en conseil ci-dessus mentionné soit rescindé et que la nouvelle délimitation de la réserve soit confirmée d'après la description suivante :

Premièrement : Toutes les parties des townships 58 et 59, rang 6, et toute la partie du township 59, rang 7, à l'ouest du 4e méridien, qui peuvent être décrites plus minutieusement comme suit : commençant à un poteau en fer et un tertre marquant l'angle sud-ouest de la section fractionnaire 1, dans le dit township 59, rang 6, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township approuvé et confirmé à Ottawa, le 6 novembre 1909, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers le sud en suivant la limite ouest de la réserve de chemin le long de la borne ouest de la partie nord du quart fractionnaire nord-est de la section 36, dans le dit township 58, rang 6, sur une distance de 23 chaînes et 93 chaînons, plus ou moins, jusqu'à un poteau en fer et un tertre, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township 58, approuvé et confirmé à Ottawa, le 6e jour de novembre 1906, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers l'ouest en suivant la limite nord de la réserve de chemin le long de la borne nord des sections fractionnaires 36, 35, 34, 33, 32 et 31 du dit township 58, sur une distance de 435 chaînes et 40 chaînons, plus ou moins, jusqu'au point d'intersection avec la rive est du lac Keheewin ; de là dans une direction générale nord-ouest en suivant la dite rive du dit lac jusqu'au point d'intersection avec la limite est de la réserve de chemin sur la borne est de la section fractionnaire 12, township 59, rang 7, ce point étant situé à environ une chaîne dans la direction de l'est d'un poteau en bois sur la borne est de la dite section fractionnaire 12, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township 59, rang 7, approuvé et confirmé à Ottawa, le 4 novembre 1909, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers le nord en suivant la limite est de la réserve de chemin le long de la borne est des sections fractionnaires 12, 13, 24 et 25 du dit township 59, sur une distance de 235 chaînes et 27 chaînons, plus ou moins, jusqu'à un poteau en fer marqué I.R., situé une chaîne à l'est et 73 chaînons au sud d'un poteau en bois et d'un tertre marquant l'angle nord-est du quart fractionnaire sud-est de la section 25 du dit township, ainsi qu'indiqué sur le dit plan officiel du dit township ; de là vers l'est en suivant la limite sud de la réserve de chemin le long de la borne sud de la partie est du quart fractionnaire nord-est de la dite section

25, et le long de la limite sud de la réserve de chemin longeant la borne sud des sections fractionnaires 30, 29, 28, 27, 26 et 25, dans le dit township 59, rang 6, jusqu'au point d'intersection avec la rive ouest du lac Muriel ; de là dans la direction du sud-est en suivant la rive sud du lac Muriel jusqu'au point d'intersection avec la borne ouest de la section fractionnaire 24 du dit township 59, rang 6, ainsi qu'indiqué sur une carte ou plan du dit township approuvé de la manière susdite ; de là vers le sud en suivant la borne ouest des sections fractionnaires 24, 13, 12 et 1 du dit township, sur une distance de 307 chaînes et 89 chaînons, plus ou moins, jusqu'au point de départ, le tout contenant 28 milles carrés plus ou moins.

Deuxièmement : Toutes les parties des sections fractionnaires 26, 27, 29 et 30 du dit township 59, rang 6, qui ne sont pas couvertes par les eaux du lac Sinking, ainsi qu'indiqué sur le plan du dit township ; toute la section fractionnaire 28 ; toutes les parties des sections 31, 32, 33, 34 et 35 situées au sud de la rive sud du lac Sinking, ainsi qu'indiqué sur le plan du dit township et toutes les parties de la moitié sud des sections 5 et 6 du township 60, rang 6, situées au sud de la rive sud du dit lac Sinking, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township, approuvé et confirmé à Ottawa, le 31 mars 1909, par Edouard Deville, arpenteur des terres fédérales, et déposé au Département de l'Intérieur ; les terrains deuxièmement décrits ci-dessus contiennent 4 milles carrés, plus ou moins, et les terrains premièrement et deuxièmement décrits ci-dessus contiennent ensemble 32 milles carrés, plus ou moins, et sont tels qu'indiqués par un tracé rouge sur le plan ci-annexé.

Au sujet de ce qui précède, le Ministre représente de plus qu'en 1904 M. J. A. J. McKenna, assistant commissaire des sauvages à Winnipeg, a fait rapport que l'agent des sauvages Sibbald avait écrit que les sauvages de la réserve de Keheewin désiraient renoncer à la partie nord de leur réserve et faire ajouter une égale étendue à l'est de la réserve, leur but étant d'avoir ainsi de meilleures terres à foin et à culture, la partie nord, sauf quelque futaie, étant pratiquement sans valeur aucune à cause de ce vaste lac alcalin. M. Sibbald représentait que le changement serait dans l'intérêt des sauvages et recommandait qu'il fut autorisé. Demande fut donc faite au Département de l'Intérieur s'il avait des objections au changement projeté. Dans une lettre datée le 26 avril 1904, le département déclara qu'il semblait n'y avoir aucune objection, et M. J. Lestock Reid, arpenteur du Département des Affaires des sauvages, fit un arpentage en 1904, enlevant une partie au nord et au sud et ajoutant une partie égale à l'est de la réserve. En 1906 les sauvages présentèrent une réclamation, prétendant qu'ils ne savaient pas que les terres à foin au sud du lac Sinking avaient été soustraites de leur réserve. L'agent des sauvages fit rapport que cette lisière avait à peu près un demi-mille de large, que le sol, était alcalin et que le foin était requis pour le pâturage du bétail appartenant alors à la bande ; et de plus que la population de la bande de Keheewin augmentait rapidement, ainsi que constaté ci-dessous :

' Novembre 1906.....	population 130
Décembre 1909.....	" 177
Août 1910.....	" 188
1913... ..	" 1

Le 29 mars 1911, le Département de l'Intérieur avisa le Département des Affaires des sauvages qu'il avait été décidé de faire une addition à la borne nord, étendant la réserve jusqu'aux rives sud du lac Sinking.

Au cours de l'année 1914 trente-cinq sauvages quittèrent la réserve de Keheewin pour d'autres réserves, laissant une population de 162 en 1914, ce qui, d'après le traité, leur donnerait droit à 20,736 acres ; la superficie maintenant demandée est de 20,531 acres.

Le comité soumet cette demande pour approbation.

AU Comité du Conseil privé a été soumis un rapport du Ministre de la Milice et de la Défense, daté le 27 avril 1915, représentant qu'il n'est actuellement aucunement pourvu aux pensions des officiers et soldats des forces expéditionnaires canadiennes d'outre-mer ou leurs familles, et qu'il est désirable qu'il y soit pourvu immédiatement, —

Par conséquent, le Ministre recommande que les dispositions des articles 591 à 598 des Règlements de solde et d'allocations de la milice canadienne, ainsi que modifiées par un arrêté en conseil (C. P. n° 289) du 29 avril 1915, soient appliquées aux officiers et soldats des forces expéditionnaires canadiennes d'outre-mer et à leurs veuves, enfants, orphelins ou mères veuves au même degré que si les dits officiers et soldats étaient des officiers, sous-officiers à brevet, sous-officiers et soldats, respectivement, de la milice et étaient morts ou devenus invalides en service comme ces officiers, sous-officiers à brevet, sous-officiers et soldats de la milice.

Le Ministre recommande de plus que ces dispositions soient applicables à dater du 1^{er} jour de septembre 1914.

Le comité soumet cette recommandation pour approbation.

SON ALTESSE ROYALE LE GOUVERNEUR

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 28 avril 1915, représentant qu'il a été permis à M. John Macdonald Gibbs de localiser son srip de volontaire sud-africain sur la moitié nord de la section 36, township 55, rang 5, à l'ouest du 5^e méridien, le 11 avril 1911 ;

Il a été déclaré par un inspecteur de homesteads que M. Gibbs a rempli ses obligations de résidence pendant deux des périodes prescrites ;

M. Gibbs a fait des améliorations consistant en une maison, \$25, un mille et un quart de clôture, \$100, 24 acres de défoncement (21 acres en culture) et six acres de défrichement ;

Le Ministre soumet les copies annexées des certificats médicaux des docteurs W. H. Rennie et H. J. Hassard, tous deux de Portage-La-Prairie, Manitoba, déclarant que M. Gibbs souffre d'une dislocation partielle de l'épine dorsale, —

Dans les circonstances, le Ministre recommande qu'en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, M. Gibbs soit exempté de l'obligation de résidence en rapport avec son srip de volontaire sud-africain, couvrant la moitié nord de la section 36, township 55, rang 5, à l'ouest du 5^e méridien, afin que la patente gratuite de son srip de volontaire lui soit accordée dès qu'il aura été établi de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité soumet cette recommandation pour approbation.

GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 7 avril 1915, représentant qu'en novembre 1905 le vice-président et le gérant général de la Compagnie du chemin de fer Grand-Tronc-Pacifique ont représenté que les patentes accordées à la compagnie pour les terres auxquelles elle avait droit en vertu de l'article 46 de la Convention incorporée à la *Loi du Chemin de fer National Transcontinental* réservaient à la Couronne les mines et les minéraux. Il est important que la Compagnie ne soit pas embarrassée dans la construction de sa voie ferrée par le fait qu'il est permis à d'autres d'acquérir les droits miniers sous la surface des terrains qu'elle a acquis. Il a été demandé que la compagnie soit considérée premiers requérants pour les droits miniers sur ces terrains, et qu'une note à cet effet soit faite dans les archives du Département de l'Intérieur ;

Par un arrêté en conseil, daté le 19 avril 1906, il a par conséquent été décrété que dès que serait fournie la description des terrains que la compagnie désire acquérir pour ces fins, les dits terrains soient soustraits de l'inscription minière et de la vente pour l'extraction de la houille et autres fins minières, et qu'au cas où une personne ou compagnie quelconque demanderait la permission d'acquérir les droits miniers sous ces terrains la compagnie de chemin de fer soit considérée premiers requérants, et que ces droits miniers lui soient accordés sous l'empire des dispositions des règlements à cet effet, —

Il appert que la demande de la compagnie de chemin de fer de lui réserver les droits miniers sous ces terrains n'était que pour la période de construction de la voie ferrée, et comme la construction de ce chemin de fer est maintenant parachevée et que les terrains que la compagnie pouvait acquérir ont tous été choisis, le Ministre recommande que l'arrêté en conseil du 19 avril 1906 ci-dessus mentionné—faisant cette réserve—soit maintenant rescindé.

Le comité soumet cette recommandation pour approbation.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier

de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

(a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension.....\$ 100 00

(b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième 100 00

(c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... 200 00

(d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000..... 100 00

(e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... 150 00

(f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... 200 00

(i) Pour chaque million ou fraction de million de dollars additionnel..... 100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* : le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommiss ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques* :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout parcil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nullé pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre.

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

And all pilotage By-laws or regulations previously made or in force in the said District and all Orders-in-Council previously passed adopting the same are hereby repealed.

1. The Minister as the Pilotage Authority of the Pilotage District of Montreal, may appoint a General Superintendent, hereinafter called the Superintendent, at Quebec, and an Assistant Superintendent at Montreal who shall have immediate control of the pilotage affairs of the District and shall administer the same in conformity with the directions of the Minister and be responsible to him. The said General Superintendent so appointed shall be recognized by the pilots as representing the Minister in the administration of the pilotage affairs of the district.

PILOTS' COMMITTEE.

2. The pilots for the pilotage district of Montreal shall appoint annually from among themselves a committee, who shall be recognized by the Minister as representing the said pilots in all matters relating to pilotage.

3. No person shall be recognized as an apprentice pilot within the meaning of Part VI of the Canada Shipping Act or of these By-laws unless he has been previously licensed as an apprentice pilot under these By-laws. Nevertheless these By-laws shall apply to apprentice pilots licensed before the coming into force thereof to such extent as the Minister may deem practicable.

LICENSE OF APPRENTICE PILOT.

4. Any person who desires to obtain a license as an apprentice pilot shall make application for the same in his own hand-writing to the Superintendent; but if such applicant is a minor no proceedings shall be taken upon such application until it has been sanctioned by his lawful guardian.

NUMBER OF VOYAGES TO BE MADE.

7. Every apprentice pilot not being one of the number selected as above shall make not less than thirty trips during every season of navigation, failing which his license will be cancelled. The trips above mentioned need not be in company with a licensed pilot, provided that the apprentice pilot produces satisfactory evidence that he was engaged piloting vessels which are not subject to compulsory payment of pilotage, or that he was employed on vessels between Quebec and Montreal.

WINTER VOYAGES.

8. Every apprentice pilot selected by the Minister, during every winter season shall make an ocean voyage before the mast to and from Europe, or a coasting voyage south of Cape Hatteras. Such voyages may be made at any time during the apprenticeship, but they shall not be less than three, each to be made in a separate winter.

9. When a vacancy occurs in the required number of Branch pilots, or an additional number of pilots is required, an apprentice pilot, according to seniority, having furnished proof that he has duly performed the term of his apprenticeship and has complied with all the provisions of these By-laws applicable to him may after passing a satisfactory examination before the Board of Examiners appointed by the Minister be granted a license. Les règlements ci-annexés sont confirmés et adoptés comme règlements pour le district de pilotage de Montréal, leur mise en vigueur datant du 31e jour de mars 1915.

Tous les règlements de pilotage antérieurement établis ou en vigueur dans le dit district de pilotage de Montréal et tous les arrêtés en conseil antérieurement adoptés, confirmant ces règlements, sont par ces présentes rescindés.

RODOLPHE BOUDREAU,
 Greffier du Conseil privé.

REGLEMENTS DE PILOTAGE DU DISTRICT DE MONTREAL.

ABROGATION DES ANCIENS REGLEMENTS.

Les règlements suivants faits en conformité de la Partie VI de l'Acte de la Marine marchande du Canada, chapitre 113 des Statuts Révisés du Canada, tel qu'amendé, devront être observés à l'avenir dans le district de pilotage de Montréal et ils seront appliqués le 31 mars 1915, et par la suite. Tous les règlements de pilotage ou ordonnances faits antérieurement aux présents règlements, ou appliqués dans ledit district, et tous ordres en conseil rendus à propos de ces anciens règlements ou ordonnances sont abrogés par les présentes.

INTERPRETATION.

Lorsque dans ces règlements le vocable le "Ministre" est employé, il signifie le ministre de la Marine et des Pêcheries.

NOMINATION D'UN SURINTENDANT ET D'UN SURINTENDANT ADJOINT.

1. Le Ministre sous l'autorité de qui est placé le pilotage, dans le district de pilotage de Montréal, peut nommer à Québec, un surintendant général, qui sera ci-après appelé le surintendant; et il peut aussi nommer à Montréal un surintendant adjoint à qui sera confié personnellement l'administration du pilotage du district, pour laquelle

ils se conformeront aux instructions données par le Ministre vis-à-vis de de qui ils seront responsables de l'accomplissement de leurs devoirs. Les pilotes seront tenus de considérer le Surintendant Général nommé par le Ministre, comme étant son représentant quant à l'administration de tout ce qui relève du pilotage dans le district.

COMITE DES PILOTES.

2. Chaque année les pilotes du district de pilotage de Montréal choisiront parmi eux les membres d'un comité, qui les représentera auprès du Ministre en toutes matières concernant le pilotage.

APPRENTIS PILOTES.

3. Nul ne sera reconnu apprenti pilote, en conformité des dispositions de la Partie VI de l'Acte de la Marine Marchande du Canada, ou en conformité des présents règlements, s'il n'a au préalable reçu une licence d'apprenti pilote, ainsi que l'exigent ces règlements; lesquels, toutefois, et dans la mesure pratique qui conviendra au Ministre, s'appliqueront aux apprentis pilotes licenciés avant que ces règlements ne fussent en vigueur.

LICENCE DES APPRENTIS PILOTES.

4. Quiconque désire obtenir une licence d'apprenti pilote doit en faire la demande par écrit, de sa propre main, et l'adresser au Surintendant; si le candidat est mineur on ne tiendra compte de sa demande que lorsqu'elle sera approuvée par la personne dont il relève d'après la loi.

EXAMEN DEVANT PRECEDER LA DELIVRANCE D'UNE LICENCE D'APPRENTI PILOTE.

5. Le Ministre peut exiger que tout candidat désirant obtenir une licence d'apprenti pilote subisse au préalable un examen. La délivrance de la licence ne pouvant avoir lieu que si le candidat:—

- (1) A plus de seize ans et moins de trente ans;
- (2) Est reconnu sobre et jouit d'une bonne réputation;
- (3) Peut parler, lire et écrire l'anglais;
- (4) A subi un examen médical officiel, établissant qu'il est bon pour le service, et qu'il peut subir avec succès l'examen de rigueur des yeux (spécialement quant au daltonisme) et de l'ouïe.

DU SERVICE ET DES APPRENTIS PILOTES.

6. Tout apprenti pilote devra servir en cette qualité pendant cinq années consécutives, et être embarqué pendant cinq saisons de navigation, au cours desdites années, sur des bâtiments marchands naviguant entre Montréal et Québec sur le fleuve Saint-Laurent, dès que les présents règlements seront en vigueur, le Ministre choisira à l'ancienneté, d'après les listes, des apprentis pilotes, au nombre des sept au maximum, de façon à ce que selon les besoins, chaque pilote affecté à une ligne régulière de navigation puisse avoir près de lui lorsqu'en service sur tout navire obligé de payer des droits de pilotage, et à chaque voyage entre Montréal et Québec, et *vice versa*, un apprenti pilote dont il aura charge. Chacun des apprentis pilotes ainsi choisis devra faire au moins cinquante voyages au cours de chaque saison de navigation, et ce sous les ordres d'un pilote lamanneur.

NOMBRE DES VOYAGES QUI DEVRONT ETRE FAITS.

7. Tout apprenti pilote qui ne sera pas l'un de ceux désignés au choix, ainsi que dit ci-dessus, ne devra pas faire moins de trente voyages durant chaque saison de navigation. Au cas où il n'en serait pas ainsi sa licence sera annulée. Il n'est pas nécessaire que les voyages dont il est ici question aient été faits en compagnie d'un pilote autorisé, si l'apprenti pilote peut prouver, de façon satisfaisante, qu'il a piloté des navires qui n'étaient pas obligés de payer des droits de pilotage, ou qu'il a navigué sur des bâtiments allant de Québec à Montréal.

VOYAGES FAITS EN HIVER.

8. Tout apprenti pilote choisi par le Ministre, devra, au cours de son apprentissage, faire en hiver un voyage en Europe, aller et retour, comme matelot, ou, sinon, faire un voyage de cabotage, dans les mêmes conditions jusqu'au sud du cap Hatteras. Ces voyages, qui seront au minimum au nombre de trois, pourront être faits à n'importe quel moment de l'hiver, pendant l'apprentissage, mais chacun au cours d'un hiver distinct.

NOMINATION DES PILOTES.

9. Lorsqu'une vacance se produit parmi les pilotes lamaneurs dont le nombre est déterminé, ou qu'il est nécessaire d'augmenter le nombre de ces pilotes, on peut accorder à l'ancienneté un brevet de pilote à un apprenti pilote, pourvu qu'il ait justifié:—avoir convenablement terminé son apprentissage, s'être conformé à toutes les dispositions de ces règlements le concernant, et avoir subi avec succès un examen, par devant des examinateurs nommés par le Ministre. Toutefois aucun apprenti pilote ne pourra obtenir le brevet de pilote s'il a moins de vingt et un ans ou plus de quarante ans.

ON PEUT BREVETER UN APPRENTI PILOTE POUR QU'IL SERVE TEMPORAIREMENT EN QUALITE DE PILOTE.

10. Le Ministre peut autoriser un apprenti pilote à subir un examen et s'il le fait avec succès lui accorder un brevet qui, en cas de besoin, lui permettra d'agir en qualité de pilote pendant un laps de temps déterminé. Toutefois le brevet ainsi obtenu devra être renouvelé annuellement.

DISCIPLINE.

11. Tout apprenti pilote devra se soumettre à la discipline et aux ordres que lui imposera le pilote du navire sur lequel il sera embarqué. Dans le cas où un apprenti pilote ferait montre d'inconduite ou d'inattention vis-à-vis de son service, on pourra, au gré du Ministre, soit le révoquer, soit diminuer à volonté les avantages d'ancienneté qui lui sont acquis.

EMPLOI.

13. On entrera dans un registre spécial, tenu à cet effet, toutes les demandes de lignes régulières de navigation, devra, au cours de toute la saison de navigation, se tenir à la disposition du Surintendant, ou du Surintendant Adjoint de pilotage, selon les circonstances, pour être embarqué sur tout navire qu'on lui désignera, et chaque pilote d'une ligne régulière de bateaux à vapeur, sera tenu d'accepter tout apprenti pilote que l'on embarquera sur son navire, et il devra, chaque fois que faire se pourra, au cours du voyage, lui enseigner son métier.

REGISTRE DES PILOTES.

13. On entrera dans un registre spécial, tenu à cet effet, toutes les demandes de licences d'apprentis pilotes ou de brevets de pilotes, et l'on consignera aussi par écrit et conservera:—les noms et prénoms et l'âge de tout candidat qui a reçu une licence d'apprenti pilote ou un brevet de pilote et aussi tous autres renseignements que l'on est tenu de fournir au Ministre en conformité des dispositions de la Partie VI de l'Acte de la Marine Marchande du Canada.

DROITS DE BREVETS.

14. Pour chaque licence d'apprenti pilote l'impétrant devra payer un droit de cinq dollars, et pour chaque brevet de pilote un droit de dix dollars.

ABSENCE TEMPORAIRE.

15. Tout pilote qui désire cesser temporairement d'agir en qualité de pilote, peut, par l'entremise du Surintendant Général du pilotage, demander au Ministre la permission de cesser son service et à son gré le Ministre lui accordera ou lui refusera cette permission.

EXAMEN ANNUEL DE LA VUE.

16. Tout pilote ou apprenti pilote breveté devra chaque année subir un examen de la vue (avec épreuves de daltonisme) et de l'ouïe, par devant un médecin et un fonctionnaire du Département de la Marine et des Pêcheries, tous deux nommés par le Ministre.

MISE A LA RETRAITE DES PILOTES.

17. Tout pilote âgé de soixante-cinq ans qui a satisfait aux dispositions de l'article 452 de l'Acte de la Marine Marchande du Canada, peut, après avoir présenté et remis son brevet au Ministre, recevoir un nouveau brevet, valable pendant un an, et renouvelable d'année en année jusqu'à l'âge de soixante et dix ans, pourvu qu'ayant été examiné par des examinateurs nommés à cet effet par le Ministre il ait pu justifier des qualités et connaissances qu'on exige de lui, et ce, chaque année, pour le renouvellement du brevet.

ON PEUT ANNULER LES BREVETS.

18. Le Ministre peut suspendre ou annuler le brevet de tout pilote ou apprenti pilote dont la culpabilité aurait été établie quant à la violation de l'Acte de la Marine Marchande du Canada ou de ces règlements.

INCAPACITE INTELLECTUELLE OU PHYSIQUE.

19 (a) Lorsqu'une plainte formulée par écrit et signée par son auteur est adressée au Ministre à l'endroit d'un pilote autorisé, qui serait devenu incapable de faire convenablement son devoir de pilote par suite d'une infirmité ayant affecté ses facultés morales ou physiques, ou par suite d'ivrognerie, la plainte en question doit être portée à la connaissance dudit pilote.

(b) Dès la réception d'une plainte de cette nature le Ministre nomme un enquêteur qui, le représentant, institue une enquête, où, sous serment, l'on sera tenu de démontrer la véracité des faits de l'accusation portée contre le pilote.

(c) L'enquêteur ainsi nommé devra immédiatement fixer le jour, l'heure et le lieu où l'enquête sera tenue et il en informera celui qui a formulé la plainte et le pilote.

(d) Au moment et au lieu fixés, l'enquêteur qui aura été nommé tiendra une enquête où, sous serment, on prendra des dépositions ayant trait aux griefs mentionnés ayant motivé la plainte.

(e) Le pilote pourra comparaître à l'enquête soit personnellement soit par procureur et soumettre toute défense et toutes preuves qu'il jugera à propos.

(f) Dès la clôture de l'enquête, l'enquêteur soumettra immédiatement au Ministre tous les documents et pièces ayant figuré à l'enquête et aussi tous les témoignages recueillis.

(g) Si après avoir pris connaissance des détails de l'enquête, tels qu'à lui soumis, le Ministre est d'avis que la plainte portée contre le pilote était bien fondée il sera mis d'office à la retraite et son brevet sera annulé.

DIFFERENDS.

20. (a) Lorsqu'un différend en matière de pilotage survient entre des Capitaines, des pilotes, ou toutes autres personnes, si l'un quelconque de ceux-ci s'en plaint par écrit au Ministre, ce dernier fera instituer une enquête en la matière, par un enquêteur qu'il nommera à cet effet.

(b) Un avis émis par l'enquêteur et portant sur les faits ayant produit le différend sera adressé à chacune des personnes intéressées, qui, en même temps sera informée de la date, de l'heure et du lieu où l'enquête sera tenue.

(c) Après avoir entendu les parties en cause et leurs témoins, l'enquêteur, tenant compte des particularités du litige ou du différend qui lui est soumis donnera des ordres en conséquence ou rendra un jugement et tels ordres ou jugements seront sans appel et lieront les parties en cause à toutes fins.

PILOTES PREPOSES A UN SERVICE SPECIAL.

21. (a) Tout pilote peut, avec le consentement du Ministre, convenir avec l'Agent d'une ou de plusieurs lignes régulières de navigation, de fournir un service spécial pendant une saison de navigation. Tout pilote n'ayant pas conclu une telle entente devra, à la demande du Surintendant, se rendre à bord de tout navire à lui désigné et le piloter en conformité de la teneur de l'ordre qui lui aura été donné.

(b) Il est défendu à tout agent ou firme n'ayant à s'occuper que d'un navire par mois—service mensuel d'un seul navire—d'engager un pilote spécial; cependant, un tel agent ou une telle firme pourront être autorisés à s'entendre avec un autre agent ou firme se trouvant dans les mêmes conditions, pour se partager les services d'un pilote. Au cas où il ne pourrait en être ainsi, l'agent ou la firme ayant besoin des services d'un pilote devront employer un pilote de tour-de-rôle.

PILOTE DE TOUR-DE-ROLE.

22. Le Surintendant et le Surintendant Adjoint devront chacun de leur côté préparer un registre de pilotage, où ils inséreront les noms des pilotes qui serviront à tour-de-rôle, au cours de la saison de navigation; les fonctionnaires susdits devront voir à ce que chaque pilote fasse du pilotage lorsqu'il est régulièrement désigné par le tour-de-rôle—exception étant faite à l'endroit des pilotes qui, sur approbation du Ministre, ont été choisis pour un service spécial. Le registre de pilotage devra indiquer quels sont les pilotes qui ont un brevet canadien de Capitaine ou de Second.

23. (a) Le Capitaine ou l'Agent d'un navire qui aurait besoin d'être piloté en informeront le Surintendant ou le Surintendant Adjoint, selon le cas, lequel désignera pour ce service les trois premiers pilotes inscrits sur le registre. Le choix du pilote devra être fait parmi les pilotes disponibles au moment de l'appareillage du navire; le Surintendant ou le Surintendant Adjoint, selon le cas, devront, après s'être assuré que le pilote choisi n'a rien fait, directement ou indirectement, à l'aide d'influences, pour avoir à piloter le navire en partance, devront donner ordre au pilote choisi de piloter le navire ayant besoin de ses services.

(b) Au cas où un pilote serait employé alors qu'il ne devrait pas l'être, d'après le tour-de-rôle, et ce pour tout autre service que celui exigé par le déplacement de

navires dans les limites du havre, le nom de ce pilote sera mis le dernier sur la liste des pilotes figurant au registre.

DROIT DE PRIORITE.

24. Si deux pilotes ou plus arrivent au bureau des pilotes le même jour et à la même heure, le droit de priorité sera à leur égard déterminé d'après les ordres figurant au registre de pilotage.

AVIS DE CONVENTIONS FAITES EN VERTU D'UN SERVICE SPECIAL.

25. Tout pilote qui, conformément à ces règlements, aurait demandé à donner un service spécial, devra dans les trois jours ayant suivi sa demande d'emploi en informer par écrit le Surintendant et lui donner le nom de l'Agent et celui de la ligne ou des lignes de navigation à qui il a offert ses services. Des formules imprimées sont à cet effet fournies, sur demande, par les bureaux de pilotage.

DEPLACEMENT DES NAVIRES DANS LE HAVRE.

26. Tout navire qui est tenu d'acquitter des droits de pilotage et qui entre dans les limites du havre de Montréal ou en sort, ou qui se déplace à l'intérieur de ces limites devra payer les droits établis à cet effet pour les services d'un pilote lamaneur. Mais il est fait exception dans le cas où un navire changerait simplement de place le long d'un quai auquel il serait amarré, et aussi pour tout navire qui se déplacerait dans la partie dudit havre qui est située en amont d'une ligne tirée entre le côté Est de l'ancien élévateur du chemin de fer Pacifique-Canadien, en aval du môle Victoria, et le quai pour passagers de l'Île Sainte-Hélène.

DESOBEISSANCE.

27. Aucun pilote ou apprenti pilote ne devra désobéir aux ordres ou instructions du Ministre, qu'auraient signés le Surintendant ou le Surintendant Adjoint et qui lui auraient été adressés à domicile sous pli recommandé, ou qui lui auraient été remis personnellement. Nul pilote en service en conformité de tels ordres ou instructions ne devra non plus s'absenter tant qu'il n'y aura pas été régulièrement autorisé.

CONDUITE.

28. Les pilotes et les apprentis pilotes devront se conduire en hommes bien élevés, lorsqu'ils seront de service; ils s'abstiendront alors de toute boisson alcoolique et devront être sobres. Lorsque de service ils devront exercer la plus grande attention et la plus grande diligence afin d'assurer la sécurité de la navigation de tout vapeur ou navire quelconque sur lequel ils se trouveront, que ces bâtiments soient ou non remorqués par un bateau à vapeur pendant qu'ils en ont charge, et, de plus, ils veilleront avec le plus grand soin à ce que le navire qu'ils pilotent ne cause aucune avarie à un autre bâtiment.

LES DROITS NE DEVRONT PAS ETRE SUPERIEURS A CEUX FIGURANT AU TARIF.

29. (a) Aucun pilote ne demandera ni ne recevra un montant d'argent plus élevé pour le pilotage d'un navire, que celui fixé par le tarif de pilotage alors en vigueur dans le district de pilotage de Montréal.

(b) Il est absolument défendu à un pilote de solliciter le pilotage d'un navire, ou de tâcher d'obtenir ce pilotage par l'entremise d'influences particulières, soit pour lui-même soit pour un autre pilote.

DESERTEURS.

30. Il est défendu à tout pilote ou apprenti pilote d'aider ou de seconder tout matelot ou novice, qui étant légalement enrôlé sous les ordres du capitaine d'un navire quelconque, désirerait se cacher pour se soustraire à son service, et il lui est aussi défendu de se prêter, de quelque façon que ce soit, à la désertion de matelots ou de novices enrôlés en conformité de la loi.

PILOTES DEVANT PILOTER DES NAVIRES DE S. M.

31. Tout pilote devra à la demande du Surintendant ou du Surintendant Adjoint se rendre à bord d'un bâtiment quelconque au service de Sa Majesté, et le piloter aussi longtemps qu'il en sera requis par la teneur de l'ordre qu'il aura reçu à cet effet.

LES PILOTES A BORD DES NAVIRES DE S. M. DEVRONT SE CONFORMER AUX ORDRES DU MINISTRE.

32. Lorsqu'un pilote aura à piloter un navire de Sa Majesté ou aura convenu de le piloter, en s'entendant avec le Capitaine de ce navire, ou avec tout agent s'en occu-

pant, il sera tenu de se conformer à la partie de la convention à laquelle il aura souscrit, et ce conformément à la teneur d'icelle, mais il aura à se soumettre à tous ordres qu'on lui transmettra au nom du Ministre.

LES PILOTES DEVRONT DONNER AVIS DE LEUR ARRIVEE ET DE LEUR DEPART.

33. Tout pilote devant piloter un navire quelconque depuis le havre de Montréal jusqu'à Québec, ou vice versa, ou jusqu'à l'un quelconque des points intermédiaires du fleuve devra, avant de partir, en donner avis de vive voix ou par écrit au Surintendant ou au Surintendant Adjoint, selon le cas, et immédiatement avant l'appareillage du navire il devra se rendre au bureau des pilotes pour se renseigner sur l'état et la position des bouées, des balises et du chenal. A ce moment-là il signera un livre que l'on tient à cet effet, et qui a pour objet de montrer que le pilote s'est renseigné à l'égard des plus récents détails du service le concernant. Cette visite de départ au bureau des pilotes ne sera omise, que lorsque le pilote en sera empêché par des circonstances constituant un cas de force majeure.

TRAVAUX DE DRAGAGE.

34. Lorsqu'on exécutera des travaux de dragage dans le chenal maritime du havre de Montréal, l'officier chargé de ces travaux devra en informer immédiatement le Surintendant Adjoint du pilotage, à Montréal, avant qu'aucun navire ne quitte le havre.

AMARRAGE DES NAVIRES A QUEBEC.

35. Tout pilote ayant piloté un navire depuis Montréal jusqu'à Québec devra rester à bord de ce navire, s'il en est requis, jusqu'à ce que le navire ait été amarré en toute sécurité, à la satisfaction de son capitaine ou de la personne en ayant charge.

AMARRAGE DES NAVIRES A MONTREAL.

36. Tout pilote ayant piloté un navire jusque dans le havre de Montréal devra rester à bord jusqu'à ce que le navire ait été amarré au poste d'amarrage où il doit décharger sa cargaison; le pilote verra à ce que le navire batte son pavillon de pilote tant qu'il n'aura pas été convenablement amarré à son poste, ou conduit le long d'un quai; et ce à moins que le capitaine, l'armateur ou toute autre personne qualifiée pour le lui dire lui ait au préalable fait part que l'on n'a plus besoin de lui.

LES PILOTES DOIVENT SIGNALER TOUT CHANGEMENT QUI SE PRODUIRAIT DANS LE CHENAL.

37. Dès son arrivée à Québec, ou à Montréal, tout pilote devra faire part au Surintendant ou au Surintendant Adjoint, soit verbalement, soit par écrit, de tous changements qu'il aurait constaté en cours de route, tels que:— modification des bancs de sable ou du chenal; déplacement ou bris de bouées, balises ou feux-flottants ou défauts d'éclairage de l'optique des phares.

DECHARGEMENT DU LEST.

38. Dès son arrivée tout pilote devra faire part au Surintendant ou au Surintendant Adjoint, du jet de lest ou de tout autre corps qui aurait été fait dans les eaux du district de pilotage de Montréal par le navire sur lequel il se trouve, et de nature à nuire à la navigation ou à l'empêcher ou à en compromettre la sécurité. Tout pilote qui, même sans être à bord d'un navire, aurait été témoin d'un geste prohibé de la nature susdite, ou qui en aurait connaissance de quelque manière que ce soit, devra le signaler ainsi que requis par les présents.

LES PILOTES DOIVENT SIGNALER LES ACCIDENTS.

39. Lorsqu'un navire subit un accident ou est avarié par un autre navire, alors qu'il est piloté dans les eaux du district de pilotage de Montréal; ou que quelque chose d'anormal se produit à son bord, quant à sa navigation; ou que le pilote constate une violation de la loi ou des règlements de la part d'un autre navire; ou que la chose est portée à sa connaissance; ce pilote devra, aussitôt que possible, se rendre au bureau de pilotage de Montréal et faire au Surintendant Adjoint un rapport détaillé par écrit, de ce qu'il a appris ou vu.

SUSPENSION PROVISOIRE DU BREVET D'UN PILOTE.

40. Si un navire piloté subit un accident d'échouage ou entre en collision avec un autre navire, et qu'à l'enquête préliminaire subséquente il soit prouvé que le ou les pilotes ayant charge du ou des navires a-ou ont été la cause de l'accident survenu, l'enquêteur pourra suspendre le ou les brevets du ou des pilotes en cause, jusqu'à ce que l'on institue une enquête formelle, en conformité des dispositions de l'Acte de la

Marine Marchande du Canada, et qu'il soit statué en l'espèce; toutefois, la durée de la suspension susdite du brevet ne devra pas dépasser plus de sept jours, à moins qu'entre temps le Ministre n'avise le ou les pilotes qu'une enquête formelle sera instituée.

DE LA VIOLATION DES REGLEMENTS.

41. Violera ces règlements quiconque:—

(1) Agissant à un titre quelconque négligera de s'y conformer, les enfreindra ou contreviendra à leurs dispositions;

(2) Sera le Capitaine, le pilote, l'armateur, ou la personne en charge d'un navire à bord duquel les règlements auront été violés, quant à la navigation ou à la manœuvre du bâtiment.

PENALITES.

42. Tout pilote ou apprenti pilote qui violera ces règlements sera passible d'une amende maximum de \$40.00, plus les frais; avec en plus dans le cas de continuation de la violation une autre amende de \$4.00 pour chaque vingt-quatre heures de durée de la dite violation.

DROITS DE PILOTAGE.

43. A partir du jour où les présents règlements seront appliqués, les navires auront à payer les droits de pilotage figurant au tarif ci-après, lorsqu'ils navigueront entre les havres de Montréal et de Québec et les localités intermédiaires.

NOTICE TO IMPORTERS AND EXPORTERS.

1. The attention of importers and exporters is directed to the provisions of His Majesty's Proclamation dated the 9th September, 1914, relating to trading with the enemy. By paragraph 5 (7) of this proclamation all persons resident, carrying on business, or being in His Majesty's Dominions are warned "not directly or indirectly to supply to or for the use or benefit of, or obtain from an enemy country or an enemy any goods, wares, or merchandise; nor directly or indirectly to supply to or for the use or benefit of, or obtain from any person any goods, wares or merchandise, for or by way of transmission to or from an enemy country or an enemy; nor directly or indirectly to trade in or carry any goods, wares, or merchandise destined for or coming from an enemy country or an enemy." It is further provided by paragraph 3 that the expression "enemy" in the proclamation means "any person or body of persons of whatever nationality resident or carrying on business in the enemy country, but does not include persons of enemy nationality who are neither resident nor carrying on business in the enemy country. In the case of incorporated bodies, enemy character attaches only to those incorporated in an enemy country." By the proclamation of 16th February, 1915, the prohibitions in the above-mentioned proclamation of 9th September, 1914, are extended so as to apply to territory in the effective military occupation of an enemy as they apply to an enemy country.

2. It is hereby notified that with a view to preventing breaches of this proclamation, importers may be required to produce certificates of origin issued by His Majesty's consular officers, and exporters to make declarations of the ultimate destination of their goods.

3. Declarations of the ultimate destination of goods exported to any foreign place in Europe or on the Mediterranean Sea, with the exception of those situated in Russia and France, are now, in view of the provisions of section 5 (1) of The Customs (War Powers) Act, 1915, required to be made to the collectors or other proper officers of Customs and Excise, in accordance with the Customs Order issued under section 139 of The Customs Consolidation Act, 1876, as extended by section 2 of The Customs (War Powers) Act. The statutory declarations hitherto made before justices of the peace or commissioners of oaths will no longer be required.

4. For the present certificates of origin will not be required in respect of imports of the *bonâ-fide* personal and household effects of persons entering this country, of foodstuffs, of timber of any kind (including pit-props), strawboard, mechanical wood pulp, cut flowers, flax or flax seed, iron ore, granite, granite setts for paving, paving stones, kerbstone, slatestone, cod liver oil, ice, marble, alabaster, sienna earth, tar, carbide of calcium or cyanamide of calcium, or in respect of any imports from places other than those situated in Norway, Sweden, Denmark, Holland, Switzerland, and Italy, or in respect of goods imported from an allied country by way of a neutral country on a through bill of lading or by through postal parcel, or in respect of goods of enemy origin imported under licence. The certificates referred to must be in the form prescribed by the schedule hereto.

5. Any goods, wares or merchandise imported from the above-mentioned foreign places, except as provided in paragraph 4, unaccompanied by certificates of origin will be detained by the Commissioners of Customs and Excise until the requisite certificates are produced. The commissioners are, however, authorized in such cases, and at their discretion, to allow delivery of the goods on the security of a deposit or of a bond to the amount of three times the value of the goods with a view to the production of the necessary certificates within a prescribed period, provided that they see no reason for suspecting that the goods emanate from enemy territory.

6. This notice will take effect as from the 3rd May, 1915.

47-2 RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[1017]

AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 6th day of May, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 19th April, 1915, from the Minister of the Interior, submitting that, under the provisions of The Volunteer Bounty Act, 1908, South African Volunteer Bounty Land Certificate, No. 2424, dated the 4th December, 1908, was issued to John Gordon Davis, of Vancouver, British Columbia, in connection with his service in South Africa, which certificate entitled him or his duly qualified substitute to select and enter for as a homestead two adjoining quarter sections of Dominion Lands available for homestead entry and to obtain patent therefor upon proving to the satisfaction of the Minister of the Interior that he had perfected his entry and that he had resided upon and cultivated the land so entered for as provided by section 4 of The Volunteer Bounty Act, 1908;

The Minister further submits that the certificate in question, endorsed under the provisions of The Volunteer Bounty Act, 1908, and amendments thereto in favour of Paul Boytinck, farmer, of Grouard, Alberta, the duly qualified substitute of the said John Gordon Davis was mailed as requested to Mr. Boytinck in care of the Canadian Bank of Commerce at Grouard but failing to arrive there until the 5th November, 1913, Mr. Boytinck was unable to locate it upon land as the time in which such certificates could be located expired on the 31st October, 1913, and has not been extended, nor can the certificate be redeemed for \$500.00 as the time in which South African Volunteer Bounty Land Certificates might be redeemed expired on the 31st December, 1914,—

Under the circumstances and as, through no fault of his own, Mr. Boytinck has sustained considerable loss in connection with the certificate in question which he never had an opportunity of locating as the time in which it could be located upon land had expired before the certificate came into his possession, the Minister is of the opinion that Mr. Boytinck's case is deserving of favourable consideration, and he therefore recommends that upon the said Paul Boytinck returning certificate No. 2424, above referred to, to the Department of the Interior he be allowed to select and enter for as a homestead two adjoining quarter-sections of available Dominion Lands open for homestead entry subject to the ordinary homestead duties, and to obtain patent therefor upon proving to the satisfaction of the Minister of the Interior that he has perfected his entry, and performed the necessary duties as to residence on and cultivation of the land so selected and entered for in full satisfaction of any claim he may have had under the said South African Volunteer Bounty Land Certificate No. 2424.

The Committee concur in the foregoing and submit the same for approval.

Clerk of the Privy Council.

Saturday, the 24th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 17th April, 1915, from the Minister of the Interior, stating that application has been made by the Town of Indian Head for permission to acquire the right of way for a pipe line through the northeast quarter of Section 29, Township 17, Range 13, and the northwest quarter of Section 11, Township 18, Range 13, both west of the 2nd Meridian, for the purpose of supplying the Town with water ;

That with respect to the northeast quarter of Section 29 referred to, the Minister has been advised by the Department of Justice that the Governor in Council has power under The Irrigation Act to authorize the disposal by private sale of any portion of a school section that may be required for domestic, irrigation, industrial or other purposes ;

That with respect, however, to the northwest quarter of Section 11 referred to, it is not considered advisable to sell the land required for the right of way to the Town, as this quarter section has been reserved during the pleasure of the Minister for nursery purposes in connection with the Forestry Branch of the Department of the Interior, and it is represented to the Minister that, if the land were sold and an absolute title given to the Town, the Department of the Interior would have no control over the land comprised in the right of way and fences might be erected along such right of way, thus preventing access from one part of the nursery to the other ;

That under these circumstances the Minister considers that the best course would be to grant a license of occupation to the Town of Indian Head of the land required for the right of way of the pipe line across the northwest quarter of Section 11, Township 18, Range 13, west of the Second Meridian, on the express condition, however, that the officers of the Department of the Interior shall at all times have free access across the said right of way and shall also have the right to construct and maintain such boundary fences across the said right of way as may be required in connection with the operation of the Forestry Nursery Station which is situated on this quarter section,—

The Minister, therefore, recommends that he be authorized to issue a license of occupation to the Town of Indian Head, on the terms and conditions before mentioned, of the land required for the right of way for a pipe line across the northwest quarter of Section 11, Township 18, Range 13, west of the 2nd Meridian, as shown on the tracing hereto attached, and that he be also authorized to sell to the Town of Indian Head, at the rate of \$7.00 per acre, the land required for the right of way of the said pipe line across the northeast quarter of Section 29, Township 17, Range 13, west of the 2nd Meridian, comprising 1.87 acres more or less, as shown on the tracing hereto attached, this land having been valued by Mr. Evans, Inspector of School Lands at \$7.00 per acre.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Saturday, the 24th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS, the Dominion Parks Regulations prohibit the possession and carrying of unsealed weapons within the Dominion Parks except by a duly authorized game guardian ;

And, whereas, the Superintendent of the Rocky Mountains Park sets forth that certain trading companies within said park have been offering for sale

unsealed rifles, and have objected to having same sealed by the park wardens ;

And, whereas, the said Superintendent further sets forth that the prohibition of the sale of firearms, within the said park, would facilitate the enforcement of the regulations with respect to firearms,—

Therefore, His Royal Highness in Council is pleased to order that the said regulations shall be, and the same are hereby amended, by adding thereto the following clause :—

71a. No person shall, within any Dominion Park, traffic in, or engage in the business of buying and selling rifles, shot-guns, revolvers or any other firearms.

Clerk of the Privy Council.

Saturday, the 24th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 19th April, 1915, from the Minister of the Interior, submitting that, the southwest quarter of Section 1, Township 29, Range 32, west of the Principal Meridian was included in lands reserved for community Doukhobors by Order in Council of 7th December, 1907, and the Inspector of Doukhobor Reserves has reported that it is no longer required for the purpose for which it was set apart ;

The Minister further submits that application has been made by the legal representatives of one Nicoli Khominoff, a Doukhobor, for this quarter section, in lieu of the homestead of the said Nicoli Khominoff, whose entry was cancelled pursuant to cancellation proceedings commenced after the death of the homesteader but which did not come to the attention of the legal representatives prior to cancellation and in the absence of defence the entry was cancelled and the land granted under entry to the applicant for cancellation in accordance with the regulations ; after full investigation into the claim of the legal representatives it is considered the entry granted to the applicant for cancellation is legal and should stand and that the claim of the legal representatives should be satisfied by granting them another quarter section, counting in connection therewith the duties performed on the original homestead ;

The Minister states that, in his opinion, the said claim is entitled to favourable consideration and the legal representatives have agreed to accept the said southwest quarter of Section 1 accordingly, and to withdraw all claim to the original homestead,—

The Minister, therefore, recommends that the southwest quarter of Section 1, Township 29, Range 32, west of the Principal Meridian be withdrawn from the Doukhobor Reserve established by Order in Council of 7th December, 1907, and be granted to the legal representatives of Nicoli Khominoff under authority of subsection (k) of section 76 of The Dominion Lands Act.

The Committee submit the same for approval.

THE Committee of the Privy Council have had before them a report, dated 27th April, 1915, from the Minister of Militia and Defence, representing that at present there is not any provision for pensioning officers or soldiers of the Canadian Over-Seas Expeditionary Forces or their families, and that it is desirable to have such provision made forthwith,—

The Minister, therefore, recommends that the provisions of Articles 591 to 598 of the Canadian Militia

Pay and Allowances Regulations, as amended by Order in Council (P.C. No. 289) of 29th April, 1915, be made applicable to the officers and soldiers of the Canadian Over-Seas Expeditionary Forces and to their widows, children, orphans and widowed mothers, to as full an extent as if they, the said officers and soldiers, were officers, warrant officers, non-commissioned officers and men, respectively, of the Militia, and had incurred death or disability on service as such militia officers, warrant officers, non-commissioned officers and men of the Militia.

The Minister further recommends that the said provisions be made to take effect from the 1st day of September, 1914.

It has been stated by a Homestead Inspector that Mr. Gibbs has performed two full periods of residence duties ;

Mr. Gibbs has made improvements consisting of a house, \$25, 1¼ miles fencing, \$100, 24 acres breaking (21 acres cropped) and 6 acres cleared ;

The Minister submits the annexed copies of medical certificates from W. H. Rennie, M.D., and H. J. Hassard, M.D., both of Portage La Prairie, Manitoba, setting forth that Mr. Gibbs is suffering from a partial dislocation of his spine,—

Tuesday, the 30th day of March, 1915.

PRESENT :
HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS by Order in Council of the 7th December, 1907, certain lands were set apart as reserves for Doukhobor Communities during the pleasure of the Government ;

And whereas the Doukhobor Commissioner has reported that the lands enumerated in the attached schedule are no longer required for the purposes of the Doukhobor Communities, and the Minister of the Interior recommends that the lands enumerated in the attached schedule be withdrawn from the reserves established by the said Order in Council of the 7th December, 1907, and be opened to general homestead entry ;

And whereas the lands enumerated in the attached schedule are tributary to the Sub-Agency of Dominion Lands at Pelly, Saskatchewan, and the residents of the district contiguous to these lands have for a consider-

able time been urging the throwing open of the same to homestead entry and constitute by far the greater number of applicants desirous of securing entries therefor ;

And whereas it is inconvenient for the applicants from the district mentioned to travel to the office of the local Agent of Dominion Lands at Yorkton, a distance of sixty or seventy miles, for the purpose of making applications,—

Therefore His Royal Highness the Governor General in Council is pleased to order that the lands enumerated in the attached schedule shall be and the same are hereby withdrawn from the reserve established by the said Order in Council of the 7th December, 1907.

His Royal Highness the Governor General in Council is further pleased to appoint Mr. R. S. Dundas, Sub-Agent of Dominion Lands at Pelly, Saskatchewan, to be, under subsection (h) of section 76 of The Dominion Lands Act, a local Agent of Dominion lands for a district comprising the lands enumerated in the attached schedule, his duties to consist of the receiving, after due public notice given, of applications for homestead entry from eligible applicants for the lands enumerated in the attached schedule and the granting of homestead entries therefor in accordance with The Dominion Lands Act and regulations in connection therewith, the duties of the local agent to terminate after such entries have been granted or when terminated by the Minister of the Interior, the office of entry to be at Pelly, Saskatchewan.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 30th day of April, 1915

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR.
GENERAL IN COUNCIL.

HIS Royal Highness the Governor General in Council is pleased to order as follows :

The regulations approved by Orders in Council of the 21st May, 1906, and the 15th February, 1911, and re-established on the 6th June, 1911, relating to the removal of timber from Dominion Parks, are hereby rescinded and, in pursuance of the provisions of section 18 of The Dominion Forest Reserves and Parks Act, as enacted by section 5 of chapter 18, 3-4 George V the annexed regulations are hereby approved and substituted in lieu thereof.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

REGULATIONS FOR THE REMOVAL OF TIMBER IN DOMINION PARKS.

The removal of timber in the Dominion Parks shall be governed as follows :—

PERMITS.

1. Permits for the cutting of dead or fallen timber may be granted by the Superintendent of any Park hereinafter called the Superintendent subject to the conditions herein contained :—

2. Such permits shall be issued subject to the following conditions :

- The permittee shall cut only such timber as is designated in the permit ;
- The permittee shall take all merchantable material of the timber so designated ;
- No roads shall be made and no green timber or young growth shall be destroyed except such as may, in the judgment of the Superintendent, to be expressed in writing, be necessary to carry out the rights granted under the permit ;
- Trees shall not be cut higher than 18 inches from the ground without written permission of the Superintendent ;
- The permittee shall exercise a strict and constant supervision to prevent the origin or spread of forest fires ;
- The permittee shall gather into heaps suitable for burning all tops, branches and other debris resulting from operations under his permit, in accordance with the instructions of the Superintendent.

3. If required by the Superintendent, the permittee shall chain off the area granted and plant a post at each of the corners thereof, and tie it to the section lines or to some topographical features so that it may be identified in Departmental records.

4. Any breach of the regulations or conditions of the permit by the permittee, or failure to comply with any instructions consistent with the spirit of these regulations given by the Superintendent, or other Parks' Officer shall render all permits held by the permittee liable to summary cancellation by the Superintendent in writing, and the privilege of such permittee obtaining any further permits shall be in the discretion of the Minister of the Interior, hereinafter called the Minister. In questions of dispute the decision of the Minister shall be final.

5. All permits for the cutting of timber in Dominion Parks and all rights thereunder shall be subject to these regulations and to any amendments that may be made thereto.

PERMITS.

Residents Permits.

6. A permit may be issued by any bona fide householder in a park to cut for his own use twenty-five (25) cords of dead wood free of dues from an area limited to five (5) acres. Such permits shall not be transferable and shall be valid for a period not to exceed three months, but in no case shall it be valid beyond the 31st March next following the date of issue. Such

permit shall be returned on or before the date of expiration to the office of the Superintendent with statutory declaration as to the quantities of wood cut thereunder. No person shall be granted more than one such permit during a period of any three months of any year.

7. The permittee shall be required, on the issue of such permit, to pay a fee of twenty-five (25) cents and no such permit shall be issued to any person who has not made return of all such former permits which have been issued to him.

Timber Permit granted without Competition.

8. Permits may be granted without competition to cut all the merchantable dead timber on areas not exceeding 160 acres. The permittee shall be required, on issue of such permit, to pay a fee of twenty-five (25) cents and the sum of \$7.50 to be applied as dues, as hereinafter mentioned, and no portion of such payment shall be returned whether the permittee operates or not. Remaining dues shall be paid on or before the return of the permit.

9. Such permit shall not be transferable and shall expire on or before the 31st of March next following the date of the issue thereof and shall be returned on or before such date of expiration thereof to the office of the Superintendent with statutory declaration as to the kinds and quantities of timber cut thereunder. No such permit shall be issued to any person who has not made return of all such former permits issued to him.

10. No such permit shall be issued to any firm or corporation or to any member thereof, while there is outstanding such permit in the name of the firm or corporation or any member thereof.

11. The Superintendent may require each applicant for a permit to furnish satisfactory proof that such permit is applied for for his own exclusive use and benefit.

Timber Permits granted by Public Competition.

12. The Minister may by public competition dispose of the right to obtain annual permits to cut all the merchantable dead timber on areas not exceeding two square miles, the ground rent to be thirty dollars (\$30.00) per square mile per annum, payable in advance. Such rental is to be applied as dues on timber cut in so far as such dues do not exceed the rental.

13. Application for any parcel to be put up by public competition shall be received by the Superintendent of the park concerned, and forwarded to the Commissioner of Dominion Parks with the recommendation of the Superintendent. Such application shall be accompanied by a deposit of thirty dollars (\$30). In case no advertisement is made for tenders, or if advertisement is made and the depositor is not the successful applicant, his deposit will be returned. If advertisement is made and no tender is received, the deposit will be forfeited to His Majesty. If the depositor is the successful applicant, the deposit will be retained and applied to the dues, or in case he fails to take out a permit as required by these regulations, it will be forfeited to His Majesty.

14. In surveyed districts the description of the parcel shall state the section, township and range, but in unsurveyed districts or where such description is impracticable the description shall be by metes and bounds trying the parcel of land either to a section line or some prominent topographical feature, sufficient to enable the lands to be identified in Departmental records.

15. On receipt of such application by the said Commissioner, if approved, sealed tenders addressed to the Minister will be called for by advertisement in the public press.

16. More than one parcel may be granted to an individual or group of individuals but each parcel must be tendered for separately.

17. Each tender must be accompanied by an accepted cheque on a chartered bank in favour of the Minister for the amount of the bonus which the applicant is prepared to pay for the right to obtain a permit.

18. The successful applicant shall take out a permit within sixty days from the date of the grant of such

right. He shall pay on the issue of such permit twenty-five (25) cents as office fee and the aforementioned ground rent. All dues in excess of the ground rent, or in case the permittee has made an application deposit, all dues, in excess of the combined sum of the ground rent and the application deposit, shall be paid on or before the date required for the return of the permit.

19. Each such permit shall expire on the 31st day of March next succeeding the date of the issue thereof and shall be returned to the Superintendent immediately after the expiration thereof with a statutory declaration as to the quantity and sorts of timber, if any, cut thereunder.

20. The Minister may, at his option, grant a renewal of such permit for three consecutive years, and may grant a further renewal for two additional consecutive years, provided that all fees, dues, rentals and other charges in respect of such permit or any renewal thereof, and all dues thereon in arrears shall have been duly paid, and that the operations of the permittee shall have been satisfactory to the Superintendent.

21. In case any person to whom a parcel is awarded fails to take out a permit for such parcel within sixty days after the date of award; or in case a permittee fails to make renewal when the right to do so has been granted within sixty days after the expiration of the permit, the right to obtain such permit or such renewal, as the case may be, and the deposit or bonus made in that connection may at the discretion of the Minister be forfeited to the Crown.

22. The right to obtain such permit on any parcel, or the permit itself, or any interest therein, shall not be assigned or transferred without the consent of the Minister, nor until any outstanding permit in the name of any of the parties concerned has been returned duly completed to the office of the Superintendent and all dues and other charges shall have been paid thereon. The fee for the registration of such assignment or transfer shall be two (\$2.00) dollars in advance.

23. One half the cost of patrolling and fighting fire to guard the timber covered by any such permit shall be defrayed by the permittee, the Crown defraying the other half. Such cost will be apportioned so that it will bear the same proportion to the total cost of fire guarding the whole park as the area covered by such permit bears to the area of the whole park. Payment of such cost shall be made on or before the 31st day of March following the date of such apportionment.

Green timber permits.

24. The Minister may, by public competition or otherwise, dispose of the right to obtain a permit to cut green timber for thinning out dense growths, making roads or any other improvement in Dominion Parks. Every such permit shall state the quantity and sort of timber granted and the dues charged for each sort. No ground rent shall be charged but all dues shall be paid on issue of such permit and shall remain the property of the Crown whether the permittee operates or not. The permittee shall be entitled to only one renewal of such permit.

25. Sections 14 to 24 both inclusive which apply to permits for dead timber shall, excepting sections 19 to 21, apply also to green timber permits.

Dues.

26. The dues to be charged for dry wood shall be as follows:—

A. For timber, mining props, railway ties, posts and rails measuring:

(1) Eleven (11) inches and over in diameter at the butt end, one-fifth cent (1-5) per lineal foot.

(2) Nine (9) to eleven (11) inches in diameter at the butt end, one-tenth (1-10) of a cent per lineal foot.

(3) Five (5) to nine (9) inches in diameter at the butt end, one-twentieth (1-20) of a cent per lineal foot.

(4) Under five (5) inches in diameter at the butt end, free, if piled separately and thus made available for inspection.

B. For cordwood, twelve and one-half (12½) cents per cord. Wood to be classed as cordwood must before removal be cut into lengths not more than four (4) feet.

27. The dues to be charged for green wood shall be as follows, payable on issue of the permit:

A. For timber, mining props, railway ties, posts and rails measuring:

- (1) Eleven (11) inches and over in diameter at the butt end, three-fifths of a cent (3/5c.) per lineal foot.
- (2) Nine (9) to twelve (12) inches in diameter at the butt end, three-tenths of a cent (3/10c.) per lineal foot.
- (3) Five (5) to nine (9) inches in diameter at the butt end, three twentieths of a cent (3/20c.) per lineal foot.
- (4) Under five (5) inches in diameter at the butt end free, if piled separately and thus made available for inspection.

B. For cordwood, twenty-five cents (25c.) per cord. Wood to be classed as cordwood must before removal be cut into lengths not more than four (4) feet.

28. Statement of all timber removed by any permittee from any Dominion Park shall be made to the Superintendent thereof, quarterly, by the permittee removing such timber. Such statements shall give all information required as may be specified on forms prescribed by the Department; no such timber shall be shipped until the Superintendent of the Park concerned has been notified and permission has been given by him for shipment.

Seizures.

29. All timber cut within any Dominion Park upon which any dues are in arrears, or which has been cut without proper authority, shall be liable to seizure whether it is in the possession of the person by whom it was cut or of any other person, and whether it has or has not been removed from the Park, and in case such timber is seized, the person by whom it was cut shall, in the discretion of the Minister, forfeit all permits and all right to obtain a permit within a Dominion Park, in addition to any other penalty provided by The Forest Reserves and Parks Act or by these regulations.

30. Double dues may be charged on all timber seized and unless they are paid forthwith and unless the person who cut the timber can establish to the satisfaction of the Superintendent that the cutting was done without wilful intent to contravene the regulations, the timber shall be confiscated and may be disposed of by public auction after the same shall have been advertised as prescribed by the Superintendent and if no bid equal to the amount due to His Majesty on such timber is received it may be disposed of by private sale.

31. If timber cut in a Dominion Park, on which any dues are in arrears, or which has been cut without proper authority, has been removed beyond the reach of the Superintendent, the person responsible for the cutting shall be liable to a payment of at least double dues on the quantity so cut, as determined by the Superintendent, providing that such person can establish that such arrearage of dues existed or cutting of timber was done without wilful intent to infringe these regulations; in case he cannot so establish such intent to the satisfaction of the Superintendent he shall be liable to a fine of not less than one (\$1) dollar, and not more than three (\$3) dollars for every tree unlawfully cut.

32. If any green timber is cut upon any area granted under a permit for dry timber it shall be presumed to have been cut by such permittee, and he shall be liable to the penalty prescribed by these regulations, and such permit shall be cancelled and at the option of the Minister the permittee shall not be entitled to hold or to obtain any permit in any Dominion Park; provided that if such cutting has been done under special permit, or if the permittee shall prove to the satisfaction of the Minister that such cutting was not done by him or by his direction, or by his permission, or through any negligence on his part, he shall be absolved from the penalties and relieved from the liabilities prescribed by this clause.

33. The Superintendent or any Parks Officer shall have authority to make seizures of timber as herein provided.

Removal of Private Property.

34. Upon the expiration of any timber permit, the permittee shall forthwith remove from Crown Land covered by such permit, or used in the operation thereof, all logs, cordwood, buildings, chutes and other property belonging to him. Any such property that is not so removed, shall be the property of the Crown.

Stamps on Floated Timber.

35. No timber shall be put into a lake or stream in a Dominion Park, to be floated until it is marked with a stamp furnished by the permittee, and approved by the Superintendent of the Park, and until copy of said stamp is placed on record in the office of the Superintendent.

Removal of Live Trees.

36. The removal of young live trees from the Dominion Parks shall be subject to such terms and conditions as may be prescribed by the Minister.

Penalty.

37. As provided in section 20 of The Forest Reserves and Parks Act, chap. 10, 1-2 Geo. V, any person violating any of these regulations shall, in addition to any civil liability thereby incurred, be liable on summary conviction to a penalty of not more than one hundred (\$100.00) dollars, and in default of immediate payment of such penalty and the costs of prosecution, such person may be imprisoned with or without hard labour for any term not exceeding six months. 45-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 8th day of May, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS it is but fair and reasonable that the relief which may now be granted to a homesteader who is a member of a military force such as is specified in section 22 of The Dominion Lands Act for the causes mentioned in that section or in section 23 of that Act, should also be granted to any homesteader who, whether he is an alien or a British subject by birth or naturalization, has been serving or is now serving or who may hereafter serve as a member of any military force, regiment, company or corps of Great Britain or in any military force, regiment, company or corps of the Allies of Great Britain in the present war in Europe, Africa or elsewhere, in defence of the British Empire and Allies, and who because of his being a member of any such military force, regiment, company or corps; or of wounds received; or of illness resulting therefrom; or from any other cause after and because of his enrolment as a member of any military force, regiment, company or corps, is unable to resume occupation of his homestead, or to complete the conditions of his entry therefor; and further, that in the event of the death of any such homesteader similar relief should be granted to his legal representatives,—

Therefore His Royal Highness the Governor General in Council, by and with the advice of the King's Privy Council for Canada, and under the authority of subsection 1 of section 6 of the Act intituled "The War Measures Act, 1914," 5 George V, chapter 2, and section 76 of The Dominion Lands Act, paragraph (k), is pleased to order, and it is hereby ordered as follows:—

The relief in such cases, as are hereinbefore alluded to, where the homesteader is unable to resume occupation of his homestead, may be either relief from further cultivation of the homestead, or from further residence thereon, or from both, as to the Minister of the Interior or to any Acting Minister of the Interior may appear fair and reasonable; and where all further conditions of entry are so dispensed with the Minister of the Interior, or any Acting Minister of the Interior may direct the immediate issue of letters patent for the homestead in favour of the homesteader.

Similar relief and action may be authorized in favour of the legal representatives of a homesteader who dies because of wounds or illness, as before specified.

Clerk of the Privy Council.

ONTARIO.

(163) LAKE ONTARIO—WEST OF TORONTO—LONG BRANCH RIFLE RANGES—CAUTION.

The usual notice has been issued by the Deputy Assistant Adjutant-General, Toronto Garrison Command, with reference to the resumption of target practice on Long Branch Rifle Ranges, near Toronto, on Lake Ontario, to begin in the spring of 1915, as follows:

Owing to the extreme range of the Ross or magazine rifle, with which the musketry training of the troops will in future be conducted, and with a view to the better protection of the public, it has been found necessary to demarcate more clearly the area of water lakewards, or to the south of above ranges, liable to be struck by spent or ricochet bullets.

Seven spar buoys have been placed to mark the limits of this area, extending southward from the shore to a distance of 2,500 yards from the stop butts. The buoys mark the extreme limits of the danger zone. The spars are painted white, and are surmounted by a red sign, having the words "Danger, Rifle Ranges," painted thereon.

Notice is, therefore, hereby given, that any vessel passing inside these buoys during the hours of practice, incurs serious risk, and no attempt should, under any circumstances, be made to cross the aforesaid area, as long as the red flag hoisted on the stop butts is left flying.

Long Branch rifle ranges are located about 6 miles westwardly from the lighthouse at Toronto west entrance.

(164) LAKE ONTARIO—NIAGARA-ON-THE-LAKE—NIAGARA RIFLE RANGES—CAUTION.

The usual annual notice has been issued by the Deputy Assistant Adjutant General, 2nd Divisional Command, Headquarters, Toronto, with reference to the resumption of target practice on the Niagara Rifle Ranges, to begin on or before 1st May, 1915, as follows:

Owing to the extreme range of the Ross or magazine rifle with which the musketry training of the troops will in future be conducted, and with a view to the better protection of the public, it has been found necessary to demarcate more clearly the area of water lakewards, or to the northward of above ranges, liable to be struck by spent or ricochet bullets.

The danger area comprises a strip of water at the south shore of Lake Ontario extending westward for a distance of about 1½ miles from Fort Massasauga at the mouth of the Niagara River, and extending 1½ miles northward from the shore. Seven spar buoys have been placed to mark the limits of this area. The buoys mark the extreme limits of the danger zone. The spars are painted white and are surmounted by a red sign having the words "Danger, Rifle Ranges," painted thereon.

Notice is therefore hereby given that any vessel passing inside these buoys during the hours of practice, incurs serious risk, and no attempt should, under any circumstances, be made to cross the aforesaid area as long as the red flag hoisted on the Rifle Ranges at Massasauga and Chautauqua Ranges is left flying.

Any steamer having to pass close along or within the aforesaid danger area should blow her whistle when at least three miles out so that rifle firing can be stopped until the vessel has passed out of this danger area.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

- (a) The respondent's residence at the time of sending such notice.
- (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
- (c) The name and address of the solicitor, if any, acting for the respondent.
- (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

AVIS AUX IMPORTATEURS ET EXPORTATEURS.

1. On attire l'attention des importateurs et des exportateurs sur les dispositions de la proclamation de Sa Majesté en date du 9 septembre relative au commerce avec l'ennemi. Par le paragraphe 5 (7) de la dite proclamation, toutes les personnes résidant, faisant affaires ou se trouvant dans les possessions de Sa Majesté sont prévenues "de ne fournir ni directement ni indirectement à ou pour l'usage ou le bénéfice d'un pays ennemi ou d'un ennemi ou d'en obtenir des marchandises, effets ou articles quelconques, ni de fournir directement ou indirectement à ou pour l'usage ou le bénéfice de toute personne que ce soit ou d'en obtenir des marchandises, effets ou articles quelconques pour les transmettre à ou d'un pays ennemi ou d'un ennemi, ni trafiquer directement ou indirectement ou transporter des marchandises, effets ou articles quelconques destinés à ou venant d'un pays ennemi ou d'un ennemi." Il est en outre statué par le paragraphe 3 que l'expression "ennemi" dans la proclamation signifie "toute personne ou association de personnes d'une nationalité quelconque résidant ou faisant affaires en pays ennemi, mais ne comprend pas les personnes d'une nationalité ennemie qui ne résident ni ne font affaires en pays ennemi. Dans le cas de corps constitués en corporation, le caractère d'ennemi ne s'attache qu'à ceux de ces corps qui sont constitués en corporation en pays ennemi." Par la proclamation du 16 février 1915, les prohibitions dans la proclamation ci-dessus mentionnée du 9 septembre 1914, sont étendues de manière à s'appliquer au territoire occupé militairement de façon effective par un ennemi, comme elles s'appliquent à un pays ennemi.

2. Avis est donné par le présent que dans le but de prévenir toute infraction à la dite proclamation, les importateurs pourront être tenus de produire des certificats d'origine émis par les officiers consulaires de Sa Majesté et les exportateurs pourront être aussi tenus de faire des déclarations au sujet de la destination ultime de leurs marchandises.

3. Les déclarations au sujet de la destination ultime des marchandises exportées à tout endroit étranger en Europe ou dans la mer Méditerranée, excepté ceux qui sont situés en Russie et en France, doivent maintenant être faites en vue des dispositions de l'article 5 (1) de la loi dite "The Customs (War Powers) Act, 1915," aux percepteurs ou autres préposés aux douanes ou à l'accise qu'il appartiendra, en conformité des arrêtés relatifs aux douanes émis sous l'empire de l'article 139 de la loi dite "The Customs Consolidation Act, 1876," tel que prorogé par l'article 2 de la loi dite "The Customs (War Powers) Act." Il ne sera plus nécessaire, à l'avenir, de faire les déclarations statutaires qui étaient faites jusqu'ici devant des juges de paix ou des commissaires qui font prêter serment.

4. Pour le moment, il ne sera pas nécessaire de produire des certificats d'origine au sujet de l'importation des effets personnels et des meubles de ménage *bona fide* de personnes entrant en ce pays, de substances alimentaires, de bois de construction de tout genre (y compris des étais "pit-props"), carton-paille, pâte de bois mécanique, fleurs coupées, lin ou graine de lin, minerais de fer, granit, pavés en granit, pierre à pavage, margelles, ardoise, huile de foie de morue, glace, marbre, albâtre, terre de sienne, goudron, carbure de calcium ou cyanamide de calcium, ou au sujet de toute importation d'endroits autres que ceux situés en Norvège, en Suède, au Danemark, en Hollande, en Suisse et en Italie, ou au sujet de marchandises importées d'un pays allié par voie d'un pays neutre sur un connaissement d'entier parcours ou colis postal d'entier parcours, ou au sujet de marchandises d'origine ennemie importées sous permis. Les certificats dont il est fait mention doivent être faits selon la formule prescrite à l'annexe du présent avis.

5. Tous les articles, effets ou marchandises importées des endroits étrangers ci-dessus mentionnés, sauf tel que prévu au paragraphe 4, qui ne sont pas accompagnées de certificats d'origine, seront détenues par les Commis-

saires des douanes et de l'accise jusqu'à ce que les certificats requis soient produits. Les Commissaires, en ce cas, et à leur discrétion, peuvent cependant permettre la livraison de marchandises sur la garantie d'un dépôt ou d'une obligation pour la somme de trois fois la valeur des marchandises, dans le but d'obtenir la production des certificats nécessaires sous une période prescrite, pourvu qu'ils n'aient aucune raison de supposer que les marchandises proviennent d'un territoire ennemi.

6. Le présent avis entrera en vigueur à compter du 3 mai 1915.

Board of Trade,
26 avril 1915.

Sa Très Excellente Majesté le ROI en Conseil.

ATTENDU que par l'arrêté dit "Aliens Restriction (Consolidation) Order, 1914," (ci-après désigné arrêté principal), il a plu à Sa Majesté d'imposer certaines restrictions au sujet des étrangers et d'établir divers règlements pour rendre ces restrictions effectives ;

(3) Chaque personne habitant un hôtel, une auberge, une maison de pension ou un hôtel garni devra donner à son propriétaire et signer une déclaration contenant les renseignements que le dit propriétaire pourra exiger afin de les inscrire dans le dit registre comme susdit, et si une personne quelconque néglige de le faire, ou donne des renseignements erronés, elle sera censée coupable de contravention à l'arrêté principal.

(4) A toute heure raisonnable, chaque registre tenu sous l'empire du présent article sera ouvert à l'inspection de tout agent de police ou de toute autre personne autorisée par un Secrétaire d'Etat.

GÉNÉRAL EN CONSEIL.

AU comité du Conseil Privé a été soumis un rapport du Ministre de l'Intérieur, daté le 17 avril 1915, représentant que la ville d'Indian Head a demandé la permission d'acquérir le droit de passage d'une conduite d'eau pour l'alimentation de la ville à travers le quart nord-est de la section 29, township 17, rang 13, et le quart nord-ouest de la section 11, township 18, rang 13, tous deux à l'ouest du 2e méridien ;

En ce qui concerne le quart nord-est de la section 29 ci-dessus mentionné, le Ministre a été avisé par le Département de la Justice que le Gouverneur en conseil a le pouvoir, sous l'empire de la *Loi de l'irrigation*, d'autoriser la concession par vente privée d'une partie quelconque d'une section scolaire qui peut être requise pour des fins d'irrigation, ou des fins domestiques, industrielles ou autres ;

Toutefois, en ce qui concerne le quart nord-ouest de la section 11 ci-dessus mentionnée, on ne croit pas opportun de vendre le terrain requis pour le passage de la conduite d'eau à la ville, ce quart de section ayant été mis en réserve durant le bon plaisir du Ministre pour les fins d'une pépinière en rapport avec la branche de sylviculture du Département de l'Intérieur ;

Il a été représenté au Ministre que si le terrain était vendu et le titre en était cédé à la ville, le Département de l'Intérieur n'aurait aucun contrôle sur le terrain compris dans le droit de passage et que des clôtures pourraient être érigées le long de ce terrain, empêchant ainsi l'accès d'une partie à l'autre de la pépinière ;

Dans ces circonstances, le Ministre est d'avis que ce qu'il y a de mieux à faire est d'accorder à la ville d'Indian-Head un permis d'occupation du terrain requis pour le passage de la conduite d'eau à travers le quart nord-ouest de la section 11, township 18, rang 13, à l'ouest du 2e méridien, à la condition expresse, toutefois, que les fonctionnaires du Département de l'Intérieur auront en tout temps libre accès à ce terrain et auront de plus le droit de construire et entretenir à travers les dits terrains les clôtures de bornes qui pourront être nécessaires en rapport avec la station de sylviculture située dans ce dit quart de section,—

Par conséquent, le Ministre demande l'autorisation d'accorder à la ville d'Indian-Head, aux conditions ci-dessus mentionnées, un permis d'occupation du terrain requis pour le passage d'une conduite d'eau à travers le quart nord-ouest de la section 11, township 18, rang 13, à l'ouest du 2e méridien, ainsi qu'indiqué sur le tracé ci-annexé, et de plus l'autorisation de vendre à la ville d'Indian-Head, au prix de \$7 l'acre, le terrain requis pour le passage de la dite conduite d'eau à travers le quart nord-est de la section 29, township 17, rang 13, à l'ouest du 2e méridien, comprenant 1.87 acres, plus ou moins, ainsi qu'indiqué sur le tracé ci-annexé, ce terrain ayant été évalué à \$7 l'acre par M. Evans, inspecteur des terres des écoles

Le comité soumet cette demande pour approbation.

Samedi, le 24e jour d'avril 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 avril 1915, représentant que le quart sud-ouest de la section 1, township 29, rang 32, à l'ouest du méridien principal, a été compris dans les terrains réservés aux établissements de Doukhobors par un arrêté en conseil du 7 décembre 1907, et que l'inspecteur des réserves des Doukhobors a fait rapport que ces terrains ne sont plus requis pour les fins auxquelles ils ont été mis en réserve ;

Le Ministre ajoute que les représentants légaux d'un certain Nicoli Khominoff, un Doukhobor, ont demandé

ce quart de section pour remplacer le homestead du dit Nicoli Khominoff dont l'inscription a été annulée à la suite de procédures en annulation instituées après la mort de l'inscrit, mais dont n'avait pas eu connaissance les représentants légaux avant l'annulation, et que faute de défense l'inscription a été annulée et le terrain cédé en homestead, conformément aux règlements, à celui qui avait demandé l'annulation. La conclusion d'un soigneux examen de la réclamation des représentants légaux est que l'inscription accordée au demandeur en annulation est légale et devrait demeurer valide, et que la réclamation des représentants légaux pourrait être réglée en leur concédant un autre quart de section, et en leur tenant compte en rapport avec cette dernière concession des conditions d'établissement remplies sur le premier homestead ;

Le Ministre est d'avis qu'il devrait être fait droit à cette réclamation, les représentants légaux ayant consenti à accepter le dit quart sud-ouest de la section 1 et à retirer toute prétention au premier homestead,—

Par conséquent, le Ministre recommande que le quart sud-ouest de la section 1, township 29, rang 32, à l'ouest du méridien principal, soit soustrait de la réserve des Doukhobors établie par arrêté en conseil du 7 décembre 1907 et qu'il soit concédé aux représentants légaux de Nicoli Khominoff en vertu du paragraphe (k) de l'article 76 de la *Loi des terres fédérales*.

Le comité soumet cette demande pour approbation.

ATTENDU que les règlements concernant les parcs fédéraux défendent la possession et le port d'armes non scellées dans les limites des parcs fédéraux, sauf par un garde-chasse dûment autorisé ;

Et attendu que le surintendant du parc des Montagnes-Rocheuses représente que certaines compagnies de commerce dans le dit parc ont offert en vente des armes non scellées et se sont opposées à ce que ces armes soient scellées par les gardiens du parc ;

Et attendu que le dit surintendant représente de plus que la prohibition de la vente des armes à feu dans le dit parc faciliterait la mise en vigueur des règlements concernant les armes à feu,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les dits règlements soient par ces présentes modifiés en y ajoutant l'article suivant :

71a. Personne dans les limites du parc ne s'engagera dans le trafic ou le commerce d'achat ou de vente de carabines, fusils, révolvers ou autres armes à feu.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil du 7 décembre 1907 certains terrains ont été mis en réserve durant le bon plaisir de Sa Majesté pour des établissements de Doukhobors ;

Et attendu que le Commissaire des Doukhobors a fait rapport que les terrains énumérés dans le tableau annexé sont plus requis pour les fins des établissements de Doukhobors, et que le Ministre recommande que les terrains énumérés dans le tableau annexé soient soustraits des réserves établies par le dit arrêté du 7 décembre 1907 et soient ouverts à l'inscription de homestead ;

Et attendu que les terrains énumérés dans le tableau annexé sont tributaires de la sous-agence des terres fédérales à Pelly, Saskatchewan, et que ceux qui habitent le district contigu à ces terres demandent depuis longtemps qu'elles soient ouvertes à l'inscription de home-

stead et qu'ils sont de beaucoup les plus nombreux de ceux qui désirent obtenir des inscriptions pour ces terrains ;

Et attendu que les requérants du district mentionne peuvent difficilement se rendre au bureau de l'agent local des terres fédérales à Yorkton, une distance de soixante ou soixante-dix milles, pour présenter leurs demandes,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les terres énumérées dans le tableau annexé soient par ces présentes soustraites de la réserve établie par le dit arrêté en conseil du 7 décembre 1907. —

Il plaît de plus à Son Altesse Royale le Gouverneur général en conseil, sous l'empire du paragraphe (h) de l'article 76 de la *Loi des terres fédérales*, de nommer M. R. S. Dundas, sous-agent des terres fédérales à Pelly, Saskatchewan, agent local des terres fédérales pour le district comprenant les terrains énumérés dans le tableau annexé, ses devoirs étant de recevoir, après avis public dûment donné, les demandes d'inscription de homestead des requérants ayant droit de s'inscrire pour les terrains énumérés dans le tableau annexé, ainsi que d'accorder des inscriptions de homestead pour ces terrains conformément aux dispositions de la *Loi des terres fédérales* et des règlements établis en vertu de cette loi, ces fonctions de l'agent local devant prendre fin après que ces inscriptions auront été accordées ou quand le Ministre de l'Intérieur y mettra fin ; le bureau d'inscription sera à Pelly, Saskatchewan.

Jeudi, le 29^e jour d'avril 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du Ministre de la Milice et de la Défense, daté le 27 avril 1915, représentant qu'il n'est actuellement aucunement pourvu aux pensions des officiers et soldats des forces expéditionnaires canadiennes d'outre-mer ou leurs familles, et qu'il est désirable qu'il y soit pourvu immédiatement, —

Par conséquent, le Ministre recommande que les dispositions des articles 591 à 598 des Règlements de solde et d'allocations de la milice canadienne, ainsi que modifiées par un arrêté en conseil (C. P. n° 289) du 29 avril 1915, soient appliquées aux officiers et soldats des forces expéditionnaires canadiennes d'outre-mer et à leurs veuves, enfants, orphelins ou mères veuves au même degré que si les dits officiers et soldats étaient des officiers, sous-officiers à brevet, sous-officiers et soldats, respectivement, de la milice et étaient morts ou devenus invalides en service comme ces officiers, sous-officiers à brevet, sous-officiers et soldats de la milice.

Le Ministre recommande de plus que ces dispositions soient applicables à dater du 1^{er} jour de septembre 1914.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 28 avril 1915, représentant qu'il a été permis à M. John Macdonald Gibbs de localiser son srip de volontaire sud-africain sur la moitié nord de la section 36, township 55, rang 5, à l'ouest du 5^e méridien, le 11 avril 1911 ;

Il a été déclaré par un inspecteur de homesteads que M. Gibbs a rempli ses obligations de résidence pendant deux des périodes prescrites ;

M. Gibbs a fait des améliorations consistant en une maison, \$25, un mille et un quart de clôture, \$100, 24 acres de défoncement (21 acres en culture) et six acres de défrichement ;

Le Ministre soumet les copies annexées des certificats médicaux des docteurs W. H. Rennie et H. J. Hassard, tous deux de Portage-La-Prairie, Manitoba, déclarant que M. Gibbs souffre d'une dislocation partielle de l'épine dorsale, —

Dans les circonstances, le Ministre recommande qu'en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, M. Gibbs soit exempté de l'obligation de résidence en rapport avec son srip de volontaire sud-africain, couvrant la moitié nord de la section 36, township 55, rang 5, à l'ouest du 5^e méridien, afin que la patente gratuite de son srip de volontaire lui soit accordée dès qu'il aura été établi de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité soumet cette recommandation pour approbation.

La même exemption et le même mode de concession peuvent être autorisés en faveur des représentants légaux d'un inscrit qui meurt de blessures ou de maladie, ainsi que ci-dessus spécifié.

RÈGLEMENTS ÉDICTÉS PAR LES COMMIS-
SAIRES DU HAVRE DE WINNIPEG
ET SAINT-BONIFACE.

Les Commissaires du Havre de Winnipeg et Saint-Boniface :—MM. J. H. Ashdown, Président, le lieutenant-colonel H. N. Ruttan, les Echevins, G. R. Crowe et J. A. Marion, Commissaires, réunis en assemblée régulière, le seize décembre, 1914, ont adopté les Règlements suivants, Clauses 1 à 46, qui seront connus sous la désignation : "Règlements édictés par les Commissaires du Havre de Winnipeg et Saint-Boniface."

(i) "Radeau" signifie tout radeau, crib ou poche de bois en grume, de construction ou de service de toutes sortes, et comprend les billes, le bois de construction ou de service renfermés dans une estacade ou à la remorque.

4. Nul ne doit de fait ou d'omission, s'opposer, nuire ou empêcher un employé des Commissaires d'exercer ses fonctions, alors qu'il accomplit son devoir, ni aider, encourager, engager ou commander à toute autre personne d'agir de la sorte.

5. Toute personne qu'un fonctionnaire aurait autorisée par écrit à agir en toutes matières ou de toute façon relevant de l'administration des Commissaires, doit, dès qu'elle en est requise par un des fonctionnaires à l'emploi des Commissaires, exhiber à ce dernier l'autorisation écrite susmentionnée qui lui a été délivrée.

6. L'agent, le consignataire ou la personne en charge d'un navire entrant dans le havre, doit avant de rompre son chargement, délivrer ou faire délivrer sans délai au bureau du maître du havre, un rapport écrit fidèle et exact, signé et certifié par lui-même de l'arrivée de son navire, de son tonnage et de son tirant d'eau ; ce rapport doit également contenir la description du grément dudit navire et le nom du patron ou capitaine ; il est, en outre, tenu de régler à la personne autorisée par la résolution émanant des Commissaires, les droits dus par ledit navire et sa cargaison.

7. Le maître du havre, tenant compte des intérêts des marins, du mouvement des navires dans les eaux du havre et dans les eaux voisines du havre, et tenant aussi compte de ce qu'ils ont à faire dans le havre, doit assigner à chaque navire l'endroit où il doit s'amarrer, mouiller ou accoster à l'un quelconque des quais ou môles appartenant aux Commissaires du havre, et il doit voir aussi à faire virer convenablement tout navire qui s'approche des dits quais ou môles, les quitte ou vient s'y ranger à son poste d'amarrage. Il exercera les mêmes pouvoirs en ce qui concerne l'amarrage et le mouillage des dits navires devant s'amarrer ou accoster à tout quai ou môle du havre qui constitue une propriété privée, et il doit voir aussi à faire virer convenablement tout navire qui s'approche du dit quai ou môle, qui le quitte ou vient se ranger à son poste d'amarrage, et ce à son avis afin de servir le mieux possible les intérêts de quiconque a affaire dans les eaux du havre ou dans celles qui l'avoisinent, ou pour toutes autres fins ci-après dans le havre.

8. Le maître du havre donnera les instructions nécessaires quant au mouillage ou à l'ancrage de tout navire devant séjourner un certain laps de temps dans le havre.

9. Le maître du havre, en vertu des pouvoirs qui lui sont conférés par ce règlement, est autorisé à déplacer un navire d'un endroit à l'autre dans le havre lorsqu'il le juge nécessaire dans l'intérêt de quiconque a affaire dans le havre ou dans son voisinage immédiat ; au cas où quelqu'un se trouvant à bord du navire refuserait ou négligerait de se conformer aux instructions du maître du havre quant aux ordres donnés par ce dernier en vertu du présent règlement et ayant trait au déplacement du dit navire, le maître du havre pourra prendre possession du navire et le déplacer et pour ce faire employer tous moyens raisonnables qu'il jugera à propos et même la force, si nécessaire, pour l'amarrage ou l'ancrage du dit navire à tel endroit qu'il le jugera à propos, tous frais et risques résultant de cette manœuvre devant être supportés par le navire et son armateur.

10. Au cas où le navire visé dans le règlement précédent et ayant reçu du maître du havre l'ordre de se déplacer, aurait à accoster près d'un autre navire ou d'autres navires et de s'y amarrer, la loi autorise les officiers et l'équipage du navire se trouvant le plus éloigné du quai et quiconque a affaire à ce navire en chargement ou déchargement de manœuvrer ou de tra-

vailler par dessus le pont du navire ou des navires se trouvant entre le quai et le navire le plus éloigné de ce quai, sans que ni les officiers ni l'équipage du ou des navires intermédiaires puissent obstruer ou empêcher les manœuvres du navire extérieur, pourvu toutefois que ces manœuvres ne nuisent pas aux navires intermédiaires ni n'empêchent leur propre manœuvre.

11. La personne ayant charge de tout navire à quai dans le havre doit, depuis une demi-heure après le coucher du soleil jusqu'à une demi-heure après son lever, exhiber à la proue et à la poupe du dit navire un feu blanc situé au maximum à six pieds au-dessus du pont ou de la pontée, s'il y en a une, et visible de tous côtés.

12. Tout navire chargeant ou déchargeant sa cargaison soit sur un quai, soit dans une allée ou tout autre bâtiment, doit être muni d'une forte toile tendue, destinée à empêcher qu'aucune partie de la cargaison ne tombe à l'eau.

13. Nul ne doit abandonner, brûler ou démolir un navire dans le havre sans en avoir au préalable obtenu le consentement par écrit du maître du havre.

14. Tout navire qui rancontre sur sa route dans le havre des estacades en remorques, de petits navires ou des embarcations non pontées, ne doit pas marcher à une vitesse qui pourrait compromettre la sécurité de la navigation, et cette vitesse sera déterminée de façon définitive et sans appel par le maître du havre.

15. Tout navire doit naviguer dans le havre avec précaution en vue d'assurer la sauvegarde de la vie humaine et de la propriété, et faire en sorte lorsqu'il vire de ne pas endommager, avarier ou abîmer les biens d'autrui se trouvant dans les eaux du havre ou sur ses bords; en cette matière, la décision du maître du havre sera définitive et sans appel.

16. Sauf dans le cas où les Commissaires en décideraient autrement par écrit, la vitesse de tout navire dans le havre ne doit pas excéder 7 milles à l'heure.

17. Tout navire doit être muni des feux réglementaires et se conformer au règlement pour la prévention des abordages en vigueur dans toutes les eaux navigables du Canada, ou dans celles tombant sous la juridiction du Parlement Canadien, tel que publié par le Ministère de la Marine et des Pêcheries, conformément aux dispositions de la Partie XIV de la *Loi de la Marine Marchande*, chapitre 113 des Statuts Révisés du Canada, 1906.

18. Le patron, le capitaine ou la personne ayant charge d'un navire dans un havre est responsable des manœuvres et autres agissements de son navire et si le patron, le capitaine ou la personne en ayant charge ou un membre quelconque de son équipage se trouvant à bord du dit navire dans les eaux du havre, est ou sont en état d'ébriété, il ou ils violeront les dispositions de ce règlement et est ou sont passibles de la pénalité prévue au règlement n° 43.

19. La personne ayant charge d'un navire à bord duquel on entretient du feu pendant la nuit, doit le faire surveiller. Au cas où aucun gardien ne serait préposé à la garde du feu ou serait trouvé endormi pendant qu'il est de garde, la personne ayant charge dudit navire sera passible de la pénalité imposée par le règlement n° 43.

20. Les navires amarrés aux quais ou mouillés par rangées dans le havre disposeront de leurs embarcations, gréments et ancres de façon à ne point endommager les autres navires. Nul navire dans le havre ne doit se servir d'un cable de remorque, d'une haussière ou de tout autre dispositif pour s'amarrer soit à un quai soit à la rive lorsqu'il veut faire du halage pour accoster ou pour appareiller si, au préalable, il n'a obtenu du maître du havre la permission de se servir, dans ces conditions, de ces sortes d'amarres.

21. On doit, en tout temps, maintenir libre un chenal navigable dans le havre.

22. Tout navire dans le havre doit porter visible-ment et exactement inscrit sur sa proue et sa poupe une échelle de tirant d'eau; le nom du bâtiment doit être peint sur sa proue et sa poupe de façon à être facilement vu du quai; le tonnage du dit navire doit être gravé sur la face du barrot situé du côté de la poupe sous le panneau principal, en lettres d'au moins quatre pouces de hauteur pouvant être lu du dock ou du quai.

23. Tout navire échoué dans les limites du havre doit montrer la nuit trois feux blancs, placés horizontalement du côté ou passent les autres navires.

24. Le maître du havre désignera l'emplacement que doit occuper dans le havre chaque radeau ou estacade de billes qui, à partir de la réouverture de la navigation jusqu'à sa fermeture et du coucher au lever du soleil, doit exhiber, à chacun de ses angles, un feu blanc brillant, à une hauteur maximum de six pieds, et qui sera visible sur tout l'horizon.

25. Nulle estacade de billes dans le havre ne doit dépasser quatre cents pieds de longueur.

26. Les quais et autres dispositifs d'aménagement du havre et tous autres ouvrages en cours de construction doivent être marqués de jour par des balises et par des feux la nuit. Les épaves et les navires coulés dans le havre et qui, pour des raisons de sécurité, exigent le mouillage d'une ou de plusieurs ancres, seront indiquées de la même façon, mais chaque ancre mouillée devra être signalée par une bouée-tonne, dite tonne de navire, d'une contenance d'au moins trente gallons. Les quais et constructions de tous genres, se trouvant en mauvais état et que l'eau recouvre doivent, en tout temps, être indiqués par des balises de jour et par des feux la nuit, et les Commissaires peuvent exiger que les propriétaires des dits quais ou constructions endommagées les réparent, les exhausent au-dessus du niveau des hautes eaux, à défaut de quoi les Commissaires peuvent, si leurs ordres n'ont pas été obéis dans un délai raisonnable, faire enlever les dits quais ou constructions afin d'assurer la sécurité de la navigation.

27. Nul ne peut faire de constructions quelconques sur la glace dans le havre, ou y établir des pistes de courses pour chevaux ou des patinoirs sans avoir au préalable obtenu la permission écrite des Commissaires qui en détermineront les emplacements et l'étendue. Il sera perçu la somme de \$10 pour chaque permis d'établir sur la glace soit une construction, soit une piste de course ou un patinoir, dans un but de gain.

28. Quiconque s'occupe de la décharge des égouts dans les eaux du havre ou est responsable de cette décharge ainsi que de celles pouvant être produites par une machine à vapeur ou par de l'eau doit établir une clôture convenable sur de la glace contenue, autour de telles décharges, et ce à la satisfaction des Commissaires qui, en tout temps, pourront exiger que la dite clôture soit agrandie selon les besoins, ou modifiée quant à son mode de construction.

29. Quiconque se baigne dans les limites du havre doit porter un costume de bain couvrant le corps à partir du cou jusqu'aux genoux; pour les garçonnetts âgés de moins de quatorze ans un caleçon de bain est jugé suffisant.

30. Les navires de tous genres et les embarcations et canots doivent, lorsqu'ils sont dans le havre, être munis des gilets de sauvetage et des appareils d'incendie prévus par les dispositions de la *Loi de la Marine Marchandes du Canada*, telle qu'amendée.

31. Toute embarcation à rames ou canot doit contenir au moins une ceinture de sauvetage, une couronne de sauvetage ou une ceinture de liège de flottabilité égale, de type approuvé par le maître du havre, mais la dite ceinture ne sera retenue ni par des courroies ni attachée d'aucune façon à l'embarcation.

32. A moins que les Commissaires n'en décident autrement par écrit, la vitesse de tout bateau ou canot actionné par un moteur et se trouvant dans le havre ne doit pas dépasser 10 milles à l'heure.

33. A partir de la date de l'entrée en vigueur du présent règlement nul navire, bateau ou canot actionné par un moteur ne pourra naviguer dans le havre avant d'avoir été inscrit par son propriétaire sur le registre du maître du havre; une fois que le navire, bateau ou canot aura été enregistré, un permis sera délivré par les Commissaires ou leurs subordonnés dument nommés à cette fin, au propriétaire du dit navire, bateau ou canot contre le paiement de la somme de \$2.00; la dite somme devant couvrir le coût de deux plaques numérotées destinées à être fixées par le propriétaire, tel qu'exigé par le maître du havre, de chaque côté de la proue dudit navire, bateau ou canot, au-dessus de la ligne de flottaison.

34. Un permis n'est valable que durant la saison pour laquelle il est accordé; les Commissaires pourront

en opérer le retrait ou la suspension en tout temps à la suite de la transgression d'un ou de plusieurs règlements édictés par eux.

35. Tout bateau ou canot actionné par un moteur doit être muni d'un sifflet ou d'une sirène convenable et ne doit jamais naviguer de façon à nuire ou à mettre en danger la vie des personnes à bord d'embarcations ou de canots à rames; ils doivent exhiber, après le coucher du soleil, les feux prévus par le "Règlement pour la prévention des abordages" adopté et promulgué par le Ministère de la Marine et des Pêcheries du Canada; ils doivent, en outre, faire usage, lorsqu'ils se croisent, des signaux stipulés dans le susdit règlement.

36. Les Commissaires du Havre de Winnipeg et Saint-Boniface qui, en vertu des présents règlements, sont autorisés à veiller à la sécurité de la navigation dans le havre de Winnipeg et Saint-Boniface, peuvent user des moyens qu'ils jugeront expédients ou autoriser ceux qui sont sous leur direction à employer les moyens qu'ils jugeront convenables pour prévenir ou enlever tout objet faisant obstacle à la navigation dans ledit havre; ils peuvent, en outre, contraindre les propriétaires, agents ou personnes ayant causé lesdits obstacles à en affectuer l'enlèvement. Toute personne négligeant de se conformer auxdites instructions violeront ce règlement.

37. Nul ne doit ériger, construire ou mettre en place un appontement, un quai, un pont, un hangar, un chantier, un abri à chaloupes ou un bâtiment quelconque dans les limites du havre s'il n'en a au préalable soumis les plans en duplicata aux Commissaires, plans qui montreront en détail l'emplacement et les caractéristiques de la construction des dits appontement, quai, pont, hangar, chantier, abri à chaloupes ou bâtiment quelconque; l'établissement des dits dispositifs ne pourra non plus être réalisé tant que les Commissaires n'auront pas approuvé les plans susdits par une résolution et donné au requérant ou requérants la permission d'établir, de construire ou de mettre en place, l'appontement, le quai, le pont, le hangar, le chantier, l'abri à chaloupes ou le bâtiment quelconque en question; non plus qu'on ne pourra procéder à aucuns travaux devant être approuvés ou autorisés conformément aux dispositions de l'Acte de la *Protection des Eaux Navigables*, Statuts Révisés du Canada, 1906, chapitre 115 ou l'un quelconque de ses amendements, à moins que les dits travaux n'aient été approuvés ou autorisés.

38. Il est défendu de jeter ou de déverser du lest, de la pierre, du gravier, de la terre, du charbon, du coke, des cendres, des escarbilles, de la paille, du foin, du grain, de la sciure de bois, de la paille hachée ou des déchets ou saletés quelconques soit dans les eaux du havre, soit sur la glace ou sur le rivage; il est également défendu de déverser, de jeter ou de drainer dans les eaux du havre, sur la glace ou sur le rivage, de l'huile, de la graisse, de la poix, du goudron ou toute autre substance de ce genre.

39. Nul, sauf dans le cas d'une permission spéciale donnée par les Commissaires, ne doit se permettre de placer des obstacles dans l'eau, sur la glace ou sur le rivage du havre, ou nuire à la navigation de quelque façon que ce soit.

40. Il est interdit, sauf avec l'autorisation écrite des Commissaires, de se servir de dynamite ou de tout autre explosif dans le but de faire sauter la glace ou de détruire les objets formant obstacle à la navigation dans le havre.

41. Nul ne peut couper de la glace ou faire des trous dans la surface de la glace comprise dans les limites du havre, sauf aux endroits indiqués par les Commissaires; nul ne doit enlever, détruire ou endommager les piquets ou autres marques indiquant les limites où il est permis de faire la coupe de la glace ou de décharger de la neige ou de la glace, ni enlever, détruire ou endommager les piquets ou autres marques plantées ou à planter sur la glace par l'ordre des Commissaires.

42. Nul ne se débarrassera de la neige ou de la glace en les jetant dans le havre s'il n'y a été autorisé par les Commissaires.

43. Quiconque enfreint les dispositions de l'un quelconque de ces règlements est passible d'une amende de \$50 au maximum et à défaut du paiement de l'amende et des frais de son procès sera emprisonné durant un laps de temps n'excédant pas trente jours. Quiconque

ayant ainsi été condamné à de la prison pourra être élargi dès qu'il aura payé l'amende à lui imposée et les frais du procès qu'il aura subi.

Droits de havre.

44. A dater de l'entrée en vigueur de ce règlement, toutes marchandises débarquées, expédiées ou ré expédiées dans le havre, seront frappées de droits de havre ainsi qu'il suit :

Bois à brûler par corde,	2½ cents par corde.
Bois scié, en planches mardriers, etc., et billes.....	2½ par 100 pieds. (Board measure.)
Pilots et bois rond.....	2½ cents par 100 pieds linéaires.
Traverses de chemin de fer,	25 cents par 100 traverses.
Chevaux et bestiaux.....	2½ cents par tête.
Porcs et moutons	1 cent par tête.
Tous articles non-dénommés autrement.....	2½ cents par tonne.

Pour les fins de ce règlement le tonneau de poids est fixé à 2,000 livres, correspondant à un tonneau d'encombrement de 40 pieds cubes; selon la nature des marchandises on emploiera soit le tonneau de poids, soit le tonneau d'encombrement.

45. La taxe minimum sur toute expédition de marchandises sera de 10 cents, sauf pour les colis mesurant 5 pieds cubes et pesant moins de 100 livres sur lesquels on percevra la taxe minimum de 5 cents.

46. L'agent ou le propriétaire de tout navire en chargement ou en déchargement dans le havre et pour la cargaison duquel on doit payer des droits de havre, doit, dans les quatre jours qui suivront le chargement ou le déchargement du dit navire, déposer au bureau du maître du havre une copie du manifeste du navire et effectuer en même temps le règlement des droits de havre dus sur les marchandises déchargées ou chargées à bord de ce navire.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

A la recommandation du Ministre du Revenu de l'Intérieur le comité du Conseil privé recommande que l'autorisation soit accordée de permettre la fabrication, sous l'empire de tels règlements que le Département du Revenu de l'Intérieur peut juger nécessaires dans chaque cas particulier, du malt, en entrepôt, pour la production des extraits de malt dans lesquels le malt est tellement dénaturé ou son principe diastasique altéré qu'il est devenu impropre à la fabrication de la bière ou des spiritueux.

HOTEL DU GOUVERNEMENT À OTTAWA

Jeu

di, le 6e jour de mai 1915.

PRESENT :

SON ALTESSE ROYALE LE GOUVERNEUR

GÉNÉRAL EN CONSEIL.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 avril 1915, représentant que sous l'empire des dispositions de la *Loi récompensant certains volontaires, 1908*, un certificat de concession d'un des terrains octroyés aux volontaires du Sud-Africain, certificat portant le n° 2424 et daté le 4 décembre 1908, a été délivré à John Gordon Davis, de Vancouver, Colombie-Britannique, en récompense de ses services dans le Sud-Africain. A Davis ou à son substitut dûment qualifié ce certificat donnait droit de choisir et d'inscrire comme homestead deux quarts de section contigus de terres fédérales disponibles pour l'inscription de homestead, et d'en obtenir la patente dès qu'il aurait prouvé à la satisfaction du Ministre de l'Intérieur qu'il était dûment inscrit et qu'il avait résidé sur ce terrain et l'avait cultivé ainsi que prescrit par l'article 4 de la *Loi récompensant certains volontaires, 1908* ;

Le Ministre ajoute que le certificat en question, en-dossé conformément aux dispositions de la *Loi récom-pensant certains volontaires, 1908*, et ses amendements, en faveur de Paul Boytinck, cultivateur, de Grouard, Alberta, substitut dûment qualifié du dit John Gordon Davis, a été adressé, ainsi que demandé, à la Canadian Bank of Commerce de Grouard ; mais comme le certificat n'y est parvenu que le 5 novembre 1913, il a été impossi-ble à M. Boytinck de choisir son terrain, car le délai fixé par le certificat expirait le 31 octobre 1913, et n'a pas été prolongé. Le certificat ne peut non plus être racheté pour \$500, car le délai dans lequel pouvaient être rachetés les certificats de concession aux volon-taires du Sud-Africain est expiré le 31 décembre 1914,—

Dans les circonstances, et vu que sans qu'il y ait de sa faute M. Boytinck a subi un dommage considé-rable en rapport avec le certificat en question dont il n'a pu se prévaloir parce que le délai dans lequel il pouvait choisir son terrain était expiré avant qu'il ait le certificat en sa possession, le Ministre est d'avis que le cas de M. Boytinck doit être favorablement consi-déré et, par conséquent, il recommande que lorsque le dit Paul Boytinck aura remis au département de l'Intérieur le certificat n° 2424 ci-dessus mentionné, il lui soit permis de choisir et d'inscrire comme home-stead deux quarts de section contigus de terres fédé-rales ouvertes à l'inscription de homestead, subordon-nément aux obligations ordinaires de homestead, et d'en obtenir la patente dès qu'il aura prouvé à la satis-faction du Ministre de l'Intérieur qu'il s'est dûment inscrit et s'est acquitté des obligations de résidence et de culture sur le terrain ainsi choisi, en plein acquit de toute réclamation qu'il peut avoir en vertu du dit certificat n° 2424.

Le comité soumet cette recommandation pour appro-bation.

RODOLPHE BOUDREAU,

46-4

Greffier du Conseil privé.

Les candidats doivent être gradués de quelque université reconnue et doivent s'être spécialisés dans le génie relatif à la mécanique. Bien que la nomination se fera d'abord à la subdivision B de la deuxième division, il est probable que si la personne nommée donne satisfaction, elle sera promue, après un an d'emploi, à la subdivision A de la deuxième division, avec un traitement initial de \$1,600 par année.

2. Un commis à titre temporaire qui aidera le secrétaire du bureau des géographes du Ministère de l'Intérieur, au traitement initial de \$1,300 par année. Les candidats doivent posséder une connaissance parfaite de la littérature anglaise, de l'histoire et de la géographie. Ils doivent aussi connaître la langue française. Un emploi temporaire ne peut durer plus de six mois dans une même année fiscale, mais, dans le présent cas, si l'aspirant choisi prouve qu'il a les aptitudes requises, il se peut qu'il soit nommé à titre permanent avec augmentation de traitement à la suite de sa période d'emploi temporaire.

Les formules de demande, dûment remplies, doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 31 mai prochain. On peut obtenir ces formules en s'adressant au Secrétaire de la Commission, à Ottawa.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier

de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommiss ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques* :— Dans la *Gazette du Canada* seulement.

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Les règlements ci-annexés sont confirmés et adoptés comme règlements pour le district de pilotage de Québec, leur mise en vigueur datant du 31e jour de mars 1915.

REGLEMENTS DE PILOTAGE DU DISTRICT DE QUEBEC.

ABROGATION DES ANCIENS REGLEMENTS.

Les règlements suivants faits en conformité de la Partie VI de l'Acte de la Marine Marchande du Canada, Chapitre 113 des Statuts Révisés du Canada, tel qu'amendé, devront être observés à l'avenir dans le district de pilotage de Québec et ils seront appliqués le 31 mars 1915, et par la suite. Tous les règlements de pilotage ou ordonnances faits antérieurement aux présents règlements, ou appliqués dans ledit district, et tous Ordres en Conseil rendus à propos de ces anciens règlements ou ordonnances sont abrogés par les présentes.

INTERPRETATION.

Lorsque dans ces règlements le vocable le "Ministre" est employé, il signifiera le Ministre de la Marine et des Pêcheries.

NOMINATION D'UN SURINTENDANT ET DE SURINTENDANTS ADJOINTS.

1. Le Ministre sous l'autorité de qui est placé le pilotage, dans le district de pilotage de Québec, peut nommer à Québec, un Surintendant Général, qui sera ci-après appelé le Surintendant, et des Surintendants Adjointes, à qui sera confiée personnellement l'administration du pilotage du district, pour laquelle ils se conformeront aux instructions données par le Ministre, vis-à-vis de qui ils seront responsables de l'accomplissement de leurs devoirs. Les pilotes seront tenus de considérer le Surintendant Général nommé par le Ministre comme étant son représentant quant à l'administration de tout ce qui relève du pilotage dans le district.

COMITE DES PILOTES.

2. Chaque année les pilotes du district de pilotage de Québec choisiront parmi eux à l'assemblée annuelle de la corporation des pilotes les six membres d'un Comité, qui les représentera auprès du Ministre en toutes matières concernant le pilotage.

APPRENTIS PILOTES.

3. Nul ne sera reconnu apprenti pilote, en conformité des dispositions de la Partie VI de l'Acte de la Marine Marchande du Canada, ou en conformité des présents règlements, s'il n'a au préalable reçu une licence d'apprenti pilote, ainsi que l'exigent ces règlements; lesquels, toutefois, et dans la mesure pratique qui conviendra au Ministre, s'appliqueront aux apprentis pilotes licenciés avant que ces règlements ne fussent en vigueur.

LICENCE DES APPRENTIS PILOTES.

4. Quiconque désire obtenir une licence d'apprenti pilote doit en faire la demande par écrit, de sa propre main, et l'adresser au Surintendant; si le candidat est mineur on ne tiendra compte de sa demande que lorsqu'elle sera approuvée par la personne dont il relève d'après la loi.

EXAMEN DEVANT PRECEDER LA DELIVRANCE D'UNE LICENCE D'AP- PRENTI PILOTE.

5. Le Ministre peut exiger que tout candidat désirant obtenir une licence d'apprenti pilote subisse au préalable un examen; la délivrance de la licence ne pouvant avoir lieu, que si le candidat:—

- (1) A plus de seize ans et moins de vingt-cinq ans;
- (2) Est reconnu sobre et jouit d'une bonne réputation;
- (3) Peut parler, lire et écrire l'anglais;

4. A subi un examen médical officiel, établissant qu'il est bon pour le service, et qu'il peut subir avec succès l'examen de rigueur des yeux (spécialement quant au daltonisme) et de l'ouïe.

DU SERVICE DES APPRENTIS PILOTES.

6. Tout apprenti pilote devra servir en cette qualité pendant sept années consécutives, et être embarqué pendant les sept hivers de ces années sur des navires de mer, ou sur des caboteurs marchands du Canada. Durant chaque saison de navigation l'apprenti pilote ne devra pas faire moins de quinze voyages, aller et retour, entre Québec et la Pointe-au-Père, et ce en compagnie d'un pilote lamaneur.

(2) Au cours de son apprentissage chaque apprenti pilote devra s'instruire de façon à ce qu'on puisse lui décerner un certificat de capacité, équivalent au minimum au brevet de second pour bateau à vapeur de la Marine Marchande de cabotage.

DU SERVICE DES APPRENTIS PILOTES SUR LES NAVIRES DU GOUVERNEMENT.

7. Tout apprenti pilote devra, au gré du Ministre, accepter du service sur un navire quelconque appartenant au Département de la Marine et des Pêcheries, pour y parfaire son instruction nautique. Dans ce cas les services de l'apprenti ainsi enrôlé seront comptés dans son temps d'apprentissage.

NOMINATION DES PILOTES.

8. Lorsqu'une vacance se produit parmi les pilotes lamaneurs dont le nombre est déterminé, ou qu'il est nécessaire d'augmenter le nombre de ces pilotes, on peut accorder à l'ancienneté un brevet de pilote à un apprenti pilote, pourvu qu'il ait justifié:— avoir convenablement terminé son apprentissage, s'être conformé à toutes les dispositions de ces règlements le concernant, et avoir subi avec succès un examen, par devant des examinateurs nommés par le Ministre.

DISCIPLINE.

9. (a) Tout apprenti pilote devra se soumettre à la discipline et aux ordres que lui imposera le Capitaine ou le pilote du navire sur lequel il sera embarqué. Dans le cas où un apprenti pilote ferait montre d'inconduite ou d'inattention vis-à-vis de son service, on pourra, au gré du Ministre, soit le révoquer, soit diminuer à volonté les avantages d'ancienneté qui lui sont acquis.

(b) Tout apprenti pilote devra, au cours de toute la saison de navigation, se tenir à la disposition du Surintendant, ou des Surintendants Adjointes de pilotage, selon les circonstances, pour être embarqué sur tout navire qu'on lui désignera, et chaque pilote sera tenu d'accepter tout apprenti pilote que l'on embarquera sur son navire, et il devra, chaque fois que faire se pourra, au cours du voyage, lui enseigner son métier.

(c) Tout apprenti pilote embarqué sur un navire océanique ou de cabotage devra se présenter au Surintendant toutes les fois qu'il le pourra. Il donnera alors à ce dernier, le nom du navire, sa spécialité et tous autres détails qu'on pourrait lui demander.

EXAMEN QUE DOIVENT SUBIR LES APPRENTIS PILOTES AVANT D'ÊTRE REÇUS PILOTES.

10. Aucun apprenti pilote ne pourra recevoir un brevet de pilote s'il n'a pas au préalable terminé son apprentissage et fourni la preuve au Ministre qu'il est sobre, et jouit à juste titre d'une bonne réputation; s'il n'a pas subi un examen de la vue et de l'ouïe, de la part d'un oculiste, d'un auriste et d'un officier du département de la Marine et des Pêcheries, choisis par le Ministre et qui jugeront de l'état de sa vision (épreuve spéciale quant au daltonisme) et de son audition; enfin, s'il n'a pas subi avec succès tout autre examen qui pourrait porter sur ses devoirs de pilote et qu'on pourrait lui demander de subir.

UN APPRENTI PILOTE PEUT RECEVOIR UNE LICENCE L'AUTORISANT A AGIR TEMPORAIREMENT EN QUALITÉ DE PILOTE.

11. Le Ministre peut autoriser tout apprenti pilote à subir un examen et, s'il le subit avec succès, lui accorder une licence qui, en cas de nécessité, permettra à l'apprenti pilote d'agir en qualité de pilote pendant un laps de temps déterminé. Toutefois, une telle licence devra être renouvelée annuellement.

REGISTRE DES PILOTES ET APPRENTIS PILOTES.

12. Le Surintendant tiendra un registre dans lequel il entrera:— le nom, l'âge, la date de sa réception et celle de l'examen, et la condition et les services de chaque pilote et apprenti pilote. Dans ce registre devront aussi figurer les recettes et les

dépenses, et tous autres détails que l'on doit soumettre de temps en temps au Ministre, en conformité des dispositions de la Partie VI de l'Acte de la Marine Marchande du Canada.

DROITS ET BREVETS.

13. Pour chaque licence d'apprenti pilote l'impétrant devra payer un droit de cinq dollars, et pour chaque brevet de pilote un droit de dix dollars.

ABSENCE TEMPORAIRE.

14. Tout pilote qui désire cesser temporairement d'agir en qualité de pilote, peut demander au Ministre la permission de cesser son service, et à son gré le Ministre lui accordera ou lui refusera cette permission. Toutefois, dans aucun cas, l'absence du pilote ne devra pas durer plus d'une saison.

EXAMEN ANNUEL DE LA VUE ET DE L'OUÏE.

15. Tout pilote ou apprenti pilote breveté devra chaque année subir un examen de la vue (avec épreuves spéciales quant au daltonisme) et de l'ouïe, par devant un oculiste et un auriste dûment qualifiés, et un fonctionnaire du Département de la Marine et des Pêcheries choisis par le Ministre.

MISE A LA RETRAITE DES PILOTES.

16. Tout pilote breveté âgé de soixante-cinq ans qui a satisfait aux dispositions de l'Article 452 de l'Acte de la Marine Marchande du Canada, peut, après avoir présenté et remis son brevet au Ministre, recevoir un nouveau brevet, valable pendant un an, et renouvelable d'année en année jusqu'à l'âge de soixante et dix ans, pourvu qu'ayant été examiné par les examinateurs nommés à cet effet par le Ministre, il ait pu justifier des qualités et connaissances qu'on exige de lui, et ce, chaque année, pour le renouvellement du brevet.

ON PEUT ANNULER LES BREVETS.

17. Le Ministre peut suspendre ou annuler le brevet de tout pilote ou apprenti pilote dont la culpabilité aurait été établie quant à la violation de l'Acte de la Marine Marchande du Canada ou de ces règlements.

INCAPACITE INTELLECTUELLE OU PHYSIQUE.

18. (a) Lorsqu'une plainte formulée par écrit et signée par son auteur est adressée au Ministre à l'endroit d'un pilote autorisé, qui serait devenu incapable de faire convenablement son devoir de pilote par suite d'une infirmité ayant affecté ses facultés morales ou physiques, ou par suite d'ivrognerie, la plainte en question doit être portée à la connaissance dudit pilote.

(b) Dès la réception d'une plainte de cette nature le Ministre nomme un enquêteur qui, le représentant, institue une enquête, où, sous serment, l'on sera tenu de démontrer la véracité des faits de l'accusation portée contre le pilote.

Aucun pilote ne pilotera, dans ces conditions, les navires de plus de trois lignes régulières de navigation qui pourraient lui être ainsi assignées.

(h) Tout pilotage qui ne pourra être fait par un pilote qui aura été désigné pour le faire, d'après l'entente intervenue, sera confié à un pilote de tour-de-rôle en conformité des dispositions des présents règlements.

LES PILOTES NE DEVRONT PAS FACILITER LES DESERTIONS.

26. Le Surintendant devra préparer un registre de pilotage où il inscrira les noms des pilotes qui serviront à tour-de-rôle au cours de la saison de navigation; ce fonctionnaire verra à ce que chaque pilote fasse du pilotage lorsqu'il est régulièrement désigné par le tour-de-rôle, exception étant faite à l'endroit des pilotes qui, sur approbation du Ministre, ont été choisis pour un service spécial. Le registre de pilotage devra indiquer quels sont les pilotes qui ont un brevet canadien de Capitaine ou de Second.

CAPITAINES AYANT BESOIN D'UN PILOTE.

30. Au cas où un pilote serait employé alors qu'il ne devrait pas l'être, son nom sera placé le dernier sur la liste du registre, lorsqu'il aura à se présenter de nouveau devant le Surintendant ou le Surintendant Adjoint, selon le cas.

DESOBEISSANCE.

31. Aucun pilote ou apprenti pilote ne désobéira aux ordres ou instructions du Ministre concernant ses devoirs de pilote ou d'apprenti pilote, lorsque desdits ordres ou instructions auront été donnés par le Surintendant ou par le Surintendant Adjoint soit verbalement soit par lettre recommandée. Nul pilote de service en conformité de tels ordres ou instructions, ne devra non plus s'absenter tant qu'il n'y aura pas été régulièrement autorisé.

LES PILOTES NE DEVRONT CONSENTIR A ETRE EMPLOYES, EN LEUR QUALITE, QUE DANS LES LIMITES DU DISTRICT.

NOTICE TO IMPORTERS AND EXPORTERS.

1. The attention of importers and exporters is directed to the provisions of His Majesty's Proclamation dated the 9th September, 1914, relating to trading with the enemy. By paragraph 5 (7) of this proclamation all persons resident, carrying on business, or being in His Majesty's Dominions are warned "not directly or indirectly to supply to or for the use or benefit of, or obtain from an enemy country or an enemy any goods, wares, or merchandise; nor directly or indirectly to supply to or for the use or benefit of, or obtain from any person any goods, wares or merchandise, for or by way of transmission to or from an enemy country or an enemy; nor directly or indirectly to trade in or carry any goods, wares, or merchandise destined for or coming from an enemy country or an enemy." It is further provided by paragraph 3 that the expression "enemy" in the proclamation means "any person or body of persons of whatever nationality resident or carrying on business in the enemy country, but does not include persons of enemy nationality who are neither resident nor carrying on business in the enemy country. In the case of incorporated bodies, enemy character attaches only to those incorporated in an enemy country." By the proclamation of 16th February, 1915, the prohibitions in the above-mentioned proclamation of 9th September, 1914, are extended so as to apply to territory in the effective military occupation of an enemy as they apply to an enemy country.

2. It is hereby notified that with a view to preventing breaches of this proclamation, importers may be required to produce certificates of origin issued by His Majesty's consular officers, and exporters to make declarations of the ultimate destination of their goods.

3. Declarations of the ultimate destination of goods exported to any foreign place in Europe or on the Mediterranean Sea, with the exception of those situated in Russia and France, are now, in view of the provisions of section 5 (1) of The Customs (War Powers) Act, 1915, required to be made to the collectors or other proper officers of Customs and Excise, in accordance with the Customs Order issued under section 139 of The Customs Consolidation Act, 1876, as extended by section 2 of The Customs (War Powers) Act. The statutory declarations hitherto made before justices of the peace or commissioners of oaths will no longer be required.

4. For the present certificates of origin will not be required in respect of imports of the *bond-fide* personal and household effects of persons entering this country, of foodstuffs, of timber of any kind (including pit-props), strawboard, mechanical wood pulp, cut flowers, flax or flax seed, iron ore, granite, granite setts for paving, paving stones, kerbstone, slatestone, cod liver oil, ice, marble, alabaster, sienna earth, tar, carbide of calcium or cyanamide of calcium, or in respect of any imports from places other than those situated in Norway, Sweden, Denmark, Holland, Switzerland, and Italy, or in respect of goods imported from an allied country by way of a neutral country on a through bill of lading or by through postal parcel, or in respect of goods of enemy origin imported under licence. The certificates referred to must be in the form prescribed by the schedule hereto.

5. Any goods, wares or merchandise imported from the above-mentioned foreign places, except as provided in paragraph 4, unaccompanied by certificates of origin will be detained by the Commissioners of Customs and Excise until the requisite certificates are produced. The commissioners are, however, authorized in such cases, and at their discretion, to allow delivery of the goods on the security of a deposit or of a bond to the amount of three times the value of the goods with a view to the production of the necessary certificates within a prescribed period, provided that they see no reason for suspecting that the goods emanate from enemy territory.

6. This notice will take effect as from the 3rd May, 1915.

8. All vessels moored or anchored temporarily shall be so moored or anchored temporarily as instructed by the Harbour Master.

9. The Harbour Master shall have the power to order the removal of any vessel, whenever he deems it necessary to do so to best promote the interests of those doing business in or about the Harbour, from any part to any other part of the Harbour, and in the event of the refusal or neglect of any person on board of any vessel to obey the orders of the Harbour Master to move the vessel under the powers conferred upon him by this section, the Harbour Master may take possession of, and move the vessel, and may use any reasonable means and force for that purpose, and may moor, anchor or make fast the vessel at such other place as he thinks fit, and at the expense and risk of such vessel and her owner.

horizon at a height not exceeding six feet above the deck or above the deck load.

12. Vessels loading or unloading, whether on the wharves or into lighters, or into any other vessel shall have a good tight canvas save-all stage or spout in order to prevent any portion of their cargo from falling into the water.

13. No vessel shall be abandoned, set fire to, burned or broken up in the Harbour without the consent of the Harbour Master signified in writing.

14. Every vessel when passing booms in tow, smaller vessels or open boats in the Harbour shall do so at no greater speed than shall be consistent with safety and the Harbour Master's decision in this matter shall be final and binding.

15. Every vessel while in the Harbour shall navigate with caution, having due regard to life and property, this includes taking due precaution when turning so as not to in any way damage, injure or affect the property of any person using either the waters of the Harbour or the waterfront thereof, and the Harbour Master's decision in this matter shall be final and binding.

16. Unless otherwise specified by the Commissioners in writing, the speed of any vessel in the Harbour shall not exceed 7 miles per hour.

18. The master, captain or person in charge of any vessel in the Harbour shall be responsible for the actions of such vessel under his charge, and if the said master, captain, person in charge or any member of the crew of any vessel in the Harbour, on board said vessel, is under the influence of liquor while the said vessel is in the Harbour, it shall be constituted a breach of the provisions of this by-law and the said master, captain, person in charge or any member of the crew so under the influence of liquor shall be liable to the penalty imposed by By-law No. 43.

20. All vessels lying at the wharves or in tiers within the Harbour shall have their boats, rigging and anchors adjusted, disposed of and secured so as to avoid doing damage to other vessels, and no vessel in the Harbour shall have any tow line, hawser or other thing made fast to any wharf or to the shore except for the purpose of hauling in and out, without the permission of the Harbour Master.

21. A clear channel for navigation shall at all times be maintained in the Harbour.

22. Every vessel in the Harbour shall have a water gauge marked conspicuously and accurately on the stern and stem, and her name shall be painted on the stern and bow or quarter, so as to be easily discerned from the wharf, and the tonnage of each vessel using the Harbour shall be cut into the face of the foreside of the beam forming the afterpart of the main hatch, in figures of not less than four inches in length and in such manner as to be visible from the dock or wharf.

23. Every vessel aground at night within the limits of the Harbour shall show three lights horizontally placed over that side of the vessel on which other vessels shall pass.

24. Every raft or boom of logs to be anchored in the Harbour shall be so anchored as directed by the Harbour Master, and shall exhibit from sunset to sunrise, from the beginning to the complete close of navigation a bright white light at each corner and angle of said raft or boom of logs at a height of not more than six feet, visible all round the horizon.

The Commissioners may order the owners of the said dilapidated wharves or other constructions to repair them and build them up above high water mark, or in default of so doing to remove them within a reasonable time, as an obstruction and danger to navigation.

27. 36. The Winnipeg and St. Boniface Harbour Commissioners in whom the powers for the security and

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 14th day of May, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

HIS Royal Highness the Governor General, by and with the advice of the King's Privy Council for Canada, and in virtue of the provisions of section 45 of The Fisheries Act, 4-5 George V, chapter 8, is pleased to order as follows:—

Section 46 of the Fisheries Regulations for the Province of Manitoba, and section 26 of the Special Fishery Regulations for the Provinces of Saskatchewan and Alberta and the Territories north thereof, adopted by the Order in Council of the 9th February, 1915, are hereby amended so as to allow sturgeon fishing in Cumberland Lake, Saskatchewan, and Sturgeon or Namew Lake, in Saskatchewan and Manitoba, by the residents of the district in which these lakes are situated, during the fishing season of the present year, which season will begin on the 16th June, 1915.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[834]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 24th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 17th April, 1915, from the Minister of the Interior, stating that application has been made by the Town of Indian Head for permission to acquire the right of way for a pipe line through the northeast quarter of Section 29, Township 17, Range 13, and the northwest quarter of Section 11, Township 18, Range 13, both west of the 2nd Meridian, for the purpose of supplying the Town with water ;

That with respect to the northeast quarter of Section 29 referred to, the Minister has been advised by the Department of Justice that the Governor in Council has power under The Irrigation Act to authorize the disposal by private sale of any portion of a school section that may be required for domestic, irrigation, industrial or other purposes ;

That with respect, however, to the northwest quarter of Section 11 referred to, it is not considered advisable to sell the land required for the right of way to the Town, as this quarter section has been reserved during the pleasure of the Minister for nursery purposes in connection with the Forestry Branch of the Department of the Interior, and it is represented to the Minister that, if the land were sold and an absolute title given to the Town, the Department of the Interior would have no control over the land comprised in the right of way and fences might be erected along such right of way, thus preventing access from one part of the nursery to the other ;

That under these circumstances the Minister considers that the best course would be to grant a license of occupation to the Town of Indian Head of the land required for the right of way of the pipe line across the northwest quarter of Section 11, Township 18, Range 13, west of the Second Meridian, on the express condition, however, that the officers of the Department of the Interior shall at all times have free access across the said right of way and shall also have the right to construct and maintain such boundary fences across the said right of way as may be required in connection with the operation of the Forestry Nursery Station which is situated on this quarter section,—

The Minister, therefore, recommends that he be authorized to issue a license of occupation to the Town of Indian Head, on the terms and conditions before mentioned, of the land required for the right of way for a pipe line across the northwest quarter of Section 11, Township 18, Range 13, west of the 2nd Meridian, as shown on the tracing hereto attached, and that he be also authorized to sell to the Town of Indian Head, at the rate of \$7.00 per acre, the land required for the right of way of the said pipe line across the northeast quarter of Section 29, Township 17, Range 13, west of the 2nd Meridian, comprising 1.87 acres more or less, as shown on the tracing hereto attached, this land having been valued by Mr. Evans, Inspector of School Lands at \$7.00 per acre.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 24th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS, the Dominion Parks Regulations prohibit the possession and carrying of unsealed weapons within the Dominion Parks except by a duly authorized game guardian ;

And, whereas, the Superintendent of the Rocky Mountains Park sets forth that certain trading companies within said park have been offering for sale

unsealed rifles, and have objected to having same sealed by the park wardens ;

And, whereas, the said Superintendent further sets forth that the prohibition of the sale of firearms, within the said park, would facilitate the enforcement of the regulations with respect to firearms,—

Therefore, His Royal Highness in Council is pleased to order that the said regulations shall be, and the same are hereby amended, by adding thereto the following clause :—

71a. No person shall, within any Dominion Park, traffic in, or engage in the business of buying and selling rifles, shot-guns, revolvers or any other firearms.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Saturday, the 24th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 19th April, 1915, from the Minister of the Interior, submitting that, the southwest quarter of Section 1, Township 29, Range 32, west of the Principal Meridian was included in lands reserved for community Doukhobors by Order in Council of 7th December, 1907, and the Inspector of Doukhobor Reserves has reported that it is no longer required for the purpose for which it was set apart ;

The Minister further submits that application has been made by the legal representatives of one Nicoli Khominoff, a Doukhobor, for this quarter section, in lieu of the homestead of the said Nicoli Khominoff, whose entry was cancelled pursuant to cancellation proceedings commenced after the death of the homesteader but which did not come to the attention of the legal representatives prior to cancellation and in the absence of defence the entry was cancelled and the land granted under entry to the applicant for cancellation in accordance with the regulations ; after full investigation into the claim of the legal representatives it is considered the entry granted to the applicant for cancellation is legal and should stand and that the claim of the legal representatives should be satisfied by granting them another quarter section, counting in connection therewith the duties performed on the original homestead ;

The Minister states that, in his opinion, the said claim is entitled to favourable consideration and the legal representatives have agreed to accept the said southwest quarter of Section 1 accordingly, and to withdraw all claim to the original homestead,—

The Minister, therefore, recommends that the southwest quarter of Section 1, Township 29, Range 32, west of the Principal Meridian be withdrawn from the Doukhobor Reserve established by Order in Council of 7th December, 1907, and be granted to the legal representatives of Nicoli Khominoff under authority of subsection (k) of section 76 of The Dominion Lands Act.

The Committee submit the same for approval.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 27th April, 1915, from the Minister of Militia and Defence, representing that at present there is not any provision for pensioning officers or soldiers of the Canadian Over-Seas Expeditionary Forces or their families, and that it is desirable to have such provision made forthwith,—

The Minister, therefore, recommends that the provisions of Articles 591 to 598 of the Canadian Militia

Pay and Allowances Regulations, as amended by Order in Council (P.C. No. 289) of 29th April, 1915, be made applicable to the officers and soldiers of the Canadian Over-Seas Expeditionary Forces and to their widows, children, orphans and widowed mothers, to as full an extent as if they, the said officers and soldiers, were officers, warrant officers, non-commissioned officers and men, respectively, of the Militia, and had incurred death or disability on service as such militia officers, warrant officers, non-commissioned officers and men of the Militia.

The Minister further recommends that the said provisions be made to take effect from the 1st day of September, 1914.

The Committee concur in the foregoing and submit the same for approval.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th April, 1915, from the Minister of the Interior, submitting that Mr. John Macdonald Gibbs was allowed to locate South African Volunteer Scrip upon the north half of Section 36, Township 55, Range 5, west of the 5th Meridian, on the 11th April, 1911 ;

It has been stated by a Homestead Inspector that Mr. Gibbs has performed two full periods of residence duties ;

Mr. Gibbs has made improvements consisting of a house, \$25, 1½ miles fencing, \$100, 24 acres breaking (21 acres cropped) and 6 acres cleared ;

The Minister submits the annexed copies of medical certificates from W. H. Rennie, M.D., and H. J. Hassard, M.D., both of Portage La Prairie, Manitoba, setting forth that Mr. Gibbs is suffering from a partial dislocation of his spine,—

The Minister recommends, under the circumstances, that the residence requirements of The Dominion Lands Act be dispensed with in connection with Mr. Gibbs' South African Volunteer Scrip, the north half of Section 36, Township 55, Range 5, west of the 5th Meridian, under the authority of subsection 2 of section 20 of the Act, so that free patent may be issued to Mr. Gibbs for his Volunteer Scrip, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 30th day of March, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS by Order in Council of the 7th December, 1907, certain lands were set apart as reserves for Doukhobor Communities during the pleasure of the Government ;

And whereas the Doukhobor Commissioner has reported that the lands enumerated in the attached schedule are no longer required for the purposes of the Doukhobor Communities, and the Minister of the Interior recommends that the lands enumerated in the attached schedule be withdrawn from the reserves established by the said Order in Council of the 7th December, 1907, and be opened to general homestead entry ;

And whereas the lands enumerated in the attached schedule are tributary to the Sub-Agency of Dominion Lands at Pelly, Saskatchewan, and the residents of the district contiguous to these lands have for a consider-

able time been urging the throwing open of the same to homestead entry and constitute by far the greater number of applicants desirous of securing entries therefor ;

And whereas it is inconvenient for the applicants from the district mentioned to travel to the office of the local Agent of Dominion Lands at Yorkton, a distance of sixty or seventy miles, for the purpose of making applications,—

Therefore His Royal Highness the Governor General in Council is pleased to order that the lands enumerated in the attached schedule shall be and the same are hereby withdrawn from the reserve established by the said Order in Council of the 7th December, 1907.

His Royal Highness the Governor General in Council is further pleased to appoint Mr. R. S. Dundas, Sub-Agent of Dominion Lands at Pelly, Saskatchewan, to be, under subsection (h) of section 76 of The Dominion Lands Act, a local Agent of Dominion lands for a district comprising the lands enumerated in the attached schedule, his duties to consist of the receiving, after due public notice given, of applications for homestead entry from eligible applicants for the lands enumerated in the attached schedule and the granting of homestead entries therefor in accordance with The Dominion Lands Act and regulations in connection therewith, the duties of the local agent to terminate after such entries have been granted or when terminated by the Minister of the Interior, the office of entry to be at Pelly, Saskatchewan.

Friday, the 30th day of April, 1915.
PRESENT :
HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

HIS Royal Highness the Governor General in Council is pleased to order as follows :
The regulations approved by Orders in Council of the 21st May, 1906, and the 15th February, 1911, and re-established on the 6th June, 1911, relating to the removal of timber from Dominion Parks, are hereby rescinded and, in pursuance of the provisions of section 18 of The Dominion Forest Reserves and Parks Act, as enacted by section 5 of chapter 18, 3-4 George V the annexed regulations are hereby approved and substituted in lieu thereof.
RODOLPHE BOUDREAU,
Clerk of the Privy Council.

REGULATIONS FOR THE REMOVAL OF TIMBER IN DOMINION PARKS.

The removal of timber in the Dominion Parks shall be governed as follows :—

PERMITS.

1. Permits for the cutting of dead or fallen timber may be granted by the Superintendent of any Park hereinafter called the Superintendent subject to the conditions herein contained :—
 2. Such permits shall be issued subject to the following conditions :
 - (a) The permittee shall cut only such timber as is designated in the permit ;
 - (b) The permittee shall take all merchantable material of the timber so designated ;
 - (c) No roads shall be made and no green timber or young growth shall be destroyed except such as may, in the judgment of the Superintendent, to be expressed in writing, be necessary to carry out the rights granted under the permit ;
 - (d) Trees shall not be cut higher than 18 inches from the ground without written permission of the Superintendent ;
 - (e) The permittee shall exercise a strict and constant supervision to prevent the origin or spread of forest fires ;
 - (f) The permittee shall gather into heaps suitable for burning all tops, branches and other debris resulting from operations under his permit, in accordance with the instructions of the Superintendent.
 3. If required by the Superintendent, the permittee shall chain off the area granted and plant a post at each of the corners thereof, and tie it to the section lines or to some topographical features so that it may be identified in Departmental records.
 4. Any breach of the regulations or conditions of the permit by the permittee, or failure to comply with any instructions consistent with the spirit of these regulations given by the Superintendent, or other Parks' Officer shall render all permits held by the permittee liable to summary cancellation by the Superintendent in writing, and the privilege of such permittee obtaining any further permits shall be in the discretion of the Minister of the Interior, hereinafter called the Minister. In questions of dispute the decision of the Minister shall be final.
 5. All permits for the cutting of timber in Dominion Parks and all rights thereunder shall be subject to these regulations and to any amendments that may be made thereto.

PERMITS.

Residents Permits.

6. A permit may be issued by any bona fide householder in a park to cut for his own use twenty-five (25) cords of dead wood free of dues from an area limited to five (5) acres. Such permits shall not be transferable and shall be valid for a period not to exceed three months, but in no case shall it be valid beyond the 31st March next following the date of issue. Such

permit shall be returned on or before the date of expiration to the office of the Superintendent with statutory declaration as to the quantities of wood cut thereunder. No person shall be granted more than one such permit during a period of any three months of any year.

7. The permittee shall be required, on the issue of such permit, to pay a fee of twenty-five (25) cents and no such permit shall be issued to any person who has not made return of all such former permits which have been issued to him.

Timber Permit granted without Competition.

8. Permits may be granted without competition to cut all the merchantable dead timber on areas not exceeding 160 acres. The permittee shall be required, on issue of such permit, to pay a fee of twenty-five (25) cents and the sum of \$7.50 to be applied as dues, as hereinafter mentioned, and no portion of such payment shall be returned whether the permittee operates or not. Remaining dues shall be paid on or before the return of the permit.

9. Such permit shall not be transferable and shall expire on or before the 31st of March next following the date of the issue thereof and shall be returned on or before such date of expiration thereof to the office of the Superintendent with statutory declaration as to the kinds and quantities of timber cut thereunder. No such permit shall be issued to any person who has not made return of all such former permits issued to him.

10. No such permit shall be issued to any firm or corporation or to any member thereof, while there is outstanding such permit in the name of the firm or corporation or any member thereof.

11. The Superintendent may require each applicant for a permit to furnish satisfactory proof that such permit is applied for for his own exclusive use and benefit.

Timber Permits granted by Public Competition.

12. The Minister may by public competition dispose of the right to obtain annual permits to cut all the merchantable dead timber on areas not exceeding two square miles, the ground rent to be thirty dollars (\$30.00) per square mile per annum, payable in advance. Such rental is to be applied as dues on timber cut in so far as such dues do not exceed the rental.

13. Application for any parcel to be put up by public competition shall be received by the Superintendent of the park concerned, and forwarded to the Commissioner of Dominion Parks with the recommendation of the Superintendent. Such application shall be accompanied by a deposit of thirty dollars (\$30). In case no advertisement is made for tenders, or if advertisement is made and the depositor is not the successful applicant, his deposit will be returned. If advertisement is made and no tender is received, the deposit will be forfeited to His Majesty. If the depositor is the successful applicant, the deposit will be retained and applied to the dues, or in case he fails to take out a permit as required by these regulations, it will be forfeited to His Majesty.

14. In surveyed districts the description of the parcel shall state the section, township and range, but in unsurveyed districts or where such description is impracticable the description shall be by metes and bounds trying the parcel of land either to a section line or some prominent topographical feature, sufficient to enable the lands to be identified in Departmental records.

15. On receipt of such application by the said Commissioner, if approved, sealed tenders addressed to the Minister will be called for by advertisement in the public press.

16. More than one parcel may be granted to an individual or group of individuals but each parcel must be tendered for separately.

17. Each tender must be accompanied by an accepted cheque on a chartered bank in favour of the Minister for the amount of the bonus which the applicant is prepared to pay for the right to obtain a permit.

18. The successful applicant shall take out a permit within sixty days from the date of the grant of such

right. He shall pay on the issue of such permit twenty-five (25) cents as office fee and the aforementioned ground rent. All dues in excess of the ground rent, or in case the permittee has made an application deposit, all dues, in excess of the combined sum of the ground rent and the application deposit, shall be paid on or before the date required for the return of the permit.

19. Each such permit shall expire on the 31st day of March next succeeding the date of the issue thereof and shall be returned to the Superintendent immediately after the expiration thereof with a statutory declaration as to the quantity and sorts of timber, if any, cut thereunder.

20. The Minister may, at his option, grant a renewal of such permit for three consecutive years, and may grant a further renewal for two additional consecutive years, provided that all fees, dues, rentals and other charges in respect of such permit or any renewal thereof, and all dues thereon in arrears shall have been duly paid, and that the operations of the permittee shall have been satisfactory to the Superintendent.

21. In case any person to whom a parcel is awarded fails to take out a permit for such parcel within sixty days after the date of award; or in case a permittee fails to make renewal when the right to do so has been granted within sixty days after the expiration of the permit, the right to obtain such permit or such renewal, as the case may be, and the deposit or bonus made in that connection may at the discretion of the Minister be forfeited to the Crown.

22. The right to obtain such permit on any parcel, or the permit itself, or any interest therein, shall not be assigned or transferred without the consent of the Minister, nor until any outstanding permit in the name of any of the parties concerned has been returned duly completed to the office of the Superintendent and all dues and other charges shall have been paid thereon. The fee for the registration of such assignment or transfer shall be two (\$2.00) dollars in advance.

23. One half the cost of patrolling and fighting fire to guard the timber covered by any such permit shall be defrayed by the permittee, the Crown defraying the other half. Such cost will be apportioned so that it will bear the same proportion to the total cost of fire guarding the whole park as the area covered by such permit bears to the area of the whole park. Payment of such cost shall be made on or before the 31st day of March following the date of such apportionment.

Green timber permits.

24. The Minister may, by public competition or otherwise, dispose of the right to obtain a permit to cut green timber for thinning out dense growths, making roads or any other improvement in Dominion Parks. Every such permit shall state the quantity and sort of timber granted and the dues charged for each sort. No ground rent shall be charged but all dues shall be paid on issue of such permit and shall remain the property of the Crown whether the permittee operates or not. The permittee shall be entitled to only one renewal of such permit.

25. Sections 14 to 24 both inclusive which apply to permits for dead timber shall, excepting sections 19 to 21, apply also to green timber permits.

Dues.

26. The dues to be charged for dry wood shall be as follows:—

A. For timber, mining props, railway ties, posts and rails measuring:

(1) Eleven (11) inches and over in diameter at the butt end, one-fifth cent (1-5) per lineal foot.

(2) Nine (9) to eleven (11) inches in diameter at the butt end, one-tenth (1-10) of a cent per lineal foot.

(3) Five (5) to nine (9) inches in diameter at the butt end, one-twentieth (1-20) of a cent per lineal foot.

(4) Under five (5) inches in diameter at the butt end, free, if piled separately and thus made available for inspection.

B. For cordwood, twelve and one-half (12½) cents per cord. Wood to be classed as cordwood must before removal be cut into lengths not more than four (4) feet.

27. The dues to be charged for green wood shall be as follows, payable on issue of the permit:

A. For timber, mining props, railway ties, posts and rails measuring:

(1) Eleven (11) inches and over in diameter at the butt end, three-fifths of a cent (3/5c.) per lineal foot.

(2) Nine (9) to twelve (12) inches in diameter at the butt end, three-tenths of a cent (3/10c.) per lineal foot.

(3) Five (5) to nine (9) inches in diameter at the butt end, three twentieths of a cent (3/20c.) per lineal foot.

(4) Under five (5) inches in diameter at the butt end free, if piled separately and thus made available for inspection.

B. For cordwood, twenty-five cents (25c.) per cord. Wood to be classed as cordwood must before removal be cut into lengths not more than four (4) feet.

28. Statement of all timber removed by any permittee from any Dominion Park shall be made to the Superintendent thereof, quarterly, by the permittee removing such timber. Such statements shall give all information required as may be specified on forms prescribed by the Department; no such timber shall be shipped until the Superintendent of the Park concerned has been notified and permission has been given by him for shipment.

Seizures.

29. All timber cut within any Dominion Park upon which any dues are in arrears, or which has been cut without proper authority, shall be liable to seizure whether it is in the possession of the person by whom it was cut or of any other person, and whether it has or has not been removed from the Park, and in case such timber is seized, the person by whom it was cut shall, in the discretion of the Minister, forfeit all permits and all right to obtain a permit within a Dominion Park, in addition to any other penalty provided by The Forest Reserves and Parks Act or by these regulations.

30. Double dues may be charged on all timber seized and unless they are paid forthwith and unless the person who cut the timber can establish to the satisfaction of the Superintendent that the cutting was done without wilful intent to contravene the regulations, the timber shall be confiscated and may be disposed of by public auction after the same shall have been advertised as prescribed by the Superintendent and if no bid equal to the amount due to His Majesty on such timber is received it may be disposed of by private sale.

31. If timber cut in a Dominion Park, on which any dues are in arrears, or which has been cut without proper authority, has been removed beyond the reach of the Superintendent, the person responsible for the cutting shall be liable to a payment of at least double dues on the quantity so cut, as determined by the Superintendent, providing that such person can establish that such arrearage of dues existed or cutting of timber was done without wilful intent to infringe these regulations; in case he cannot so establish such intent to the satisfaction of the Superintendent he shall be liable to a fine of not less than one (\$1) dollar, and not more than three (\$3) dollars for every tree unlawfully cut.

32. If any green timber is cut upon any area granted under a permit for dry timber it shall be presumed to have been cut by such permittee, and he shall be liable to the penalty prescribed by these regulations, and such permit shall be cancelled and at the option of the Minister the permittee shall not be entitled to hold or to obtain any permit in any Dominion Park; provided that if such cutting has been done under special permit, or if the permittee shall prove to the satisfaction of the Minister that such cutting was not done by him or by his direction, or by his permission, or through any negligence on his part, he shall be absolved from the penalties and relieved from the liabilities prescribed by this clause.

33. The Superintendent or any Parks Officer shall have authority to make seizures of timber as herein provided.

Removal of Private Property.

34. Upon the expiration of any timber permit, the permittee shall forthwith remove from Crown Land covered by such permit, or used in the operation thereof, all logs, cordwood, buildings, chutes and other property belonging to him. Any such property that is not so removed, shall be the property of the Crown.

Stamps on Floated Timber.

35. No timber shall be put into a lake or stream in a Dominion Park, to be floated until it is marked with a stamp furnished by the permittee, and approved by the Superintendent of the Park, and until copy of said stamp is placed on record in the office of the Superintendent.

Removal of Live Trees.

36. The removal of young live trees from the Dominion Parks shall be subject to such terms and conditions as may be prescribed by the Minister.

Penalty.

37. As provided in section 20 of The Forest Reserves and Parks Act, chap. 10, 1-2 Geo. V, any person violating any of these regulations shall, in addition to any civil liability thereby incurred, be liable on summary conviction to a penalty of not more than one hundred (\$100.00) dollars, and in default of immediate payment of such penalty and the costs of prosecution, such person may be imprisoned with or without hard labour for any term not exceeding six months. 45-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 8th day of May, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS it is but fair and reasonable that the relief which may now be granted to a homesteader who is a member of a military force such as is specified in section 22 of The Dominion Lands Act for the causes mentioned in that section or in section 23 of that Act, should also be granted to any homesteader who, whether he is an alien or a British subject by birth or naturalization, has been serving or is now serving or who may hereafter serve as a member of any military force, regiment, company or corps of Great Britain or in any military force, regiment, company or corps of the Allies of Great Britain in the present war in Europe, Africa or elsewhere, in defence of the British Empire and Allies, and who because of his being a member of any such military force, regiment, company or corps; or of wounds received; or of illness resulting therefrom; or from any other cause after and because of his enrolment as a member of any military force, regiment, company or corps, is unable to resume occupation of his homestead, or to complete the conditions of his entry therefor; and further, that in the event of the death of any such homesteader similar relief should be granted to his legal representatives,—

Therefore His Royal Highness the Governor General in Council, by and with the advice of the King's Privy Council for Canada, and under the authority of subsection 1 of section 6 of the Act intituled "The War Measures Act, 1914," 5 George V, chapter 2, and section 76 of The Dominion Lands Act, paragraph (k), is pleased to order, and it is hereby ordered as follows:—

The relief in such cases, as are hereinbefore alluded to, where the homesteader is unable to resume occupation of his homestead, may be either relief from further cultivation of the homestead, or from further residence thereon, or from both, as to the Minister of the Interior or to any Acting Minister of the Interior may appear fair and reasonable; and where all further conditions of entry are so dispensed with the Minister of the Interior, or any Acting Minister of the Interior may direct the immediate issue of letters patent for the homestead in favour of the homesteader.

Similar relief and action may be authorized in favour of the legal representatives of a homesteader who dies because of wounds or illness, as before specified.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

[1120]

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 21st day of May, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 10th May, 1915, from the Minister of the Interior, stating that by an Order in Council, dated the 11th March, 1910, regulations were established for the disposal of petroleum and natural gas rights, the property of the Crown, under and in accordance with the provisions of section 37 of The Dominion Lands Act ;

That in July, 1912, the available petroleum and natural gas rights, the property of the Crown, in Townships 12 and 13, Ranges 5 and 6, west of the 4th Initial Meridian, including and surrounding the City of Medicine Hat, were temporarily withdrawn from disposal under the provisions of these regulations ;

That the City of Medicine Hat, at whose instance these rights were withdrawn, represent that it is essential to the commercial prosperity of the city that the petroleum and natural gas rights already reserved should not be disposed of to, or diverted by outside interests; that these natural resources, within a reasonable radius surrounding the city, should be available for the development of the industries established, or to be established within the city ; and that the city, while not desiring to exploit such rights, should be given such control of them as might be necessary to prevent the same from being diverted to other centres of population, and to insure their conservation to the city for the extension and development of its several industries :

That representations have been made to the Department of the Interior that the City of Medicine Hat has, at a very large expenditure, bored some eighteen wells within the limits of that city with a view to the discovery of natural gas ; that gas in commercial quantities has been discovered, which is being very fully utilized by and on behalf of the municipality ; and that these wells are capable of producing about 50,000,000 cubic feet of gas per day ;

That certain of the regulations for the disposal of mining rights, the property of the Crown, specifically exclude from their provisions lands lying within the limits of a city, town or village, and while such exclusion is not made in the Petroleum and Natural Gas Regulations it is not the practice of the Department of the Interior to grant leases of the petroleum and natural gas rights under lands which lie within the limits of any incorporated city, town or village ;

That as it appears to be in the public interest that the petroleum and natural gas rights, the property of the Crown, under lands immediately surrounding the City of Medicine Hat should be conserved for the use of the city itself, and as those petroleum and natural gas rights—the property of the Crown—which are within the limits of the city are not, in accordance with the practice of the Department of the Interior, available for lease, the Minister recommends that he be authorized to grant free of charge to the City of Medicine Hat such petroleum and natural gas rights within the present limits of that city as are the property of the Crown, also to withdraw for the present from disposal the available petroleum and natural gas rights under Townships 12 and 13, Range 5, and Township 12 and the easterly two tiers of sections in Township 13, Range 6, west of the 4th Initial Meridian, upon the following terms and conditions :

1. That the above grant and withdrawal of petroleum and natural gas rights, the property of the Crown, shall not apply to lands which have been set apart as school lands in accordance with the provisions of The Dominion Lands Act.

2. That the withdrawal from disposal under the provisions of the regulations of the available petroleum and natural gas rights under the lands described will not operate as an obstacle to the disposal by the Crown or other mining rights under these lands.

3. That the City of Medicine Hat be required to immediately obtain a lease, under and in accordance with the provisions of the regulations of each quarter section within the reserve, but lying outside the present limits of the City, upon which a well has been bored by or on behalf of the municipality with a view to the discovery of petroleum or natural gas.

4. That the City of Medicine Hat, before commencing, in the future, boring or other operations with a view to the discovery or development of petroleum or natural gas on any lands included in the above reservation lying outside the present boundaries of that city, shall apply for and obtain a lease of such rights in accordance with the provisions of the regulations in that behalf.

5. That the available petroleum and natural gas rights under a strip twenty chains wide, extending along the westerly side of the above reservation in Township 13, Range 6, west of the 4th Meridian, shall be established as a neutral zone, and that permission to bore for petroleum or natural gas upon such lands shall not, for the present, be granted.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS it is represented that the riding of bicycles upon the sidewalks and paths of the townsites in the Dominion Parks has become so prevalent as to be a nuisance and dangerous to pedestrians,—

The Regulations of the National Parks of Canada, as approved by Order in Council of 21st June, 1909, and re-established on the 6th of June, 1911, are amended by adding thereto the following paragraph :—

20 A. No person shall ride a bicycle or motor conveyance of any kind upon any sidewalk or foot path of any townsite in any Dominion Park.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 21st day of May, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report from the Minister of Finance, dated 17th May, 1915, transmitting herewith the findings of the Commissioners appointed under the provisions of The Currency Act, 1910, for the purpose of ascertaining that the coins, of the currency of Canada, struck during the year 1914 at the Ottawa branch of the Royal Mint have been coined in accordance with the provisions of the Act.

The Minister reports that the findings referred to indicate that the coins, both as to weight and fineness, conform to the standards set up by that Act.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

OTTAWA, 6th May, 1915.

The Hon. W. T. WHITE,
Minister of Finance,
Ottawa.

SIR,—We have the honour to submit herewith the verdict of the Assay Commissioners for the trial of the Ottawa Pyx for the year 1914.

We have the honour to be, sir,
Your obedient servants,

(Sgd.) ALFRED STANSFIELD,
W. H. ELLIS,
WILLIAM NICOL.

VERDICT OF THE ASSAY COMMISSIONERS
AT THE TRIAL OF THE PYX, 1915.

We, whose names are hereunder written, having been sworn on the fourth day of May, one thousand nine hundred and fifteen, before His Honour, Judge D. B. MacTavish at the Royal Mint in the City of Ottawa, have made the assays and trials of His Majesty's gold and silver coins in the Pyx of the Branch Mint at Ottawa, in the Dominion of Canada, which according to accounts of the Officers of the Mint, were coined at the said Branch Mint from the first day of January to the thirty-first day of December, one thousand nine hundred and fourteen, both days inclusive.

We ascertained that the coins in each packet produced to us corresponded as to number and denomination with the endorsement on the respective packets and with the account prepared by the Officers of the Mint.

We took two coins from each of such packets of gold coins amounting all together to twenty ten dollar

80570—2

pieces and two five dollar pieces ; we weighed each of the said coins separately for remedy and ascertained that they were within the remedy as to weight prescribed in the Schedule of The Currency Act, 1910. We found that the amount of variation from the standard of weight specified in the said Schedule to the said Act was minus one thousandth of an ounce (—'001 oz.) on the whole of such coins.

We then melted the said gold coins, so taken out and weighed, into an ingot, and assayed such ingot, comparing it with pure gold trial-plate produced by the Deputy Minister of Inland Revenue, so as to ascertain whether the metal was within the remedy as to fineness prescribed in the said Schedule to the said Act, and we found that the amount of variation thereof from the standard of fineness specified in the said Schedule to the said Act was plus two hundred thousandths (+ '00002) and that therefore the said metal was within the prescribed remedy as to fineness.

We weighed the residue of the said gold coins in bulk and we ascertained that they were within the remedy as to weight.

We then took from such residue four ten dollar pieces and two five dollar pieces and weighed and assayed them separately and we found that such ten dollar pieces weighed respectively :—the first 258·025 grains ; the second 257·885 grains ; the third 258·017 grains, and the fourth 257·995 grains ; and that such five dollar gold pieces weighed respectively :—the first 129·000 grains, and the second 129·010 grains.

We then assayed the said gold coins separately and we found the millesimal fineness of such ten dollar gold pieces to be :—The first 900·02, the second 899·86, the third 900·25, and the fourth 899·97 ; and the millesimal fineness of such five dollar gold pieces to be :—The first 899·97, and the second 900·00.

After the same manner we selected one coin from each packet of silver coins, amounting altogether to two fifty cent pieces, eleven twenty-five cent pieces, twelve ten cent pieces and seventeen five cent pieces.

We weighed each of the said silver coins separately for remedy and ascertained that they were within the remedy as to weight prescribed in the Schedule of The Currency Act, 1910. We found that the amount of variation from the standard of weight specified in the said Schedule of the said Act was nil.

We then melted the silver coins, so taken out and weighed, into an ingot, and assayed such ingot, comparing it with the pure silver trial-plate produced by the Deputy Minister of Inland Revenue, so as to ascertain whether the metal was within the remedy as to fineness prescribed in the said Schedule to the said Act ; and we found that the amount of variation thereof from the standard of fineness specified in the said Schedule to the said Act was minus three ten thousandths (—'0003) and that therefore the said metal was within the prescribed remedy as to fineness. We weighed the residue of the said silver coins in bulk and we ascertained that they were within the prescribed remedy as to weight.

We then took from such residue of silver coins two fifty cent pieces, two twenty-five cent pieces, one ten cent piece and one five cent piece, and weighed and assayed them separately, and we found that such fifty cent pieces weighed respectively :—the first 180·415 grains, and the second 180·330 grains ; and that such twenty-five cent pieces weighed respectively :—the first 89·880 grains, and the second 90·055 grains ; the ten cent piece weighed 36·030 grains, and the five cent piece weighed 17·915 grains.

We then assayed the said coins separately, and we found the millesimal fineness of such fifty cent pieces to be :—the first 924·0, and the second 924·1 ; and the millesimal fineness of such twenty-five cent pieces to be :—the first 924·0, and the second 925·3 ; and the millesimal fineness of the said ten cent piece to be 925·8, and the millesimal fineness of the five cent piece to be 923·5.

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 8th May, 1915, from the Minister of the Interior, submitting that, by Order in Council dated the 22nd March, 1915, authority was granted for the issuance of letters patent in favour of Mr. Archibald Walker, of Prince Albert, for the southwest quarter of Section 23, Township 46, Range 27, west of the 2nd Meridian, in exchange for the southeast quarter of Section 22, Township 47, Range 1, west of the 3rd Meridian, which is required for addition to the Pines Forest Reserve ;

The Minister states that a surrender of the last mentioned quarter section has been obtained and duly registered, and it has been found that this land was owned by Messrs. Archibald Walker and Robert Gillies, each having one-half undivided interest therein,—

The Minister, therefore, recommends that the Order in Council referred to, be so amended as to authorize the issuance of letters patent for the said southwest quarter of Section 23, Township 46, Range 27, west of the 2nd Meridian, in favour of Messrs. Archibald Walker and Robert Gillies.

WHEREAS section 7 of the Petroleum and Natural Gas Regulations approved by Order in Council of the 19th January, 1914, provides that locations situated in unsurveyed territory, on the margin of a river or lake, shall be located at right angles to the base line of such lake or river established or to be established by the Department of the Interior ; the frontage on the lake or river not to exceed one mile ;

WHEREAS a request has been received from the Government of the Province of Saskatchewan for the transfer to the said Province for a roadway, of a strip of land ten feet in width, immediately adjoining the entire south boundary of the south half of Section thirty-six, and of a strip of land ten feet in width immediately adjoining the entire north boundary of the north half of Section twenty-five, all in Township sixteen in Range 20, west of the 3rd Meridian ;

And whereas the land necessary for the said roadway is at the disposal of the Department of the Interior ;

And whereas this roadway is required to provide access to the Standing Rock Public School and may not be set aside in the ordinary way, under the provisions of sections 5 and 6 of chapter 100 of the Revised Statutes of Canada, 1906, as it is narrower than the regulation width,—

Therefore His Royal Highness the Governor General in Council is pleased to order and it is hereby ordered that the said strips of land, which contain together an area of 2.44 acres more or less, be transferred to His Majesty the King, in the right of the Province of Saskatchewan.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, dated 14th May, 1915, representing that Mrs. Annie E. McArthur was granted entry for the south half of Section 12, Township 5, Range 30, west of the 2nd Meridian, under South African Scrip Location, on the 31st of August, 1910 ;

The Minister states that Mrs. McArthur commenced the performance of her residence duties on the 15th of August, 1911, and continued until the 24th of December following; resumed residence on the 1st April, 1913, and remained until the 15th of October following, and again resumed residence on the 13th of April, 1914, where she remained until the 17th of July following, when she was forced to leave the land through illness ;

The Minister observes that Mrs. McArthur is about seventy-seven years of age and medical certificates, copies of which are submitted, indicate that it is highly improbable she will ever again be in a position to perform residence duties,—

Under the circumstances, the Minister recommends that the residence requirements of The Dominion Lands Act be dispensed with in connection with Mrs. McArthur's Scrip Location, above described, so that free patent may issue to her for the half-section upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

THE Committee of the Privy Council have had before them a report, dated 6th May, 1915, from the Minister of the Interior, stating that Mr. Joseph Cornell obtained homestead entry for the southeast quarter of Section 28, Township 19, Range 3, west of the 3rd Meridian on the 5th of June, 1911 ;

That information has been received that this homesteader performed the following residence :—

From the 1st of November, 1911, to the 1st of February, 1912, and six months residence in 1912. (Dates not given). From the 1st of September, 1913, to the 1st of June, 1914.

It has also been ascertained that he has made improvements upon his homestead consisting of

House.....	\$100 00
Well.....	31 00
18 acres broken and cropped.	

The Minister observes that evidence has been submitted to the Department of the Interior that this homesteader has lost both his hands owing to frost bite, and the result is that he is unable to complete the requisite residence duties on his homestead,—

The Minister recommends, in view of the foregoing, that further residence on the part of Mr. Cornell be dispensed with in accordance with the provisions of subsection 2, of section 20, chapter 20, 7-8 Edward VII., so that free patent may be issued to Mr. Cornell upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing and submit the same for approval.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a joint report, dated 2nd February, 1915, from the Acting Minister of Marine and Fisheries and the Acting Minister of Public Works, submitting that an Order in Council was passed on the 19th May, 1913, approving of the plan and description of a permanent harbour quay line in the Detroit River, opposite Ojibway, Ontario, beyond which breakwaters, wharves, piers and other structures should not thereafter be built ;

That the District Engineer of the Department of Public Works at Windsor subsequently reported that many peculiarities and discrepancies existed in the original land surveys of the whole district, and that there was, therefore, uncertainty with regard to the location of some of the lot lines to which the bearings and distances in the plan and description were referred and it was consequently decided to have a new survey made by an Ontario Land Surveyor well acquainted with the locality ;

That the new survey was made accordingly, and the plan and description based thereon show some slight differences from the plan and description approved by the Order in Council referred to, the harbour quay line remaining, however, practically the same as already established ;

That the Chief Engineer of the Department of Marine and Fisheries, and the Chief Engineer of the Department of Public Works have recommended that the plan and description according to the new survey be substituted for the plan and description attached to the Order in Council mentioned.

The Ministers, therefore, recommend that the Order in Council of the 19th May, 1913, be amended accordingly, and that the permanent harbour quay line in the Detroit River, opposite Ojibway, Ontario, beyond

which breakwaters, wharves, piers and other structures shall not in future be built, be established, as shown on the amended plan and set out in the amended description attached hereto.

The Committee submit the same for approval.

Section 16 A, of the Rules and Regulations for the Management and Working of the Dry Dock at Levis, Quebec, approved by Orders in Council of 30th July, 1908, 26th August, 1912, and 12th April, 1913, is hereby amended to read as follows, viz :—

16 A. For the use of the Dock the following charges will be made.

Gross Tonnage of Vessel.	For the First day of Docking.	For each subsequent day the Dock is occupied including the day the Vessel is Undocked.
For all vessels up to 1,000 tons.....	\$300	\$50 per day.
For all vessels, between 1,000 tons and 2,000 tons.....	\$350	4½ cents per ton.
For all vessels above 2,000 tons.....	\$400	4½ cents per ton up to 2,000 tons and 2 cents per ton on all tonnage above 2,000 tons.

When a vessel is docked solely for painting and scraping or change or repair to propeller only, the ordinary tariff will be suspended and a straight rate of \$50, for pumping out the dock and 5 cents per ton per day will be charged for a period not exceeding 4 days.

Small repairs to the ship's bottom not exceeding \$50, in value will be allowed under this clause.

Any misrepresentation as to the cost of such small repairs made in order to evade payment of charges which should be otherwise leviable, will render the ship or owner or agent of same liable to double the full tariff rates, as specified in this section 16A, page 7 of edition of the Regulations of 1913. When two or more vessels belonging to the same owner are docked together for painting and scraping or repair to propeller only, only \$50 will be charged for pumping out the dock, but each vessel will be charged \$50 per day should the tonnage of each at 5 cents per ton per day not amount to this sum. In all other respects section 19 will govern where applicable.

Should a vessel remain in dock beyond such period of 4 days or should repairs of any kind except as here-

in provided be made on the vessel, then the full rates provided by the tariff will be exacted including the charges for first day.

Cargoes will be charged at the same rate as tonnage, but no charge will be made for ballast, the Dock Master to be the judge. Coal will be classed as cargo.

In no case the charge for lying in dock to be less than \$50 per day during the season of navigation.

No charge for Sundays shall be made unless work be done upon the vessel.

[1017]
AT THE GOVERNMENT HOUSE AT OTTAWA
Thursday, the 6th day of May, 1915.
PRESENT :
HIS ROYAL HIGHNESS THE GOVERNOR
GENERAEL IN COUNCIL.

THE Committe of the Privy Council have had before
them a report, dated 19th April, 1915, from the
Minister of the Interior, submitting that, under the
provisions of The Volunteer Bounty Act, 1908, South
African Volunteer Bounty Land Certificate, No. 2424,
dated the 4th December, 1908, was issued to John
Gordon Davis, of Vancouver, British Columbia, in con-
nection with his service in South Africa, which certi-
ficate entitled him or his duly qualified substitute to
select and enter for as a homestead two adjoining
quarter sections of Dominion Lands available for
homestead entry and to obtain patent therefor upon
proving to the satisfaction of the Minister of the
Interior that he had perfected his entry and that he
had resided upon and cultivated the land so entered for
as provided by section 4 of The Volunteer Bounty Act,
1908;
The Minister further submits that the certificate in
question, endorsed under the provisions of The Volun-
teer Bounty Act, 1908, and ameuements thereto in
favour of Paul Boytinck, farmer, of Grouard, Alberta,
the duly qualified substitute of the said John Gordon
Davis was mailed as requested to Mr. Boytinck in care
of the Canadian Bank of Commerce at Grouard but
failing to arrive there until the 5th November, 1913,
Mr. Boytinck was unable to locate it upon land as the
time in which such certificates could be located
expired on the 31st October, 1913, and has not been
extended, nor can the certificate be redeemed for
\$500.00 as the time in which South African Volunteer
Bounty Land Certificate might be redeemed expired
on the 31st December, 1914,—
Under the circumstances and as, through no fault of
his own, Mr. Boytinck has sustained considerable loss in
connection with the certificate in question which he
never had an opportunity of locating as the time in
which it could be located upon land had expired before
the certificate came into his possession, the Minister is
of the opinion that Mr. Boytinck's case is deserving of
favourable consideration, and he therefore recommends
that upon the said Paul Boytinck returning certificate
No. 2424, above referred to, to the Department of the
Interior he be allowed to select and enter for as a
homestead two adjoining quarter-sections of available
Dominion Lands open for homestead entry subject to
the ordinary homestead duties, and to obtain patent
therefor upon proving to the satisfaction of the Minister
of the Interior that he has perfected his entry, and
performed the necessary duties as to residence on and
cultivation of the land so selected and entered for in
full satisfaction of any claim he may have had under
the said South African Volunteer Bounty Land Certi-
ficate No. 2424.
The Committee concur in the foregoing and submit
the same for approval.

Clerk of the Privy Council.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

[Extrait du deuxième Supplément de la *London Gazette* de vendredi, le 23 avril 1915.]

Lundi, 26 avril 1915.

AVIS AUX IMPORTATEURS ET EXPORTATEURS.

1. On attire l'attention des importateurs et des exportateurs sur les dispositions de la proclamation de Sa Majesté en date du 9 septembre relative au commerce avec l'ennemi. Par le paragraphe 5 (7) de la dite proclamation, toutes les personnes résidant, faisant affaires ou se trouvant dans les possessions de Sa Majesté sont prévenues "de ne fournir ni directement ni

indirectement à ou pour l'usage ou le bénéfice d'un pays ennemi ou d'un ennemi ou d'en obtenir des marchandises, effets ou articles quelconques, ni de fournir directement ou indirectement à ou pour l'usage ou le bénéfice de toute personne que ce soit ou d'en obtenir des marchandises, effets ou articles quelconques pour les transmettre à ou d'un pays ennemi ou d'un ennemi, ni trafiquer directement ou indirectement ou transporter des marchandises, effets ou articles quelconques destinés à ou venant d'un pays ennemi ou d'un ennemi." Il est en outre statué par le paragraphe 3 que l'expression "ennemi" dans la proclamation signifie "toute personne ou association de personnes d'une nationalité quelconque résidant ou faisant affaires en pays ennemi, mais ne comprend pas les personnes d'une nationalité ennemie qui ne résident ni ne font affaires en pays ennemi. Dans le cas de corps constitués en corporation, le caractère d'ennemi ne s'attache qu'à ceux de ces corps qui sont constitués en corporation en pays ennemi." Par la proclamation du 16 février 1915, les prohibitions dans la proclamation ci-dessus mentionnée du 9 septembre 1914, sont étendues de manière à s'appliquer au territoire occupé militairement de façon effective par un ennemi, comme elles s'appliquent à un pays ennemi.

2. Avis est donné par le présent que dans le but de prévenir toute infraction à la dite proclamation, les importateurs pourront être tenus de produire des certificats d'origine émis par les officiers consulaires de Sa Majesté et les exportateurs pourront être aussi tenus de faire des déclarations au sujet de la destination ultime de leurs marchandises.

3. Les déclarations au sujet de la destination ultime des marchandises exportées à tout endroit étranger en Europe ou dans la mer Méditerranée, excepté ceux qui sont situés en Russie et en France, doivent maintenant être faites en vue des dispositions de l'article 5 (1) de la loi dite "The Customs (War Powers) Act, 1915," aux percepteurs ou autres préposés aux douanes ou à l'accise qu'il appartiendra, en conformité des arrêtés relatifs aux douanes émis sous l'empire de l'article 139 de la loi dite "The Customs Consolidation Act, 1876," tel que prorogé par l'article 2 de la loi dite "The Customs (War Powers) Act." Il ne sera plus nécessaire, à l'avenir, de faire les déclarations statutaires qui étaient faites jusqu'ici devant des juges de paix ou des commissaires qui font prêter serment.

4. Pour le moment, il ne sera pas nécessaire de produire des certificats d'origine au sujet de l'importation des effets personnels et des meubles de ménage *bona fide* de personnes entrant en ce pays, de substances alimentaires, de bois de construction de tout genre (y compris des étais "pit-props"), carton-paille, pâte de bois mécanique, fleurs coupées, lin ou graine de lin, minerai de fer, granit, pavés en granit, pierre à pavage, margelles, ardoise, huile de foie de morue, glace, marbre, albâtre, terre de sienne, goudron, carbure de calcium ou cyanamide de calcium, ou au sujet de toute importation d'endroits autres que ceux situés en Norvège, en Suède, au Danemark, en Hollande, en Suisse et en Italie, ou au sujet de marchandises importées d'un pays allié par voie d'un pays neutre sur un connaissance d'entier parcours ou colis postal d'entier parcours, ou au sujet de marchandises d'origine ennemie importées sous permis. Les certificats dont il est fait mention doivent être faits selon la formule prescrite à l'annexe du présent avis.

5. Tous les articles, effets ou marchandises importées des endroits étrangers ci-dessus mentionnés, sauf tel que prévu au paragraphe 4, qui ne sont pas accompagnées de certificats d'origine, seront détenues par les Commissaires des douanes et de l'accise jusqu'à ce que les certificats requis soient produits. Les Commissaires, en ce cas, et à leur discrétion, peuvent cependant permettre la livraison de marchandises sur la garantie d'un dépôt ou d'une obligation pour la somme de trois fois la valeur des marchandises, dans le but d'obtenir la production des certificats nécessaires sous une période prescrite, pourvu qu'ils n'aient aucune raison de supposer que les marchandises proviennent d'un territoire ennemi.

6. Le présent avis entrera en vigueur à compter du 3 mai 1915.

Board of Trade,

26 avril 1915.

Il plaît à Son Altesse Royale le Gouverneur général, de l'avis du Conseil privé du Roi pour le Canada et en vertu des dispositions de l'article 45 de la *Loi des pêcheries*, 4-5 George V, chapitre 8, de décréter ce qui suit :—

Samedi, le 24e jour d'avril 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil Privé a été soumis un rapport du Ministre de l'Intérieur, daté le 17 avril 1915, représentant que la ville d'Indian Head a demandé la permission d'acquérir le droit de passage d'une conduite d'eau pour l'alimentation de la ville à travers le quart nord-est de la section 29, township 17, rang 13, et le quart nord-ouest de la section 11, township 18, rang 13, tous deux à l'ouest du 2e méridien ;

En ce qui concerne le quart nord-est de la section 29 ci-dessus mentionné, le Ministre a été avisé par le Département de la Justice que le Gouverneur en conseil a le pouvoir, sous l'empire de la *Loi de l'irrigation*, d'autoriser la concession par vente privée d'une partie quelconque d'une section scolaire qui peut être requise pour des fins d'irrigation, ou des fins domestiques, industrielles ou autres ;

Toutefois, en ce qui concerne le quart nord-ouest de la section 11 ci-dessus mentionnée, on ne croit pas opportun de vendre le terrain requis pour le passage de la conduite d'eau à la ville, ce quart de section ayant été mis en réserve durant le bon plaisir du Ministre pour les fins d'une pépinière en rapport avec la branche de sylviculture du Département de l'Intérieur ;

Il a été représenté au Ministre que si le terrain était vendu et le titre en était cédé à la ville, le Département de l'Intérieur n'aurait aucun contrôle sur le terrain compris dans le droit de passage et que des clôtures pourraient être érigées le long de ce terrain, empêchant ainsi l'accès d'une partie à l'autre de la pépinière ;

Dans ces circonstances, le Ministre est d'avis que ce qu'il y a de mieux à faire est d'accorder à la ville d'Indian-Head un permis d'occupation du terrain requis pour le passage de la conduite d'eau à travers le quart nord-ouest de la section 11, township 18, rang 13, à l'ouest du 2e méridien, à la condition expresse, toutefois, que les fonctionnaires du Département de l'Intérieur auront en tout temps libre accès à ce terrain et auront de plus le droit de construire et entretenir à travers les dits terrains les clôtures de bornes qui pourront être nécessaires en rapport avec la station de sylviculture située dans ce dit quart de section,—

Par conséquent, le Ministre demande l'autorisation d'accorder à la ville d'Indian-Head, aux conditions ci-dessus mentionnées, un permis d'occupation du terrain requis pour le passage d'une conduite d'eau à travers le quart nord-ouest de la section 11, township 18, rang 13, à l'ouest du 2e méridien, ainsi qu'indiqué sur le tracé ci-annexé, et de plus l'autorisation de vendre à la ville d'Indian-Head, au prix de \$7 l'acre, le terrain requis pour le passage de la dite conduite d'eau à travers le quart nord-est de la section 29, township 17, rang 13, à l'ouest du 2e méridien, comprenant 1.87 acres, plus ou moins, ainsi qu'indiqué sur le tracé ci-annexé, ce terrain ayant été évalué à \$7 l'acre par M. Evans, inspecteur des terres des écoles

Le comité soumet cette demande pour approbation.

Samedi, le 24e jour d'avril 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 avril 1915, représentant que le quart sud-ouest de la section 1, township 29, rang 32, à l'ouest du méridien principal, a été compris dans les terrains réservés aux établissements de Doukhobors par un arrêté en conseil du 7 décembre 1907, et que l'inspecteur des réserves des Doukhobors a fait rapport que ces terrains ne sont plus requis pour les fins auxquelles ils ont été mis en réserve ;

Le Ministre ajoute que les représentants légaux d'un certain Nicoli Khominoff, un Doukhobor, ont demandé

ce quart de section pour remplacer le homestead du dit Nicoli Khominoff dont l'inscription a été annulée à la suite de procédures en annulation instituées après la mort de l'inscrit, mais dont n'avait pas eu connaissance les représentants légaux avant l'annulation, et que faute de défense l'inscription a été annulée et le terrain cédé en homestead, conformément aux règlements, à celui qui avait demandé l'annulation. La conclusion d'un soigneux examen de la réclamation des représentants légaux est que l'inscription accordée au demandeur en annulation est légale et devrait demeurer valide, et que la réclamation des représentants légaux pourrait être réglée en leur concédant un autre quart de section, et en leur tenant compte en rapport avec cette dernière concession des conditions d'établissement remplies sur le premier homestead ;

Le Ministre est d'avis qu'il devrait être fait droit à cette réclamation, les représentants légaux ayant consenti à accepter le dit quart sud-ouest de la section 1 et à retirer toute prétention au premier homestead,—

Par conséquent, le Ministre recommande que le quart sud-ouest de la section 1, township 29, rang 32, à l'ouest du méridien principal, soit soustrait de la réserve des Doukhobors établie par arrêté en conseil du 7 décembre 1907 et qu'il soit concédé aux représentants légaux de Nicoli Khominoff en vertu du paragraphe (k) de l'article 76 de la *Loi des terres fédérales*.

Le comité soumet cette demande pour approbation.

ATTENDU que les règlements concernant les parcs fédéraux défendent la possession et le port d'armes non scellées dans les limites des parcs fédéraux, sauf par un garde-chasse dûment autorisé ;

Et attendu que le surintendant du parc des Montagnes-Rocheuses représente que certaines compagnies de commerce dans le dit parc ont offert en vente des armes non scellées et se sont opposées à ce que ces armes soient scellées par les gardiens du parc ;

Et attendu que le dit surintendant représente de plus que la prohibition de la vente des armes à feu dans le dit parc faciliterait la mise en vigueur des règlements concernant les armes à feu,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les dits règlements soient par ces présentes modifiés en y ajoutant l'article suivant :

71a. Personne dans les limites du parc ne s'engagera dans le trafic ou le commerce d'achat ou de vente de carabines, fusils, révolvers ou autres armes à feu.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil du 7 décembre 1907 certains terrains ont été mis en réserve durant le bon plaisir de Sa Majesté pour des établissements de Doukhobors ;

Et attendu que le Commissaire des Doukhobors a fait rapport que les terrains énumérés dans le tableau annexé ne sont plus requis pour les fins des établissements de Doukhobors, et que le Ministre recommande que les terrains énumérés dans le tableau annexé soient soustraits des réserves établies par le dit arrêté du 7 décembre 1907 et soient ouverts à l'inscription de homestead ;

Et attendu que les terrains énumérés dans le tableau annexé sont tributaires de la sous-agence des terres fédérales à Pelly, Saskatchewan, et que ceux qui habitent le district contigu à ces terres demandent depuis longtemps qu'elles soient ouvertes à l'inscription de home-

stead et qu'ils sont de beaucoup les plus nombreux de ceux qui désirent obtenir des inscriptions pour ces terrains ;

Et attendu que les requérants du district mentionne peuvent difficilement se rendre au bureau de l'agent local des terres fédérales à Yorkton, une distance de soixante ou soixante-dix milles, pour présenter leurs demandes,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les terres énumérées dans le tableau annexé soient par ces présentes soustraites de la réserve établie par le dit arrêté en conseil du 7 décembre 1907.

Il plaît de plus à Son Altesse Royale le Gouverneur général en conseil, sous l'empire du paragraphe (h) de l'article 76 de la *Loi des terres fédérales*, de nommer M. R. S. Dundas, sous-agent des terres fédérales à Pelly, Saskatchewan, agent local des terres fédérales pour le district comprenant les terrains énumérés dans le tableau annexé, ses devoirs étant de recevoir, après avis public dûment donné, les demandes d'inscription de homestead des requérants ayant droit de s'inscrire pour les terrains énumérés dans le tableau annexé, ainsi que d'accorder des inscriptions de homestead pour ces terrains conformément aux dispositions de la *Loi des terres fédérales* et des règlements établis en vertu de cette loi, ces fonctions de l'agent local devant prendre fin après que ces inscriptions auront été accordées ou quand le Ministre de l'Intérieur y mettra fin ; le bureau d'inscription sera à Pelly, Saskatchewan.

Jeudi, le 29^e jour d'avril 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du Ministre de la Milice et de la Défense, daté le 27 avril 1915, représentant qu'il n'est actuellement aucunement pourvu aux pensions des officiers et soldats des forces expéditionnaires canadiennes d'outre-mer ou leurs familles, et qu'il est désirable qu'il y soit pourvu immédiatement, —

Par conséquent, le Ministre recommande que les dispositions des articles 591 à 598 des Règlements de solde et d'allocations de la milice canadienne, ainsi que modifiées par un arrêté en conseil (C. P. n° 289) du 29 avril 1915, soient appliquées aux officiers et soldats des forces expéditionnaires canadiennes d'outre-mer et à leurs veuves, enfants, orphelins ou mères veuves au même degré que si les dits officiers et soldats étaient des officiers, sous-officiers à brevet, sous-officiers et soldats, respectivement, de la milice et étaient morts ou devenus invalides en service comme ces officiers, sous-officiers à brevet, sous-officiers et soldats de la milice.

Le Ministre recommande de plus que ces dispositions soient applicables à dater du 1^{er} jour de septembre 1914.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 28 avril 1915, représentant qu'il a été permis à M. John Macdonald Gibbs de localiser son srip de volontaire sud-africain sur la moitié nord de la section 36, township 55, rang 5, à l'ouest du 5^e méridien, le 11 avril 1911 ;

Il a été déclaré par un inspecteur de homesteads que M. Gibbs a rempli ses obligations de résidence pendant deux des périodes prescrites ;

M. Gibbs a fait des améliorations consistant en une maison, \$25, un mille et un quart de clôture, \$100, 24 acres de défoncement (21 acres en culture) et six acres de défrichement ;

Le Ministre soumet les copies annexées des certificats médicaux des docteurs W. H. Rennie et H. J. Hassard, tous deux de Portage-La-Prairie, Manitoba, déclarant que M. Gibbs souffre d'une dislocation partielle de l'épine dorsale, —

Dans les circonstances, le Ministre recommande qu'en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, M. Gibbs soit exempté de l'obligation de résidence en rapport avec son srip de volontaire sud-africain, couvrant la moitié nord de la section 36, township 55, rang 5, à l'ouest du 5^e méridien, afin que la patente gratuite de son srip de volontaire lui soit accordée dès qu'il aura été établi de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité soumet cette recommandation pour approbation.

La même exemption et le même mode de concession peuvent être autorisés en faveur des représentants légaux d'un inscrit qui meurt de blessures ou de maladie, ainsi que ci-dessus spécifié.

SAIRES DU HAVRE DE WINNIPEG
ET SAINT-BONIFACE.

Les Commissaires du Havre de Winnipeg et Saint-Boniface:—MM. J. H. Ashdown, Président, le lieutenant-colonel; H. N. Ruttan, les Echevins, G. R. Crowe et J. A. Marion, Commissaires, réunis en assemblée régulière, le seize décembre, 1914, ont adopté les Règlements suivants, Clauses 1 à 46, qui seront connus sous la désignation: "Règlements édictés par les Commissaires du Havre de Winnipeg et Saint-Boniface."

1. Les règlements antérieurs édictés jusqu'ici par les Commissaires du Havre de Winnipeg et Saint-Boniface, sont abrogés en totalité par les présents.

2. Dans les présents règlements, à moins que le contexte ne l'exige autrement:—

(a) "Havre" désigne le havre de Winnipeg et Saint-Boniface, tel que défini par l'Acte du Parlement de la Puissance du Canada intitulé "Loi constituant en corporation les Commissaires du Havre de Winnipeg et Saint-Boniface" qui a été adoptée au cours de la session du Parlement tenue dans la deuxième année du règne de Sa Majesté George V (1ère session du 12ème Parlement) et qui constitue le Chapitre 55.

(b) "Navire" désigne tout bateau, large, drague, élévateur-flottant, chaland ou petits bâtiments actionnés par la vapeur ou autrement, ayant plus de 40 pieds de longueur de tête en tête hors tout et 7 pieds de largeur minimum.

(c) "Commissaires" signifie les Commissaires du Havre de Winnipeg et Saint-Boniface.

(d) Le vocable "personne" tel qu'employé dans cette loi, marque le singulier ou le pluriel, et peut se rapporter à une personne quelconque, à une firme et à une corporation.

(e) Chaque fois qu'il est donné pouvoir à une personne, à un employé ou à un fonctionnaire de faire ou de faire faire ou d'empêcher quelque chose, tous les pouvoirs nécessaires pour mettre cette personne, cet employé ou ce fonctionnaire en état de faire ou de faire faire ou d'empêcher cette chose sont aussi censés lui être conférés.

(f) "Maître du Havre" désigne toute personne ou personnes adjointes au Maître du Havre.

(g) "Propriétaire" signifie tout propriétaire ou co-propriétaire.

(h) Chaque fois qu'il est prescrit qu'une chose "est" "faite" ou "doit être faite", l'obligation de l'accomplir est absolu; mais s'il est dit qu'une chose "peut" être faite, son accomplissement est facultatif.

(i) "Radeau" signifie tout radeau, crib ou poche de bois en grume, de construction ou de service de toutes sortes, et comprend les billes, le bois de construction ou de service renfermés dans une estacade ou à la remorque.

2. La procédure à suivre lors des assemblées de la Commission sera ou pourra être déterminée par les Commissaires.

3. Le Secrétaire-Trésorier, le Maître du Havre et tous les autres fonctionnaires relevant des Commissaires se guideront quant à leur devoirs d'après les ordres et instructions que, de temps en temps, les Commissaires pourront leur donner ou leur faire donner.

4. Nul ne doit de fait ou d'omission, s'opposer, nuire ou empêcher un employé des Commissaires d'exercer ses fonctions, alors qu'il accomplit son devoir, ni aider, encourager, engager ou commander à toute autre personne d'agir de la sorte.

5. Toute personne qu'un fonctionnaire aurait autorisée par écrit à agir en toutes matières ou de toute façon relevant de l'administration des Commissaires, doit, dès qu'elle en est requise par un des fonctionnaires à l'emploi des Commissaires, exhiber à ce dernier l'autorisation écrite susmentionnée qui lui a été délivrée.

6. L'agent, le consignataire ou la personne en charge d'un navire entrant dans le havre, doit avant de rompre son chargement, délivrer ou faire délivrer sans délai au bureau du maître du havre, un rapport écrit fidèle et exact, signé et certifié par lui-même de l'arrivée de son navire, de son tonnage et de son tirant d'eau; ce rapport doit également contenir la description du gréement dudit navire et le nom du patron ou capitaine; il est, en outre, tenu de régler à la personne autorisée par la résolution émanant des Commissaires, les droits dus par ledit navire et sa cargaison.

7. Le maître du havre, tenant compte des intérêts des marins, du mouvement des navires dans les eaux du havre et dans les eaux voisines du havre, et tenant aussi compte de ce qu'ils ont à faire dans le havre, doit assigner à chaque navire l'endroit où il doit s'amarrer, mouiller ou accoster à l'un quelconque des quais ou môles appartenant aux Commissaires du havre, et il doit voir aussi à faire virer convenablement tout navire qui s'approche des dits quais ou môles, les quitte ou vient s'y ranger à son poste d'amarrage. Il exercera les mêmes pouvoirs en ce qui concerne l'amarrage et le mouillage des dits navires devant s'amarrer ou accoster à tout quai ou môle du havre qui constitue une propriété privée, et il doit voir aussi à faire virer convenablement tout navire qui s'approche du dit quai ou môle, qui le quitte ou vient se ranger à son poste d'amarrage, et ce à son avis afin de servir le mieux possible les intérêts de quiconque a affaire dans les eaux du havre ou dans celles qui l'avoisinent, ou pour toutes autres fins ci-après dans le havre.

8. Le maître du havre donnera les instructions nécessaires quant au mouillage ou à l'ancrage de tout navire devant séjourner un certain laps de temps dans le havre.

9. Le maître du havre, en vertu des pouvoirs qui lui sont conférés par ce règlement, est autorisé à déplacer un navire d'un endroit à l'autre dans le havre lorsqu'il le juge nécessaire dans l'intérêt de quiconque a affaire dans le havre ou dans son voisinage immédiat; au cas où quelqu'un se trouvant à bord du navire refuserait ou négligerait de se conformer aux instructions du maître du havre quant aux ordres donnés par ce dernier en vertu du présent règlement et ayant trait au déplacement du dit navire, le maître du havre pourra prendre possession du navire et le déplacer et pour ce faire employer tous moyens raisonnables qu'il jugera à propos et même la force, si nécessaire, pour l'amarrage ou l'ancrage du dit navire à tel endroit qu'il le jugera à propos, tous frais et risques résultant de cette manœuvre devant être supportés par le navire et son armateur.

10. Au cas où le navire visé dans le règlement précédent et ayant reçu du maître du havre l'ordre de se déplacer, aurait à accoster près d'un autre navire ou d'autres navires et de s'y amarrer, la loi autorise les officiers et l'équipage du navire se trouvant le plus éloigné du quai et quiconque a affaire à ce navire en chargement ou déchargement de manœuvrer ou de tra-

vailler par dessus le pont du navire ou des navires se trouvant entre le quai et le navire le plus éloigné de ce quai, sans que ni les officiers ni l'équipage du ou des navires intermédiaires puissent obstruer ou empêcher les manœuvres du navire extérieur, pourvu toutefois que ces manœuvres ne nuisent pas aux navires intermédiaires ni n'empêchent leur propre manœuvre.

11. La personne ayant charge de tout navire à quai dans le havre doit, depuis une demi-heure après le coucher du soleil jusqu'à une demi-heure après son lever, exhiber à la proue et à la poupe du dit navire un feu blanc situé au maximum à six pieds au-dessus du pont ou de la pontée, s'il y en a une, et visible de tous côtés.

12. Tout navire chargeant ou déchargeant sa cargaison soit sur un quai, soit dans une allée ou tout autre bâtiment, doit être muni d'une forte toile tendue, destinée à empêcher qu'aucune partie de la cargaison ne tombe à l'eau.

13. Nul ne doit abandonner, brûler ou démolir un navire dans le havre sans en avoir au préalable obtenu le consentement par écrit du maître du havre.

14. Tout navire qui rancontre sur sa route dans le havre des estacades en remorques, de petits navires ou des embarcations non pontées, ne doit pas marcher à une vitesse qui pourrait compromettre la sécurité de la navigation, et cette vitesse sera déterminée de façon définitive et sans appel par le maître du havre.

15. Tout navire doit naviguer dans le havre avec précaution en vue d'assurer la sauvegarde de la vie humaine et de la propriété, et faire en sorte lorsqu'il vire de ne pas endommager, avarier ou abîmer les biens d'autrui se trouvant dans les eaux du havre ou sur ses bords ; en cette matière, la décision du maître du havre sera définitive et sans appel.

16. Sauf dans le cas où les Commissaires en décideraient autrement par écrit, la vitesse de tout navire dans le havre ne doit pas excéder 7 milles à l'heure.

17. Tout navire doit être muni des feux réglementaires et se conformer au règlement pour la prévention des abordages en vigueur dans toutes les eaux navigables du Canada, ou dans celles tombant sous la juridiction du Parlement Canadien, tel que publié par le Ministère de la Marine et des Pêcheries, conformément aux dispositions de la Partie XIV de la *Loi de la Marine Marchande*, chapitre 113 des Statuts Révisés du Canada, 1906.

18. Le patron, le capitaine ou la personne ayant charge d'un navire dans un havre est responsable des manœuvres et autres agissements de son navire et si le patron, le capitaine ou la personne en ayant charge ou un membre quelconque de son équipage se trouvant à bord du dit navire dans les eaux du havre, est ou sont en état d'ébriété, il ou ils violeront les dispositions de ce règlement et est ou sont passibles de la pénalité prévue au règlement n° 43.

19. La personne ayant charge d'un navire à bord duquel on entretient du feu pendant la nuit, doit le faire surveiller. Au cas où aucun gardien ne serait préposé à la garde du feu ou serait trouvé endormi pendant qu'il est de garde, la personne ayant charge dudit navire sera passible de la pénalité imposée par le règlement n° 43.

20. Les navires amarrés aux quais ou mouillés par rangées dans le havre disposeront de leurs embarcations, gréements et ancres de façon à ne point endommager les autres navires. Nul navire dans le havre ne doit se servir d'un cable de remorque, d'une haussière ou de tout autre dispositif pour s'amarrer soit à un quai soit à la rive lorsqu'il veut faire du halage pour accoster ou pour appareiller si, au préalable, il n'a obtenu du maître du havre la permission de se servir, dans ces conditions, de ces sortes d'amarres.

21. On doit, en tout temps, maintenir libre un chenal navigable dans le havre.

22. Tout navire dans le havre doit porter visiblement et exactement inscrit sur sa proue et sa poupe une échelle de tirant d'eau ; le nom du bâtiment doit être peint sur sa proue et sa poupe de façon à être facilement vu du quai ; le tonnage du dit navire doit être gravé sur la face du barrot situé du côté de la poupe sous le panneau principal, en lettres d'au moins quatre pouces de hauteur pouvant être lu du dock ou du quai.

23. Tout navire échoué dans les limites du havre doit montrer la nuit trois feux blancs, placés horizontalement du côté ou passent les autres navires.

24. Le maître du havre désignera l'emplacement que doit occuper dans le havre chaque radeau ou estacade de billes qui, à partir de la réouverture de la navigation jusqu'à sa fermeture et du coucher au lever du soleil, doit exhiber, à chacun de ses angles, un feu blanc brillant, à une hauteur maximum de six pieds, et qui sera visible sur tout l'horizon.

25. Nulle estacade de billes dans le havre ne doit dépasser quatre cents pieds de longueur.

26. Les quais et autres dispositifs d'aménagement du havre et tous autres ouvrages en cours de construction doivent être marqués de jour par des balises et par des feux la nuit. Les épaves et les navires coulés dans le havre et qui, pour des raisons de sécurité, exigent le mouillage d'une ou de plusieurs ancres, seront indiquées de la même façon, mais chaque ancre mouillée devra être signalée par une bouée-tonne, dite tonne de navire, d'une contenance d'au moins trente gallons. Les quais et constructions de tous genres, se trouvant en mauvais état et que l'eau recouvre doivent, en tout temps, être indiqués par des balises de jour et par des feux la nuit, et les Commissaires peuvent exiger que les propriétaires des dits quais ou constructions endommagées les réparent, les exhausent au-dessus du niveau des hautes eaux, à défaut de quoi les Commissaires peuvent, si leurs ordres n'ont pas été obéis dans un délai raisonnable, faire enlever les dits quais ou constructions afin d'assurer la sécurité de la navigation.

27. Nul ne peut faire de constructions quelconques sur la glace dans le havre, ou y établir des pistes de courses pour chevaux ou des patinoirs sans avoir au préalable obtenu la permission écrite des Commissaires qui en détermineront les emplacements et l'étendue. Il sera perçu la somme de \$10 pour chaque permis d'établir sur la glace soit une construction, soit une piste de course ou un patinoir, dans un but de gain.

28. Quiconque s'occupe de la décharge des égouts dans les eaux du havre ou est responsable de cette décharge ainsi que de celles pouvant être produites par une machine à vapeur ou par de l'eau doit établir une clôture convenable sur la glace contenue, autour de telles décharges, et ce à la satisfaction des Commissaires qui, en tout temps, pourront exiger que la dite clôture soit agrandie selon les besoins, ou modifiée quant à son mode de construction.

29. Quiconque se baigne dans les limites du havre doit porter un costume de bain couvrant le corps à partir du cou jusqu'aux genoux ; pour les garçonnetts âgés de moins de quatorze ans un caleçon de bain est jugé suffisant.

30. Les navires de tous genres et les embarcations et canots doivent, lorsqu'ils sont dans le havre, être munis des gilets de sauvetage et des appareils d'incendie prévus par les dispositions de la *Loi de la Marine Marchandes du Canada*, telle qu'amendée.

31. Toute embarcation à rames ou canot doit contenir au moins une ceinture de sauvetage, une couronne de sauvetage ou une ceinture de liège de flottabilité égale, de type approuvé par le maître du havre, mais la dite ceinture ne sera retenue ni par des courroies ni attachée d'aucune façon à l'embarcation.

32. A moins que les Commissaires n'en décident autrement par écrit, la vitesse de tout bateau ou canot actionné par un moteur et se trouvant dans le havre ne doit pas dépasser 10 milles à l'heure.

33. A partir de la date de l'entrée en vigueur du présent règlement nul navire, bateau ou canot actionné par un moteur ne pourra naviguer dans le havre avant d'avoir été inscrit par son propriétaire sur le registre du maître du havre ; une fois que le navire, bateau ou canot aura été enregistré, un permis sera délivré par les Commissaires ou leurs subordonnés dûment nommés à cette fin, au propriétaire du dit navire, bateau ou canot contre le paiement de la somme de \$2.00 ; la dite somme devant couvrir le coût de deux plaques numérotées destinées à être fixées par le propriétaire, tel qu'exigé par le maître du havre, de chaque côté de la proue dudit navire, bateau ou canot, au-dessus de la ligne de flottaison.

34. Un permis n'est valable que durant la saison pour laquelle il est accordé ; les Commissaires pourront

en opérer le retrait ou la suspension en tout temps à la suite de la transgression d'un ou de plusieurs règlements édictés par eux.

35. Tout bateau ou canot actionné par un moteur doit être muni d'un sifflet ou d'une sirène convenable et ne doit jamais naviguer de façon à nuire ou à mettre en danger la vie des personnes à bord d'embarcations ou de canots à rames ; ils doivent exhiber, après le coucher du soleil, les feux prévus par le "Règlement pour la prévention des abordages" adopté et promulgué par le Ministère de la Marine et des Pêcheries du Canada ; ils doivent, en outre, faire usage, lorsqu'ils se croisent, des signaux stipulés dans le susdit règlement.

36. Les Commissaires du Havre de Winnipeg et Saint-Boniface qui, en vertu des présents règlements, sont autorisés à veiller à la sécurité de la navigation dans le havre de Winnipeg et Saint-Boniface, peuvent user des moyens qu'ils jugeront expédients ou autoriser ceux qui sont sous leur direction à employer les moyens qu'ils jugeront convenables pour prévenir ou enlever tout objet faisant obstacle à la navigation dans ledit havre ; ils peuvent, en outre, contraindre les propriétaires, agents ou personnes ayant causé lesdits obstacles à en affectuer l'enlèvement. Toute personne négligeant de se conformer auxdites instructions violeront ce règlement.

37. Nul ne doit ériger, construire ou mettre en place un appontement, un quai, un pont, un hangar, un chantier, un abri à chaloupes ou un bâtiment quelconque dans les limites du havre s'il n'en a au préalable soumis les plans en duplicata aux Commissaires, plans qui montreront en détail l'emplacement et les caractéristiques de la construction des dits appontement, quai, pont, hangar, chantier, abri à chaloupes ou bâtiment quelconque ; l'établissement des dits dispositifs ne pourra non plus être réalisé tant que les Commissaires n'auront pas approuvé les plans susdits par une résolution et donné au requérant ou requérants la permission d'établir, de construire ou de mettre en place, l'appontement, le quai, le pont, le hangar, le chantier, l'abri à chaloupes ou le bâtiment quelconque en question ; non plus qu'on ne pourra procéder à aucuns travaux devant être approuvés ou autorisés conformément aux dispositions de l'Acte de la *Protection des Eaux Navigables*, Statuts Révisés du Canada, 1906, chapitre 115 ou l'un quelconque de ses amendements, à moins que les dits travaux n'aient été approuvés ou autorisés.

38. Il est défendu de jeter ou de déverser du lest, de la pierre, du gravier, de la terre, du charbon, du coke, des cendres, des escarbilles, de la paille, du foin, du grain, de la sciure de bois, de la paille hachée ou des déchets ou saletés quelconques soit dans les eaux du havre, soit sur la glace ou sur le rivage ; il est également défendu de déverser, de jeter ou de drainer dans les eaux du havre, sur la glace ou sur le rivage, de l'huile, de la graisse, de la poix, du goudron ou toute autre substance de ce genre.

39. Nul, sauf dans le cas d'une permission spéciale donnée par les Commissaires, ne doit se permettre de placer des obstacles dans l'eau, sur la glace ou sur le rivage du havre, ou nuire à la navigation de quelque façon que ce soit.

40. Il est interdit, sauf avec l'autorisation écrite des Commissaires, de se servir de dynamite ou de tout autre explosif dans le but de faire sauter la glace ou de détruire les objets formant obstacle à la navigation dans le havre.

41. Nul ne peut couper de la glace ou faire des trous dans la surface de la glace comprise dans les limites du havre, sauf aux endroits indiqués par les Commissaires ; nul ne doit enlever, détruire ou endommager les piquets ou autres marques indiquant les limites où il est permis de faire la coupe de la glace ou de décharger de la neige ou de la glace, ni enlever, détruire ou endommager les piquets ou autres marques plantées ou à planter sur la glace par l'ordre des Commissaires.

42. Nul ne se débarrassera de la neige ou de la glace en les jetant dans le havre s'il n'y a été autorisé par les Commissaires.

43. Quiconque enfreint les dispositions de l'un quelconque de ces règlements est passible d'une amende de \$50 au maximum et à défaut du paiement de l'amende et des frais de son procès sera emprisonné durant un laps de temps n'excédant pas trente jours. Quiconque

ayant ainsi été condamné à de la prison pourra être élargi dès qu'il aura payé l'amende à lui imposée et les frais du procès qu'il aura subi.

Droits de havre.

44. A dater de l'entrée en vigueur de ce règlement, toutes marchandises débarquées, expédiées ou ré-expédiées dans le havre, seront frappées de droits de havre ainsi qu'il suit :

Pour les fins de ce règlement le tonneau de poids est fixé à 2,000 livres, correspondant à un tonneau d'encombrement de 40 pieds cubes ; selon la nature des marchandises on emploiera soit le tonneau de poids, soit le tonneau d'encombrement.

45. La taxe minimum sur toute expédition de marchandises sera de 10 cents, sauf pour les colis mesurant 5 pieds cubes et pesant moins de 100 livres sur lesquels on percevra la taxe minimum de 5 cents.

46. L'agent ou le propriétaire de tout navire en chargement ou en déchargement dans le havre et pour la cargaison duquel on doit payer des droits de havre, doit, dans les quatre jours qui suivront le chargement ou le déchargement du dit navire, déposer au bureau du maître du havre une copie du manifeste du navire et effectuer en même temps le règlement des droits de havre dus sur les marchandises déchargées ou chargées à bord de ce navire.

A la recommandation du Ministre du Revenu de l'Intérieur le comité du Conseil privé recommande que l'autorisation soit accordée de permettre la fabrication, sous l'empire de tels règlements que le Département du Revenu de l'Intérieur peut juger nécessaires dans chaque cas particulier, du malt, en entrepôt, pour la production des extraits de malt dans lesquels le malt est tellement dénaturé ou son principe diastasique altéré qu'il est devenu impropre à la fabrication de la bière ou des spiritueux.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 avril 1915, représentant que sous l'empire des dispositions de la *Loi récompensant certains volontaires, 1908*, un certificat de concession d'un des terrains octroyés aux volontaires du Sud-Africain, certificat portant le n° 2424 et daté le 4 décembre 1908, a été délivré à John Gordon Davis, de Vancouver, Colombie-Britannique, en récompense de ses services dans le Sud-Africain. A Davis ou à son substitut dûment qualifié ce certificat donnait droit de choisir et d'inscrire comme homestead deux quarts de section contigus de terres fédérales disponibles pour l'inscription de homestead, et d'en obtenir la patente dès qu'il aurait prouvé à la satisfaction du Ministre de l'Intérieur qu'il était dûment inscrit et qu'il avait résidé sur ce terrain et l'avait cultivé ainsi que prescrit par l'article 4 de la *Loi récompensant certains volontaires, 1908* ;

Le Ministre ajoute que le certificat en question, endossé conformément aux dispositions de la *Loi récompensant certains volontaires, 1908*, et ses amendements, en faveur de Paul Boytinck, cultivateur, de Grouard, Alberta, substitut dûment qualifié du dit John Gordon Davis, a été adressé, ainsi que demandé, à la Canadian Bank of Commerce de Grouard ; mais comme le certificat n'y est parvenu que le 5 novembre 1913, il a été impossible à M. Boytinck de choisir son terrain, car le délai fixé par le certificat expirait le 31 octobre 1913, et n'a pas été prolongé. Le certificat ne peut non plus être racheté pour \$500, car le délai dans lequel pouvaient être rachetés les certificats de concession aux volontaires du Sud-Africain est expiré le 31 décembre 1914,—

Dans les circonstances, et vu que sans qu'il y ait de sa faute M. Boytinck a subi un dommage considérable en rapport avec le certificat en question dont il n'a pu se prévaloir parce que le délai dans lequel il pouvait choisir son terrain était expiré avant qu'il ait le certificat en sa possession, le Ministre est d'avis que le cas de M. Boytinck doit être favorablement considéré et, par conséquent, il recommande que lorsque le dit Paul Boytinck aura remis au département de l'Intérieur le certificat n° 2424 ci-dessus mentionné, il lui soit permis de choisir et d'inscrire comme homestead deux quarts de section contigus de terres fédérales ouvertes à l'inscription de homestead, subordonnement aux obligations ordinaires de homestead, et d'en obtenir la patente dès qu'il aura prouvé à la satisfaction du Ministre de l'Intérieur qu'il s'est dûment inscrit et s'est acquitté des obligations de résidence et de culture sur le terrain ainsi choisi, en plein acquit de toute réclamation qu'il peut avoir en vertu du dit certificat n° 2424.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre des Finances, daté le 17 mai 1915, transmettant le verdict des commissaires nommés sous l'empire des dispositions du *Currency Act, 1910*, dans le but de constater que les pièces de la monnaie du Canada frappées au cours de l'année 1914 à la succursale d'Ottawa de la Monnaie royale l'ont été conformément aux dispositions de la loi.

Le Ministre fait rapport que ce verdict indique que ces pièces, quant au poids et au titre de fin, sont conformes aux étalons établis par cette loi.

Le comité soumet ce rapport pour approbation.

RODOLPHE BOUDREAU,
Greffier du conseil privé.

OTTAWA, 6 mai 1915.

A l'honorable W. T. WHITE,
Ministre des Finances,
Ottawa.

MONSIEUR,—Nous avons l'honneur de vous transmettre ci-joint le verdict des Commissaires Essayeurs sur l'épreuve de la boîte d'essai de la Monnaie (Pyx) d'Ottawa, pour l'année 1914.

Nous avons l'honneur d'être, Monsieur,
Vos obéissants serviteurs,

A. STANSFIELD,
W. H. ELLIS,
WILLIAM NICOL.VERDICT DES COMMISSAIRES ESSAYEURS
SUR L'ÉPREUVE DE LA BOÎTE D'ESSAI DE
LA MONNAIE (PYX) D'OTTAWA, 1915.

Nous, dont les noms sont écrits ci-dessous, ayant été assermentés le 4e jour de mai mil neuf cent quinze, par devant Son Honneur le juge D. B. MacTavish, à la Monnaie Royale, en la cité d'Ottawa, avons fait les essais et les épreuves des pièces d'or et d'argent de Sa Majesté dans la boîte d'essai de la Monnaie Succursale d'Ottawa, dans le Dominion du Canada, lesquelles, d'après les registres des officiers de la Monnaie, ont été frappées à la dite Monnaie Succursale du 1er jour de janvier au 31e jour de décembre mil neuf cent quatorze, ces deux jour inclus.

Nous avons constaté que les pièces dans chaque paquet qui nous a été soumis correspondaient, quant à la dénomination et au nombre, à la suscription sur chaque paquet et à l'état préparé par les fonctionnaires de la Monnaie. Nous primes deux pièces de chacun de ces paquets de pièces d'or, se montant en tout à vingt pièces de dix dollars et deux pièces de cinq dollars. Nous avons pesé chacune des dites pièces séparément et nous avons constaté qu'elles étaient dans la limite de tolérance du poids prescrite à l'annexe du *Currency Act, 1910*. Nous avons trouvé que le degré de variation d'avec le poids étalon spécifié à l'annexe du dit acte était de "moins" un millième d'un once (-.001) sur le total de ces pièces.

Nous avons ensuite fondu en un lingot les dites pièces d'or ainsi sorties et pesées et fait l'essai de ce lingot en le comparant avec la plaque d'or pur fournie par le Sous Ministre du Revenu de l'Intérieur afin de nous assurer que le métal était dans les limites du degré de tolérance prescrit pour le titre de fin dans l'annexe du dit acte, et nous avons trouvé que la variation d'avec l'étalon de fin spécifié dans la dite annexe du dit acte était "plus" seize cent millièmes (+.00002) et que, par conséquent, le dit métal était dans le degré de tolérance prescrit pour le titre de fin.

Par la pesée du résidu des dites pièces d'or en bloc nous avons constaté qu'elles étaient dans les limites de tolérance quant au poids.

Nous primes ensuite de ce résidu quatre pièces de dix dollars et deux pièces de cinq dollars, et après les avoir essayées et pesées séparément nous avons trouvé que ces pièces de dix dollars pesaient respectivement :—la première 258.025 grains ; la seconde 257.885 grains ; la troisième 258.017 grains, et la quatrième 257.995 grains, et que ces pièces de cinq dollars pesaient respectivement :—la première 129.000 grains ; la seconde 129.010 grains.

Nous avons ensuite essayé séparément les dites pièces et avons trouvé que le titre de fin millésime de ces pièces d'or de dix dollars était : pour la première 900.02 ; la seconde 899.86 ; et pour la troisième 900.25 ; et pour la quatrième 899.97, et que le titre de fin millésime de ces pièces d'or de cinq dollars était : pour la première 899.97 ; la seconde 900.00.

De la même manière nous avons choisi une pièce de chacun des paquets de pièces d'argent, se montant en tout à deux pièces de cinquante cents, onze pièces de vingt-cinq cents, douze pièces de dix cents et dix-sept pièces de cinq cents.

Nous avons pesé chacune des dites pièces d'argent séparément, et nous avons constaté qu'elles étaient dans la limite de tolérance du poids prescrit à l'annexe du *Currency Act, 1910*. Nous trouvâmes qu'il n'y avait aucune différence entre le poids étalon spécifié à l'annexe du dit acte et le poids total de ces pièces.

Nous avons alors fondu en un lingot les dites pièces d'argent ainsi sorties et pesées, et nous avons essayé ce lingot en le comparant avec la plaque d'essai d'argent pur fournie par le Sous-Ministre du Revenu de l'Intérieur, de façon à s'assurer si le métal était dans le degré de tolérance prescrit pour le titre de fin dans l'annexe du dit acte, et avons trouvé que le montant de variation d'avec l'étalon de fin spécifié dans la dite annexe du dit acte était "minus" trois dix-millièmes ($-.0003$), et, en conséquence, que le dit métal était dans le degré de tolérance prescrit pour le titre de fin.

En pesant le résidu des dites pièces d'argent en bloc, nous avons constaté qu'elles étaient dans les limites de tolérance quant au poids.

Nous prîmes ensuite de ce résidu deux pièces de cinquante cents, deux pièces de vingt-cinq cents, une pièce de dix cents, et une pièce de cinq cents, et après les avoir pesées et essayées séparément, nous avons trouvé que ces pièces de cinquante cents pesaient, respectivement, la première 180.415 grains, la seconde 180.330 grains, et ces pièces de vingt-cinq cents pesaient respectivement, la première 89.880 grains, la seconde 90.055 grains, et que la pièce de dix cents pesait 36.030 grains, et la pièce de cinq cents 17.915 grains.

Nous essayâmes ensuite les dites pièces séparément, et nous constatâmes que le titre de fin millésime de ces pièces de cinquante cents était, pour la première 924.0, la seconde 924.1, et que le titre de fin millésime de ces pièces de vingt-cinq cents était pour la première 924.0, la seconde 925.3, et que le titre de fin millésime de la pièce de dix cents était de 925.8, et que le titre de fin millésime de la pièce de cinq cents était de 923.5.

ATTENDU que le gouverneur de la province de la Saskatchewan a demandé le transport à cette province, pour les fins d'un chemin, d'une lisière de terrain de dix pieds de largeur sur toute la longueur de la borne sud de la moitié sud de la section 36, ainsi que d'une autre lisière de dix pieds de largeur sur toute la longueur de la borne nord de la moitié nord de la section 25, le tout situé dans le township 16, rang 20, à l'ouest du 3e méridien ;

Attendu que le Département de l'Intérieur peut disposer des terrains requis pour ce chemin ;

Et attendu que le dit chemin est requis pour donner accès à l'école dite "Standing Rock Public School" et ne pourrait probablement pas être réservé de la manière ordinaire en vertu des dispositions des articles 5 et 6, chapitre 100 des Statuts révisés du Canada, 1906, vu qu'il n'atteint pas la largeur réglementaire,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les lisières de terrain susdites, d'une superficie totale de 2.44 acres plus ou moins, soient transportées à Sa Majesté le Roi pour la province de la Saskatchewan.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 6 mai 1915, représentant que le 5 juin 1911 M. Joseph Cornell obtint l'inscription de homestead du quart sud-est de la section 28, township 18, rang 3, à l'ouest du 3e méridien ;

Il a été établi que cet inscrit a rempli les obligations de résidence suivantes :—

Du 1er novembre 1911 au 1er février 1912, plus six mois additionnels de résidence en 1912 (dates omises); puis du 1er septembre 1913 au 1er juin 1914.

Il a aussi été établi que cet inscrit a fait sur ce homestead les améliorations suivantes :—

Maison..... \$100 00
Puits..... 31 00
Terrain défoncé et ensemencé..... 18 acres

Le Ministre fait de plus observer qu'il a été démontré qu'une engelure a privé cet inscrit de l'usage de ses deux mains et qu'il lui est par conséquent impossible de compléter ses obligations de résidence,—

Vu ce qui précède le Ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20, chapitre 20, 7-8 Edouard VII, M. Cornell soit relevé de ce qui lui reste à accomplir d'obligations de résidence sur son homestead et que patente gratuite lui en soit délivrée dès qu'il aura été établi de la manière ordinaire que les autres conditions de la loi ont été remplies.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 8e jour de mai 1915, représentant qu'un arrêté en conseil du 22 mars 1915, autorisant la concession par lettres patentes du terrain compris dans le quart sud-ouest de la section 23, township 46, rang 27, à l'ouest du 2e méridien, à M. Archibald Walker, de Prince-Albert en retour du quart sud-ouest de la section 22, township 47, rang 1, à l'ouest du 3e méridien qui doit être ajouté à la réserve dite "Pines Forest Reserve";

Le Ministre ajoute que constatation a été faite du fait que messieurs Archibald Walker et Robert Gillies étaient propriétaires conjoints par moitié indivise de ce dernier quart de section dont ils ont exécuté un acte de transport dûment enregistré,—

Le Ministre recommande, par conséquent, que le dit arrêté en conseil soit modifié de manière à autoriser l'émission de lettres patentes du quart sud-ouest de la section 23, township 46, rang 27, à l'ouest du 2e méridien, à messieurs Archibald Walker et Robert Gillies.

AU comité du conseil privé a été soumis un rapport conjoint du Ministre suppléant de la Marine et des Pêcheries et du Ministre suppléant des Travaux Publics, daté le 2 février 1915, représentant que le 19

mai 1913 a été adopté un arrêté en conseil approuvant le plan et la description d'une ligne de havre permanente dans la rivière Détroit, vis-à-vis Ojibway, Ontario, au delà de laquelle ne devaient à l'avenir être érigés ni brise-lames, ni quais, jetées ou autres constructions ;

L'ingénieur de district du Département des Travaux publics, à Windsor, a subséquemment fait rapport qu'il existait plusieurs défauts dans l'arpentage des terrains de tout ce district et que, par conséquent, il y avait des doutes au sujet du tracé des lignes données dans le plan et la description, et qu'il fut pour cette raison décidé de faire exécuter un bornage par un arpenteur provincial connaissant bien cette localité ;

Ce nouveau bornage a été fait en conséquence, et il se trouve une légère différence entre le plan et la description de ce dernier arpentage et ceux qui ont été approuvés par l'arrêté en conseil ci-dessus mentionné, la ligne de havre, toutefois, demeurant pratiquement la même que celle qui avait déjà été établie ;

L'ingénieur en chef du Département de la Marine et des Pêcheries et l'ingénieur en chef du Département des Travaux Publics ont recommandé que le plan et la description basés sur le dernier arpentage soient substitués au plan et à la description annexés à l'arrêté en conseil ci-dessus mentionné, —

Par conséquent, les Ministres recommandent que l'arrêté en conseil du 19 mai 1913 soit modifié en conséquence et que soit établie dans la rivière Détroit, vis-à-vis Ojibway, Ontario, une ligne de havre permanente au delà de laquelle ne seront érigés à l'avenir ni brise-lames, ni quais, jetées ou autres constructions, ainsi qu'indiqué sur le plan et spécifié dans la description modifiée ci-annexée.

Le comité soumet cette recommandation pour approbation.

IL plaît à Son Altesse Royale le Gouverneur général en conseil de décréter ce qui suit :

L'article 16A des règles et règlements pour l'administration et le fonctionnement du bassin de radoub à Lévis, Québec, approuvés par des arrêtés en conseil du 30 juillet 1908, du 26 août 1912 et du 12 avril 1913, est par ces présentes modifié de manière à se lire comme suit, savoir :

16A. L'usage du bassin sera soumis au tarif ci-dessous, savoir :—

Tonnage brut du vaisseau.	Pour le premier jour dans le bassin.	Pour chaque jour en sus, y compris le jour de sortie.
	\$ c.	
Pour tous navires jusqu'à 1,000 tonneaux	300 00	\$50 par jour.
Pour tous navires de 1,000 à 2,000 tonn's	350 00	4½c. "
Pour tous navires au-dessus de 2,000 tonneaux.....	400 00	4½c. par tonneau jusqu'à 2,000 tonneaux, et 2c. par tonneau sur tout tonnage dépassant 2,000 tonneaux.

Lorsqu'un vaisseau est mis en bassin uniquement pour être peinturé et gratté, ou simplement changer ou réparer le propulseur, le tarif ordinaire sera suspendu et une taxe uniforme de \$50 pour la mise à sec du bas-

sin et de 5c. par tonne par jour sera imposé pour une période n'excédant pas quatre jours.

Sous l'empire du présent article seront permises des réparations à la coque du vaisseau quand le coût de ses réparations n'excède pas \$50.

Toute fausse représentation quant au coût de ces réparations dans le but de se soustraire au paiement des droits qui seraient autrement imposés rend l'armateur ou l'agent du vaisseau responsable du paiement du double du tarif, ainsi que spécifié dans cet article 16A, page 7 de l'édition de 1913 des règlements. Quand deux ou plus de deux vaisseaux appartenant au même propriétaire sont admis au bassin pour être peinturés et grattés ou pour des réparations au propulseur seul, il ne sera exigé que \$50 pour la mise à sec du bassin, mais la taxe sur chaque vaisseau sera de \$50 par jour si le tonnage de chacun à 5 cents la tonne par jour ne donne pas cette somme. Les dispositions de l'article 19 feront loi dans tous les autres cas.

Les cargaisons paieront au même taux que le tonnage, mais le lest ne sera pas compté ; le capitaine du bassin sera juge. La houille sera comptée comme cargaison.

La taxe de séjournement dans le bassin ne sera jamais moindre que \$50 par jour pendant la saison de navigation.

Il n'y aura aucun droit à payer pour le dimanche, à moins que le radoub du vaisseau ne se continue ce jour-là.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier

de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit".

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

NOTICE TO IMPORTERS AND EXPORTERS.

1. The attention of importers and exporters is directed to the provisions of His Majesty's Proclamation dated the 9th September, 1914, relating to trading with the enemy. By paragraph 5 (7) of this proclamation all persons resident, carrying on business, or being in His Majesty's Dominions are warned "not directly or indirectly to supply to or for the use or benefit of, or obtain from an enemy country or an enemy any goods, wares, or merchandise; nor directly or indirectly to supply to or for the use or benefit of, or obtain from any person any goods, wares or merchandise, for or by way of transmission to or from an enemy country or an enemy; nor directly or indirectly to trade in or carry any goods, wares, or merchandise destined for or coming from an enemy country or an enemy." It is further provided by paragraph 3 that the expression "enemy" in the proclamation means "any person or body of persons of whatever nationality resident or carrying on business in the enemy country, but does not include persons of enemy nationality who are neither resident nor carrying on business in the enemy country. In the case of incorporated bodies, enemy character attaches only to those incorporated in an enemy country." By the proclamation of 16th February, 1915, the prohibitions in the above-mentioned proclamation of 9th September, 1914, are extended so as to apply to territory in the effective military occupation of an enemy as they apply to an enemy country.

2. It is hereby notified that with a view to preventing breaches of this proclamation, importers may be required to produce certificates of origin issued by His Majesty's consular officers, and exporters to make declarations of the ultimate destination of their goods.

3. Declarations of the ultimate destination of goods exported to any foreign place in Europe or on the Mediterranean Sea, with the exception of those situated in Russia and France, are now, in view of the provisions of section 5 (1) of The Customs (War Powers) Act, 1915, required to be made to the collectors or other proper officers of Customs and Excise, in accordance with the Customs Order issued under section 139 of The Customs Consolidation Act, 1876, as extended by section 2 of The Customs (War Powers) Act. The statutory declarations hitherto made before justices of the peace or commissioners of oaths will no longer be required.

4. For the present certificates of origin will not be required in respect of imports of the *bonâ-fide* personal and household effects of persons entering this country, of foodstuffs, of timber of any kind (including pit-props), strawboard, mechanical wood pulp, cut flowers, flax or flax seed, iron ore, granite, granite setts for paving, paving stones, kerbstone, slatestone, cod liver oil, ice, marble, alabaster, sienna earth, tar, carbide of calcium or cyanamide of calcium, or in respect of any imports from places other than those situated in Norway, Sweden, Denmark, Holland, Switzerland, and Italy, or in respect of goods imported from an allied country by way of a neutral country on a through bill of lading or by through postal parcel, or in respect of goods of enemy origin imported under licence. The certificates referred to must be in the form prescribed by the schedule hereto.

5. Any goods, wares or merchandise imported from the above-mentioned foreign places, except as provided in paragraph 4, unaccompanied by certificates of origin will be detained by the Commissioners of Customs and Excise until the requisite certificates are produced. The commissioners are, however, authorized in such cases, and at their discretion, to allow delivery of the goods on the security of a deposit or of a bond to the amount of three times the value of the goods with a view to the production of the necessary certificates within a prescribed period, provided that they see no reason for suspecting that the goods emanate from enemy territory.

6. This notice will take effect as from the 3rd May, 1915.

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 10th May, 1915, from the Minister of the Interior, stating that by an Order in Council, dated the 11th March, 1910, regulations were established for the disposal of petroleum and natural gas rights, the property of the Crown, under and in accordance with the provisions of section 37 of The Dominion Lands Act ;

That in July, 1912, the available petroleum and natural gas rights, the property of the Crown, in Townships 12 and 13, Ranges 5 and 6, west of the 4th Initial Meridian, including and surrounding the City of Medicine Hat, were temporarily withdrawn from disposal under the provisions of these regulations ;

That the City of Medicine Hat, at whose instance these rights were withdrawn, represent that it is essential to the commercial prosperity of the city that the petroleum and natural gas rights already reserved should not be disposed of to, or diverted by outside interests; that these natural resources, within a reasonable radius surrounding the city, should be available for the development of the industries established, or to be established within the city ; and that the city, while not desiring to exploit such rights, should be given such control of them as might be necessary to prevent the same from being diverted to other centres of population, and to insure their conservation to the city for the extension and development of its several industries ;

That representations have been made to the Department of the Interior that the City of Medicine Hat has, at a very large expenditure, bored some eighteen wells within the limits of that city with a view to the discovery of natural gas ; that gas in commercial quantities has been discovered, which is being very fully utilized by and on behalf of the municipality ; and that these wells are capable of producing about 50,000,000 cubic feet of gas per day ;

That certain of the regulations for the disposal of mining rights, the property of the Crown, specifically exclude from their provisions lands lying within the limits of a city, town or village, and while such exclusion is not made in the Petroleum and Natural Gas Regulations it is not the practice of the Department of the Interior to grant leases of the petroleum and natural gas rights under lands which lie within the limits of any incorporated city, town or village ;

That as it appears to be in the public interest that the petroleum and natural gas rights, the property of the Crown, under lands immediately surrounding the City of Medicine Hat should be conserved for the use of the city itself, and as those petroleum and natural gas rights—the property of the Crown—which are within the limits of the city are not, in accordance with the practice of the Department of the Interior, available for lease, the Minister recommends that he be authorized to grant free of charge to the City of Medicine Hat such petroleum and natural gas rights within the present limits of that city as are the property of the Crown, also to withdraw for the present from disposal the available petroleum and natural gas rights under Townships 12 and 13, Range 5, and Township 12 and the easterly two tiers of sections in Township 13, Range 6, west of the 4th Initial Meridian, upon the following terms and conditions :

1. That the above grant and withdrawal of petroleum and natural gas rights, the property of the Crown, shall not apply to lands which have been set apart as school lands in accordance with the provisions of The Dominion Lands Act.

2. That the withdrawal from disposal under the provisions of the regulations of the available petroleum and natural gas rights under the lands described will not operate as an obstacle to the disposal by the Crown or other mining rights under these lands.

3. That the City of Medicine Hat be required to immediately obtain a lease, under and in accordance with the provisions of the regulations of each quarter section within the reserve, but lying outside the present limits of the City, upon which a well has been bored by or on behalf of the municipality with a view to the discovery of petroleum or natural gas.

4. That the City of Medicine Hat, before commencing, in the future, boring or other operations with a view to the discovery or development of petroleum or natural gas on any lands included in the above reservation lying outside the present boundaries of that city, shall apply for and obtain a lease of such rights in accordance with the provisions of the regulations in that behalf.

5. That the available petroleum and natural gas rights under a strip twenty chains wide, extending along the westerly side of the above reservation in Township 13, Range 6, west of the 4th Meridian, shall be established as a neutral zone, and that permission to bore for petroleum or natural gas upon such lands shall not, for the present, be granted.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

THE Committee of the Privy Council have had before them a report from the Minister of Finance, dated 17th May, 1915, transmitting herewith the findings of the Commissioners appointed under the provisions of The Currency Act, 1910, for the purpose of ascertaining that the coins, of the currency of Canada, struck during the year 1914 at the Ottawa branch of the Royal Mint have been coined in accordance with the provisions of the Act.

The Minister reports that the findings referred to indicate that the coins, both as to weight and fineness, conform to the standards set up by that Act.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

OTTAWA, 6th May, 1915.

The Hon. W. T. WHITE,
Minister of Finance,
Ottawa.

SIR,—We have the honour to submit herewith the verdict of the Assay Commissioners for the trial of the Ottawa Pyx for the year 1914.

We have the honour to be, sir,

Your obedient servants,

(Sgd.) ALFRED STANSFIELD,
W. H. ELLIS,
WILLIAM NICOL.

VERDICT OF THE ASSAY COMMISSIONERS
AT THE TRIAL OF THE PYX, 1915.

We, whose names are hereunder written, having been sworn on the fourth day of May, one thousand nine hundred and fifteen, before His Honour, Judge D. B. MacTavish at the Royal Mint in the City of Ottawa, have made the assays and trials of His Majesty's gold and silver coins in the Pyx of the Branch Mint at Ottawa, in the Dominion of Canada, which according to accounts of the Officers of the Mint, were coined at the said Branch Mint from the first day of January to the thirty-first day of December, one thousand nine hundred and fourteen, both days inclusive.

We ascertained that the coins in each packet produced to us corresponded as to number and denomination with the endorsement on the respective packets and with the account prepared by the Officers of the Mint.

We took two coins from each of such packets of gold coins amounting all together to twenty ten dollar

pieces and two five dollar pieces ; we weighed each of the said coins separately for remedy and ascertained that they were within the remedy as to weight prescribed in the Schedule of The Currency Act, 1910. We found that the amount of variation from the standard of weight specified in the said Schedule to the said Act was minus one thousandth of an ounce ($-.001$ oz.) on the whole of such coins.

We then melted the said gold coins, so taken out and weighed, into an ingot, and assayed such ingot, comparing it with pure gold trial-plate produced by the Deputy Minister of Inland Revenue, so as to ascertain whether the metal was within the remedy as to fineness perscribed in the said Schedule to the said Act, and we found that the amount of variation thereof from the standard of fineness specified in the said Schedule to the said Act was plus two hundred thousandths ($+.00002$) and that therefore the said metal was within the prescribed remedy as to fineness.

We weighed the residue of the said gold coins in bulk and we ascertained that they were within the remedy as to weight.

We then took from such residue four ten dollar pieces and two five dollar pieces and weighed and assayed them separately and we found that such ten dollar pieces weighed respectively :—the first 258.025 grains ; the second 257.885 grains ; the third 258.017 grains, and the fourth 257.995 grains ; and that such five dollar gold pieces weighed respectively :—the first 129.000 grains, and the second 129.010 grains.

We then assayed the said gold coins separately and we found the millesimal fineness of such ten dollar gold pieces to be :—The first 900.02, the second 899.86, the third 900.25, and the fourth 899.97 ; and the millesimal fineness of such five dollar gold pieces to be :—The first 899.97, and the second 900.00.

After the same manner we selected one coin from each packet of silver coins, amounting altogether to two fifty cent pieces, eleven twenty-five cent pieces, twelve ten cent pieces and seventeen five cent pieces.

We weighed each of the said silver coins separately for remedy and ascertained that they were within the remedy as to weight prescribed in the Schedule of The Currency Act, 1910. We found that the amount of variation from the standard of weight specified in the said Schedule of the said Act was nil.

We then melted the silver coins, so taken out and weighed, into an ingot, and assayed such ingot, comparing it with the pure silver trial-plate produced by the Deputy Minister of Inland Revenue, so as to ascertain whether the metal was within the remedy as to fineness prescribed in the said Schedule to the said Act ; and we found that the amount of variation thereof from the standard of fineness specified in the said Schedule to the said Act was minus three ten thousandths ($-.0003$) and that therefore the said metal was within the prescribed remedy as to fineness. We weighed the residue of the said silver coins in bulk and we ascertained that they were within the prescribed remedy as to weight.

We then took from such residue of silver coins two fifty cent pieces, two twenty-five cent pieces, one ten cent piece and one five cent piece, and weighed and assayed them separately, and we found that such fifty cent pieces weighed respectively :—the first 180.415 grains, and the second 180.330 grains ; and that such twenty-five cent pieces weighed respectively :—the first 89.880 grains, and the second 90.055 grains ; the ten cent piece weighed 36.030 grains, and the five cent piece weighed 17.915 grains.

We then assayed the said coins separately, and we found the millesimal fineness of such fifty cent pieces to be :—the first 924.0, and the second 924.1 ; and the millesimal fineness of such twenty-five cent pieces to be :—the first 924.0, and the second 925.3 ; and the millesimal fineness of the said ten cent piece to be 925.8, and the millesimal fineness of the five cent piece to be 923.5.

Dated at Ottawa the sixth day of May, A.D. one thousand nine hundred and fifteen.

THE Committee of the Privy Council have had before them a report, dated 8th May, 1915, from the Minister of the Interior, submitting that, by Order in Council dated the 22nd March, 1915, authority was granted for the issuance of letters patent in favour of Mr. Archibald Walker, of Prince Albert, for the southwest quarter of Section 23, Township 46, Range 27, west of the 2nd Meridian, in exchange for the southeast quarter of Section 22, Township 47, Range 1, west of the 3rd Meridian, which is required for addition to the Pines Forest Reserve ;

The Minister states that a surrender of the last mentioned quarter section has been obtained and duly registered, and it has been found that this land was owned by Messrs. Archibald Walker and Robert Gillies, each having one-half undivided interest therein,—

The Minister, therefore, recommends that the Order in Council referred to, be so amended as to authorize the issuance of letters patent for the said southwest quarter of Section 23, Township 46, Range 27, west of the 2nd Meridian, in favour of Messrs. Archibald Walker and Robert Gillies.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, dated 14th May, 1915, representing that Mrs. Annie E. McArthur was granted entry for the south half of Section 12, Township 5, Range 30, west of the 2nd Meridian, under South African Scrip Location, on the 31st of August, 1910 ;

The Minister states that Mrs. McArthur commenced the performance of her residence duties on the 15th of August, 1911, and continued until the 24th of December following ; resumed residence on the 1st April, 1913, and remained until the 15th of October following, and again resumed residence on the 13th of April, 1914, where she remained until the 17th of July following, when she was forced to leave the land through illness ;

The Minister observes that Mrs. McArthur is about seventy-seven years of age and medical certificates, copies of which are submitted, indicate that it is highly improbable she will ever again be in a position to perform residence duties,—

Under the circumstances, the Minister recommends that the residence requirements of The Dominion Lands Act be dispensed with in connection with Mrs. McArthur's Scrip Location, above described, so that free patent may issue to her for the half-section upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

THE Committee of the Privy Council have had before them a report, dated 6th May, 1915, from the Minister of the Interior, stating that Mr. Joseph Cornell obtained homestead entry for the southeast quarter of Section 28, Township 19, Range 3, west of the 3rd Meridian on the 5th of June, 1911 ;

That information has been received that this homesteader performed the following residence :—

From the 1st of November, 1911, to the 1st of February, 1912, and six months residence in 1912. (Dates not given). From the 1st of September, 1913, to the 1st of June, 1914.

It has also been ascertained that he has made improvements upon his homestead consisting of

House.....	\$100 00
Well.....	31 00
18 acres broken and cropped.	

The Minister observes that evidence has been submitted to the Department of the Interior that this homesteader has lost both his hands owing to frost bite, and the result is that he is unable to complete the requisite residence duties on his homestead,—

The Minister recommends, in view of the foregoing, that further residence on the part of Mr. Cornell be dispensed with in accordance with the provisions of subsection 2, of section 20, chapter 20, 7-8 Edward VII., so that free patent may be issued to Mr. Cornell upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

THE Committee of the Privy Council have had before them a joint report, dated 2nd February, 1915, from the Acting Minister of Marine and Fisheries and the Acting Minister of Public Works, submitting that an Order in Council was passed on the 19th May, 1913, approving of the plan and description of a permanent harbour quay line in the Detroit River, opposite Ojibway, Ontario, beyond which breakwaters, wharves, piers and other structures should not thereafter be built ;

That the District Engineer of the Department of Public Works at Windsor subsequently reported that many peculiarities and discrepancies existed in the original land surveys of the whole district, and that there was, therefore, uncertainty with regard to the location of some of the lot lines to which the bearings and distances in the plan and description were referred and it was consequently decided to have a new survey made by an Ontario Land Surveyor well acquainted with the locality ;

That the new survey was made accordingly, and the plan and description based thereon show some slight differences from the plan and description approved by the Order in Council referred to, the harbour quay line remaining, however, practically the same as already established ;

That the Chief Engineer of the Department of Marine and Fisheries, and the Chief Engineer of the Department of Public Works have recommended that the plan and description according to the new survey be substituted for the plan and description attached to the Order in Council mentioned.

The Ministers, therefore, recommend that the Order in Council of the 19th May, 1913, be amended accordingly, and that the permanent harbour quay line in the Detroit River, opposite Ojibway, Ontario, beyond

which breakwaters, wharves, piers and other structures shall not in future be built, be established, as shown on the amended plan and set out in the amended description attached hereto.

The Committee submit the same for approval.

16 A. For the use of the Dock the following charges will be made.

Gross Tonnage of Vessel.	For the First day of Docking.	For each subsequent day the Dock is occupied including the day the Vessel is Undocked.
For all vessels up to 1,000 tons.....	\$300	\$50 per day.
For all vessels, between 1,000 tons and 2,000 tons.....	\$350	4½ cents per ton.
For all vessels above 2,000 tons.....	\$400	4½ cents per ton up to 2,000 tons and 2 cents per ton on all tonnage above 2,000 tons.

When a vessel is docked solely for painting and scraping or change or repair to propeller only, the ordinary tariff will be suspended and a straight rate of \$50, for pumping out the dock and 5 cents per ton per day will be charged for a period not exceeding 4 days.

Small repairs to the ship's bottom not exceeding \$50, in value will be allowed under this clause.

Any misrepresentation as to the cost of such small repairs made in order to evade payment of charges which should be otherwise leviable, will render the ship or owner or agent of same liable to double the full tariff rates, as specified in this section 16A, page 7 of edition of the Regulations of 1913. When two or more vessels belonging to the same owner are docked together for painting and scraping or repair to propeller only, only \$50 will be charged for pumping out the dock, but each vessel will be charged \$50 per day should the tonnage of each at 5 cents per ton per day not amount to this sum. In all other respects section 19 will govern where applicable.

Should a vessel remain in dock beyond such period of 4 days or should repairs of any kind except as herein provided be made on the vessel, then the full rates provided by the tariff will be exacted including the charges for first day.

Cargoes will be charged at the same rate as tonnage, but no charge will be made for ballast, the Dock Master to be the judge. Coal will be classed as cargo.

In no case the charge for lying in dock to be less than \$50 per day during the season of navigation.

No charge for Sundays shall be made unless work be done upon the vessel.

THE Committee of the Privy Council have had before them a report, dated 19th April, 1915, from the Minister of the Interior, submitting that, under the provisions of The Volunteer Bounty Act, 1908, South African Volunteer Bounty Land Certificate, No. 2424, dated the 4th December, 1908, was issued to John Gordon Davis, of Vancouver, British Columbia, in connection with his service in South Africa, which certificate entitled him or his duly qualified substitute to select and enter for as a homestead two adjoining quarter sections of Dominion Lands available for homestead entry and to obtain patent therefor upon proving to the satisfaction of the Minister of the Interior that he had perfected his entry and that he had resided upon and cultivated the land so entered for as provided by section 4 of The Volunteer Bounty Act, 1908;

The Minister further submits that the certificate in question, endorsed under the provisions of The Volunteer Bounty Act, 1908, and amendments thereto in favour of Paul Boytinck, farmer, of Grouard, Alberta, the duly qualified substitute of the said John Gordon Davis was mailed as requested to Mr. Boytinck in care of the Canadian Bank of Commerce at Grouard but failing to arrive there until the 5th November, 1913, Mr. Boytinck was unable to locate it upon land as the time in which such certificates could be located expired on the 31st October, 1913, and has not been extended, nor can the certificate be redeemed for \$500.00 as the time in which South African Volunteer Bounty Land Certificates might be redeemed expired on the 31st December, 1914,—

Under the circumstances and as, through no fault of his own, Mr. Boytinck has sustained considerable loss in connection with the certificate in question which he never had an opportunity of locating as the time in which it could be located upon land had expired before the certificate came into his possession, the Minister is of the opinion that Mr. Boytinck's case is deserving of favourable consideration, and he therefore recommends that upon the said Paul Boytinck returning certificate No. 2424, above referred to, to the Department of the Interior he be allowed to select and enter for as a homestead two adjoining quarter-sections of available Dominion Lands open for homestead entry subject to the ordinary homestead duties, and to obtain patent therefor upon proving to the satisfaction of the Minister of the Interior that he has perfected his entry, and performed the necessary duties as to residence on and cultivation of the land so selected and entered for in full satisfaction of any claim he may have had under the said South African Volunteer Bounty Land Certificate No. 2424.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,

46-4

Clerk of the Privy Council.
